GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful the
Grand Lodge A.F. and A.M. of Canada, in the
Province of Ontario.

My Brethren:

One year ago you conferred on me the great honour and privilege of Grand Master of this Most Worshipful Grand Lodge of Canada in the Province of Ontario. I now come before you to render an account to this 117th Annual Communication of Grand Lodge of my stewardship and to seek your approval of my conduct of the affairs of Grand Lodge for the past twelve months.

Our Annual Communications are always enhanced by the presence of guests from sister Grand Jurisdictions of the United States of America and Canada together with representatives from the Grand Chapter of Royal Arch Masons of Canada in the Province of Ontario and the Supreme Council of the Ancient and Accepted Scottish Rite of Freemasonry for Canada. It is a great pleasure for me to welcome our many Masonic friends and in some measure to return hospitality commensurate with that shown to your representatives at their Convocations. We trust our visitors will enjoy their sojourn among us and that they will carry back to their brethren warm fraternal greetings and good wishes.

As the registrations of our brethren have increased over the past few years, accommodation for the large assemblage and the 41 assembly areas for the District meetings has become of some considerable concern to us. There can be no guarantee by the Scarborough Board of Education and the Principal of Cedarbrae Secondary School that we can be privileged to have the full facilities of this large institution year after year. It may well be that we should be investigating the possibilities of other accommodation but in so doing we would loath to have to forego the panorama of the assembly and parade led by

our pipers and drum corps under the capable direction of our perennial Parade Director, V.W. Bro. Burnie C. McClelland. I would recommend that we consider a more central location for our annual convocation which would have air-conditioned accommodation. Our sincere appreciation is expressed to the several authorities for the use of this auditorium, the cafeteria facilities, the parking areas and the classrooms for the District meetings.

The Grand Master, the Grand Secretary and the office would be hard pressed to arrange for and perform the many and varied details for the assembly and comfort of the delegates and our guests each year if it were not for the generous assistance of the Metropolitan Toronto Districts Past Masters' Association. The major share of this task devolves upon approximately 30 Past Masters formed into 7 committees. We are not unmindful of the nearly 100 brethren recruited from the Toronto Lodges who give generously of their time on Tuesday evening and all day Wednesday under the guidance of R.W. Bro. Robert Strachan of Hamilton to register the delegates, attend to the balloting and record the results. On your behalf I as your Grand Master am delighted to express sincere gratitude.

NECROLOGY

The Chairman of the Committee on Fraternal Dead will report and pay tribute to those brethren with whom we have been associated and worked over the years and who have passed from our midst during the past year. However, I wish to mention three brethren who served this Grand Lodge through membership on the Board of General Purposes.

DUNCAN STEWART COPUS

On December 26, 1971, we were all greatly saddened to learn of the very sudden death of R.W. Bro. Duncan S. Copus at his home in Toronto. Our late brother served as Worshipful Master of Harcourt Lodge, No. 581, in

1960, and as District Deputy Grand Master of Toronto District 5 in 1963-4. Following appointment to the Board of General Purposes in 1965 he was elected in subsequent years with service as Chairman of the Library Committee since 1967. Under his dynamic and imaginative leadership the lending facilities of the library were greatly expanded through the extension of visiting hours and the addition of audio-visual materials. As a Director of the Masonic Foundation of Ontario our late brother was vitally interested in publicizing the Foundation and its work among our members and their families. Many of his Masonic friends chose to pay tribute to his memory through contributions to this worthy charitable organization of our Fraternity.

Perhaps he will be best remembered for the willingness with which he accepted and discharged so cheerfully and painstakingly the many calls on his time and his talents.

A. VANCE CHAPMAN

It was while on a visit with his daughter in London that R.W. Bro. A. Vance Chapman, a resident of the Thunder Bay area since 1919, passed away on January 4, 1972. Our brother was very prominent in church, educational and Masonic circles for over 40 years. We in Grand Lodge will remember him as D.D.G.M. of Algoma District in 1953-4 and as a member of the Board from 1958 to 1971. His wise counsel was sought by Grand Masters in Masonic matters pertaining to the Thunder Bay area and he was a most generous host to them during visitations to the Algoma and Western Districts.

ROBERT SAMUEL McLAUGHLIN

On January 6, 1972, Oshawa's leading citizen, Col. R. S. McLaughlin, died peacefully in his sleep in his 101st year. V.W. Bro. Robert Samuel McLaughlin had been a member of Cedar Lodge, No. 270, for 75 years and a Past Master for 72 years. From appointment to the Board

of General Purposes in 1945 for a two year term our brother held the rank of a Past Grand Senior Deacon. At the Thanksgiving and Commemorative Service on January 10, Dr. A. M. Laverty, Chaplain of Queens University paid our late brother this well-merited tribute:

“Very few men have done more or better. As the leading industrialist of his century he covered the entire span from the handcraft village to the vast industrialism of the technological age. He was an extraordinary pioneer on the frontiers of human industry and on the frontiers of human concern.

“He was not only a most generous giver but he gave graciously, gladly and wisely.

“We honour him not because he was rich but because he felt as Francis Bacon put it that ‘riches were for spending and spending for honour and good action’.”

DISTRICT DEPUTY GRAND MASTERS

Through the courtesy of M.W. Bro. H. L. Martyn, Custodian of the Work, I had the privilege of discussions with my 41 D.D.G.M.s in regional meetings held at central locations throughout the Jurisdiction. From these sessions and associations at District and Anniversary receptions I feel that we have become better enabled to work together towards some specific objectives which I have had in mind. The office of D.D.G.M. carries a heavy responsibility and in several instances this past year has called for the exercise of firmness and decision. I would respectfully suggest that a Past Master should not aspire to this office nor should a Lodge sponsor one of its Past Masters unless and until the aspirant has undergone considerable seasoning. Also candidates for D.D.G.M. ought not to be so long out of the Master's Chair that they may have lost touch with the pulse of the District in particular and of Masonry in general. May I remind the Districts that their recommendations are always subject to confirmation by the Grand Master. Grand Lodge and

the Grand Master owe a debt of gratitude to those D.D.G.M.s who have gone the second mile in the cause of Masonry this past year. We trust that many of you will maintain an active interest in Lodge and District affairs.

BOARD OF GENERAL PURPOSES

Although the 41 D.D.G.M.s are also members of the Board I have chosen to single out the 29 elected and appointed members, the 4 Honorary members, the Grand Wardens, Grand Registrar, Grand Secretary, Grand Treasurer, for special mention here. For a first time this group was brought into informal discussion with the Past Grand Masters, the Deputy Grand Master and the Grand Master through two regional meetings. I am confident that the ensuing deliberations on the welfare of Freemasonry in this Grand Jurisdiction have been most fruitful. There is no doubt that similar meetings next year with perhaps the inclusion of the D.D.G.M.s could be equally profitable.

Many Worshipful Masters have responded to my suggestions that Board Members be invited to visit and speak to their brethren. Your Grand Master is most grateful to these senior brethren of our Grand Lodge who have responded so readily as liaison personnel between Grand Lodge and the individual Lodges. From visitations to other Grand Jurisdictions your Grand Master has gained a greater appreciation of the value and usefulness of a Board of General Purposes. Your Grand Master has a less demanding schedule of Lodge visits and the Committee Chairmen carry a much greater share of the details of Grand Lodge functioning between Communications. Grateful appreciation is hereby extended to the brethren who have continued to discharge their duties as Chairman of the Standing and Special Committees.

R. Wor. Bros. J. Wesley Bradley, E. J. Langley and Bruce M. McCall have elected not to continue as members of the Board of General Purposes, we regret this and thank them for the many outstanding contributions they have made in their respective areas of responsibility.

HONORARY MEMBERSHIP ON THE BOARD OF GENERAL PURPOSES

In recognition of the extraordinary contributions to the Craft through years of outstanding service on the Board and in order to retain their special talents for the future, it has become accepted practice to make honorary appointments to this body. After consultation with the Past Grand Masters I recommend the appointment of R.W. Bro. James J. Talman to Honorary Membership on the Board of General Purposes.

APPOINTMENTS

On March 29, 1972, Oak Branch Lodge, No. 261, Innerkip, held their 100th Anniversary Banquet at which the Grand Master was present. I was pleased to appoint W. Bro. George Maynard, a Past Master of Oak Branch Lodge as a Grand Steward on this occasion. I request from Grand Lodge approval for this appointment and that V.W. Bro. George Maynard be given Past Rank.

Due to the sudden passing of R.W. Bro. Duncan S. Copus, a member of the Board of General Purposes, in December 1971, I was pleased to appoint V.W. Bro. Eric C. Horwood of Toronto to the Board to fill out the 1971-2 year. I request from Grand Lodge approval for this appointment.

PAST RANK

- (1) Wor. Bro. Ervin Becker, Tavistock Lodge, No. 609, was unable to attend the regular installation meeting of his lodge because of illness. He was subsequently installed at the next regular meeting in September, 1971. I recommend that he be granted the rank of Past Master.
- (2) Wor. Bro. Frank A. Smith, Worshipful Master of Golden Star Lodge, No. 484, Dryden, passed to the Grand Lodge Above on May 31, 1972. This was only two weeks before the expiration of his term as Wor-

shipful Master. I recommend he be granted Past Rank posthumously and extend our sympathy to his family.

- (3) Wor. Bro. Daniel J. Hillier, King Hiram Lodge, No. 78, Tillsonburg, because of extenuating circumstances, was not installed until two months after the normal date. He has served the office of Worshipful Master with distinction. I recommend he be granted Past Rank.
- (4) Wor. Bro. Stanley James Mercer, Worshipful Master High Park Lodge, No. 531, was killed in an automobile accident on April 2, 1972. Because of a change of By-laws he had served more than 14 months, the installation of his successor took place in May. Bro. Mercer served the Craft well and I recommend he be granted Past Rank posthumously. I extend our condolences to his family.

AD HOC COMMITTEES

After consultation with the Past Grand Masters I appointed the following special committees to undertake specific functions. In each instance the first named member has assumed the task of chairman:

1. Distribution of surplus Grand Lodge publications — M.W. Bro. H. L. Martyn and the Grand Secretary.
2. Revision of the Memorial Services — M.W. Bro. W. L. Wright and M.W. Bro. H. L. Martyn.
3. Retirement allowances for Grand Lodge employees — R.W. Bro. A. C. Ashforth, R.W. Bro. M. C. Hooper, V.W. Bro. H. L. Hastie and W. Bro. J. E. Davidson.
4. Revision of the Book of Constitution — V.W. Bro. H. A. Leal, R.W. Bro. M. C. Hooper and R.W. Bro. F. M. Cass.

5. Revision of Grand Lodge publications — R.W. Bro. N. R. Richards, M.W. Bro. H. L. Martyn, R.W. Bro. T. R. Davies, R.W. Bro. C. D. MacKenzie, W. Bro. W. McLeod and Bro. C. W. Booth.

Because of the enormity and complexity of the tasks this committee has been resolved into several sub-committees with added members as the job has required.

- (a) W. Bro. W. McLeod to supervise and edit a book to replace the Manual for Masonic Instructors and Students which is now out of print.
- (b) R.W. Bro. C. D. MacKenzie to supervise and edit a Manual for Lodge Officers.
- (c) R.W. Bro. N. R. Richards to supervise and edit booklets for candidates with particular attention to one for the information of the petitioner.

The first three named committees have completed their assignments. A revised Masonic Memorial Services booklet is being printed and will be available for distribution in September. I recommend that copies of Funeral or Memorial Services now in Lodge and Grand Lodge inventory be disposed of and that as of October 1, 1972, the new Memorial Services be used by all Lodges as the need arises.

DIVINE SERVICES

For the past number of years through the courtesy of Canon R. P. Dann, Rector of St. Paul's Anglican Church, Toronto, arrangements have been made by the Metropolitan Toronto Past Masters' Association for the Masons and their families of the 7 Toronto Districts to attend Divine Services. On Sunday evening, October 17, 1971, 1500 Masons and their families assembled at St. Paul's Anglican Church to be addressed by Rabbi Gunther Plaut of Holy Blossom Synagogue.

R.W. Bro. Rev. Dr. Thomas R. Davies, our Grand Chaplain, the Associate Minister of St. George's United

Church and your Grand Master were pleased to be hosts for the Masons and their families of the Toronto Districts for Divine Worship on Sunday evening, April 16, 1972. Despite the very inclement weather a congregation of 900 responded to our invitation. The sermon preached by our Grand Chaplain and the musical renditions of the choir under the able leadership of Mr. Peter McCoppin contributed to a memorable evening of worship. Rev. Dr. Angus J. McQueen, the minister of St. George's and Rev. Dr. John Short, former minister, assisted in the service.

For many years Kilwinning Lodge, No. 64, London, have conducted a sunrise breakfast and Divine Service. On Sunday, June 4, 1972, some 1100 Masons attended this Service at Wonderland Gardens, London. The Service was attended by R.W. Bro. J. Bernard Hann, D.D.G.M. London West District and R.W. Bro. John M. Taylor, D.D.G.M. London East District, and the Grand Secretary. Our congratulations to Wor. Bro. W. S. Brock, Worshipful Master of Kilwinning Lodge, No. 64, and his committee for the planning that went into this outstanding successful event.

Your Grand Master was pleased to join the brethren of the two Hamilton Districts in separate Services. Commendation is extended to the many Districts and Lodges which have held Divine Services. Our Grand Chaplain merits our special thanks as he has journeyed far and wide throughout the Jurisdiction to take charge of or to assist in Worship Services.

VISITATIONS TO OTHER GRAND LODGES AND MASONIC BODIES

Of necessity the affairs of our own Grand Jurisdiction have priority on the time of your Grand Master. Hence it has been impossible to accept more than a fraction of the many invitations extended by sister jurisdictions. The warm fraternal relations that exist among the Masons of Canada and United States of America are enhanced and cemented through intervisitations.

A list of visitations is to be found in Appendix "A".

LODGE CENTENNIAL AND DISTRICT RECEPTIONS

Your Grand Master has been pleased to participate in several Lodge Anniversary celebrations and to be tendered receptions by Lodges and Districts. He is most appreciative of the kindnesses received and tokens of good will and esteem. It has been a delight to convey the greetings of my brethren and to address the brethren on pertinent topics. Gratitude is due to the Lodges and Districts which cooperated in holding joint receptions.

A list is to be found in Appendix "B".

SPECIAL VISITATIONS

York Lodge, No. 156, Toronto, held a special reception for two York Lodges from Pennsylvania and Maryland Grand Jurisdictions which the Grand Master was pleased to attend.

On November 5, 1971, the Grand Master accepted the invitation of the Commander-in-Chief, Ill. Bro. Donald Ewen, to address the reunion class of Moore Sovereign Consistory, Hamilton.

Perfection Lodge, No. 616, St. Catharines, was host on February 26, 1972, to M.W. Bro. J. S. Woods, Grand Master of the Grand Lodge of Alberta, accompanied by his Deputy Grand Master, R.W. Bro. F. Glenn Fox and his Grand Secretary, V.W. Bro. Melville Dunford. R.W. Bro. Fox who is a member of Perfection Lodge, Calgary, had been commissioned to make a special presentation. The Grand Master, the Grand Secretary, M.W. Bro. H. L. Martyn and several Grand Lodge officers were delighted to join their honoured guests on this significant occasion.

Your Grand Master and Grand Lodge are deeply indebted to R.W. Bro. Charles A. Sankey, our ambassador-at-large in the Niagara Peninsula and member of the Board of General Purposes for acting as host for our distinguished visitors from the Grand Lodge of Alberta.

MASONIC COURTESIES

Your Grand Master wishes to acknowledge with gratitude the kindness of the Worshipful Master and the members of Bay of Quinte Lodge, No. 620, along with 250 visitors for a Homecoming Reception on September 25, 1971. Bay of Quinte Lodge had honoured me as Worshipful Master in 1943.

My Mother Lodge, Stirling, No. 69, arranged a reception for the brethren of that Lodge and Prince Edward District to welcome me home. October 28, 1971, will long be a most pleasant memory for me as former neighbours, Lodge members and schoolmates rallied to show their personal regard and respect for the Grand Master.

The Masters of 1951 in Toronto District 3 for whom your Grand Master was D.D.G.M., along with their wives, tendered a private reception on September 11, 1971.

During the year as I have travelled about this Province many kindnesses have been shown to me by my brethren. Many Lodges have amplified their expressions of good wishes through tangible appreciations for which the Grand Master is deeply thankful. Special thanks are hereby extended to those Lodges which have honoured me and welcomed me into their ranks by conferring Honorary Memberships — Canada Lodge No. 532, Galt Lodge No. 257, Grenville Lodge No. 629, Stirling Lodge No. 69, Patterson Lodge No. 265, Seymour Lodge No. 272, Waterdown Lodge No. 357, Perfection Lodge No. 616.

Grateful appreciation is hereby tendered the Immediate Past Grand First Principal, M. Ex. Comp. Fred W. D. Welham for recommendation to Grand Chapter that the rank of Honorary Past First Principal be conferred on your Grand Master, and to the Grand First Principal, M. Ex. Comp. Leo J. Gent, that in due course the rank of Grand Steward be conferred on your Grand Master.

GRAND MASTERS' AND GRAND SECRETARIES' CONFERENCES

Your Grand Master, accompanied by the Deputy Grand Master, the Grand Secretary, and M.W. Bro. E. G. Dixon, attended the Conference of Grand Masters and the Conference of Grand Secretaries of North America held in Washington, D.C., on February 21-23, 1972. The keynote address was presented by M.W. Bro. Orin A. Shipp, Grand Master of Oklahoma.

The following topics received full and lively discussion:

1. Relationship of Freemasonry to the religious community
2. The transient Mason
3. How universal should our Masonic charity be?
4. Are nationalism and Masonry the same?

Your Grand Master was honoured to moderate the topic on the transient Mason and also in election to the Agenda Committee for the 1973 Conference. Stimulating and challenging addresses were delivered by M.W. Bro. Chester Hodges and M.W. Bro. Lewis Parker at other sessions of the Conference.

While these Conferences have no legislative authority they do provide for a generous exchange of information pertinent to Masonry at large. As leaders of the Fraternity we should always be alert to more effective means of ministering to the brethren in our respective jurisdictions.

DONATIONS

As in previous years your Grand Master has been pleased to extend the assistance of our Grand Lodge to the endeavours of specific organizations with which many of our brethren are associated and with which we are in sympathy. I have authorized the following donations from the General Funds of Grand Lodge and I request your approval of these contributions:

GRAND MASTER'S BANQUET

For many of the brethren the highlight of our Annual Communication each year has been the Grand Master's Banquet on the Wednesday evening which year after year draws an assembly of 1800 Masons. This year we are to be favoured with an Address by M.W. Bro. James S. Woods, Past Grand Master of the Grand Lodge of Alberta, whom we welcome most warmly. R.W. Bro. Colin D. MacKenzie has accepted the task of ticket distribution and we are indebted to the D.D.G.M.s for sales. Despite the heavy demand for tickets each year we can assure those brethren who have travelled long distances that they will be guaranteed accommodation.

RECOGNITION OF 100 YEARS OF ACTIVE EXISTENCE

To the 16 Lodges which have been recognized as having reached 100 years of active existence congratulations are extended. LODGE TEMPLE DEDICATIONS

Two Lodge Temple buildings have been completed and dedicated during the past year. On April 7, 1972, Grand River Lodge, No. 151, was host for the dedication of the attractive and well-appointed Craft Lodge premises in Waterloo to be the home for Grand River Lodge, No. 151, Twin City Lodge, No. 509, Waterloo Lodge, No. 539, and Temple Lodge, No. 690. Your Grand Master, assisted by a large number of present and past Grand Lodge officers, was delighted to dedicate this splendid new Temple.

The Deputy Grand Master, supported by several present and past Grand Lodge brethren, officiated at the dedication ceremonies of the recently purchased and renovated premises of Forest Lodge, No. 393, Chesley. April 22, 1972 will be a red letter day in the life of the brethren of this Lodge after having had to travel for the past year to Paisley for their meetings.

On your behalf I am pleased to convey congratulations and commendation to these Lodges and Temple Corporations. I have no doubt that the Masons in these municipalities will experience a renewed interest in their Masonry.

OUR OLDEST MEMBER

V. Wor. Bro. Geo. T. Kennedy, of St. Thomas Lodge, No. 44, St. Thomas, Ontario, we believe to be our oldest member in terms of service. He will be seventy-five years a Mason on September 22, 1972. Still active in Masonic work and attends Lodge regularly. He is also active in his church and community. I salute V. Wor. Bro. Kennedy and wish him Health, Happiness and Contentment.

MASONIC EDUCATION

Your Grand Master is highly delighted with the imaginative and refreshing programs and approaches which have been developed by Lodge and District officers working under the direction of senior personnel. R.W. Bro. N. R. Richards, Grand Lodge Chairman, is to be commended on the able leadership which he has given this past year.

It was the good fortune of the Grand Master and the Grand Secretary to attend a two-day seminar organized under the sponsorship of R.W. Bro. David W. Whitten, D.D.G.M. of Western District, and R.W. Bro. John P. Antoniak, D.D.G.M. of Algoma District. From Friday evening, May 5, to Sunday morning, May 7, 1972, 50 brethren from the 22 Lodges of these two Districts were in session at Quetico Centre which is some 100 miles west of Thunder Bay. A committee headed by V.W. Bro. Edgar Shaw had spent many hours working with professional staff of the Centre to focus on problems pertinent to Masonry in general and to Northwestern Ontario in particular. The Conference proved to be one of the most encouraging and stimulating seminars that your Grand Master has been privileged to attend. We predict that much renewed interest and participation in Lodge and District affairs will result. It is also our assessment that our attendance and participation will have done much to establish and cement better relations and lines of communication between Grand Lodge and these more distant areas of our Grand Jurisdiction.

On May 17 and May 24, 1972, the brethren of Toronto and neighbouring areas were privileged to have W. Bro. Harry Carr, Secretary of the Quatuor Coronati Lodge of Research of London, England, speak to them. The first meeting in the nature of question and answer was convened by R.W. Bro. F. R. Branscombe, D.D.G.M. of Toronto, No. 7, for the brethren of that District. R.W. M. J. Damp and a group of the 1971 Toronto Masters arranged the second meeting which attracted 600 brethren for a most fascinating and informative lecture on the subject "600 Years of Craft Ritual."

Some brethren have been known to remark that nothing really happens at Grand Lodge and everything is cut and dried. However, I would venture to suggest that an entire meeting could with profit be devoted to presentation and discussion of the highlights of the several reports presented at this 1972 Communication. The Syllabus prepared and distributed each year by the Chairman of the Grand Lodge Committee on Masonic Education invariably has contained excellent guide lines for such study.

RULINGS

Reference Rulings of Grand Masters — Medals

“No member who is not a Master Mason can be awarded the Veteran Jubilee Medal (Fifty years a Mason) without permission of the Grand Master (1946).”

Since Medals are no longer officially awarded in recognition of this service in Masonry, I recommend that this be withdrawn and that it be replaced by the following Ruling.

“No member who is not a Master Mason can receive an award for long service without the permission of the Grand Master.”

DIRECTIVE

In 1948 M.W. Bro. T. H. Simpson, the then Grand Master, found it necessarily desirable to issue a directive prohibiting the bringing of any intoxicants upon Lodge premises owned or controlled by Masons including both Masonic and non-Masonic functions.

In 1968 M.W. Bro. D. J. Gunn amended this directive by removing the prohibition insofar as it applied to non-Masonic functions held under the laws and regulations of the Province of Ontario.

After consultation with the Past Grand Masters your Grand Master issued a directive, dated May 15, 1972, giving further consideration to the question of the serving, use and consumption of alcoholic beverages in buildings

in which a Lodge or Lodges hold their Lodge meetings (hereinafter called Masonic buildings). This directive has been mailed to each Lodge Secretary with instructions that it be read at the next meeting of the Lodge. The text of this directive appears as an appendix to my Address.

Since the directive issued by M.W. Bro. T. H. Simpson in 1948 was never recommended to Grand Lodge to become a Ruling of a Grand Master, I recommend that all references to the directive and the amendment to it which appeared as a Ruling of a Grand Master be withdrawn.

ESTATE OF S. FRED HUTCHINSON

Grand Lodge has been notified that our Benevolent Fund is the residuary legatee under the Will of the late V.W. Bro. S. Fred Hutchinson. We have been advised that, by a technicality of the construction of the Will, Grand Lodge might legally claim that one of the pecuniary legacies to a relative should fail and Grand Lodge should benefit accordingly.

To take a harsh technical position in such a case would in my view be entirely inconsistent with Masonic Tradition and I am asking Grand Lodge to authorize waiver of any claim adverse to the interests of the intended legatee.

CONCURRENT JURISDICTION

Whenever the matter of concurrent jurisdiction has been broached in informal discussions fear has invariably been expressed that our smaller rural and suburban Lodges might be placed in an unfair position as regards applications for membership in Masonry. Several American Grand Lodges following a one year trial period have not found such fears too well founded.

I recommend that the subject of concurrent jurisdiction be given full discussion by the D.D.G.M.s at representative Lodge and District meetings in order that your Grand Master may have some expression of your views. I

cannot conceive of a recommendation for concurrent jurisdiction unless there is almost unanimous agreement and then only for a one-year experimental period.

TUTORING OF CANDIDATES

Worshipful Masters and those charged with the tutoring of candidates for Examination prior to advancement are reminded that word-of-mouth instruction is the only recognized means for imparting the necessary information. However, your Grand Master recognizes some of the problems and, therefore, recommends that the questions and answers for examination of candidates in open Lodge be printed for distribution to Lodges. It is to be clearly understood that such copies are to become the property of the Lodge for loan to candidates and must be returned to the Lodge prior to examination.

LODGE SUMMONS

In my message to my brethren through the medium of the March issue of the Grand Lodge Bulletin I urged the Worshipful Masters to give some thought and study towards the improvement of communications with the 75 per cent of our members who for one reason or another are non-attenders. The Lodge summons ought to be more than a bare, bald, mechanical notification of a meeting. Yet care should be exercised to exclude frivolities, domestic comments and flippant allusions from any Lodge Communications.

The monthly circular can and should be made very human and instructional, a vibrant link between the Lodge leaders and the members as a Thought Centre for strengthening the mystic ties of Mason to Lodge and Craft. References to any specially interesting features of the past meeting, tributes to departed brethren, presentation of new officers and initiates, inviting announcements of forthcoming events and commendations to participating brethren in acceptance of Masonic obligations ought to receive mention.

Your Grand Master has noted with delight and satisfaction a great improvement in many Lodge communications. Those Lodges which have undertaken a thorough overhaul of their Lodge circulars and have produced attractive and substantive messages are experiencing a renewed interest and attendance in Lodge affairs. These Lodges and their brethren have seemed to willingly forego, if necessary, nourishment for the stomach in order to expend more for the mind and the heart.

APPRECIATION

No report of the Grand Master would be complete without an expression of gratitude to our Past Grand Masters. It has been very reassuring to your Grand Master to have had the counsel and guidance of these brethren available on call. The prompt and courteous attention of the Grand Secretary to all Grand Lodge matters and the cooperation of the office staff has been greatly appreciated by your Grand Master and by the Lodge personnel of all 635 constituent Lodges.

M.W. Bro. Harry L. Martyn, Custodian of the Work, has continued to render yeoman service to the D.D.G.M.s in attending to their ritual and protocol problems, in superintending Lodges of Instruction and in conferences for the D.D.G.M.s. M.W. Bro. Donald J. Gunn merits our thanks for his direction in assembling and collating the property assessment information for presentation to the Department of Municipal Affairs.

Specific assignments have been readily accepted and faithfully discharged by M.W. Bro. W. L. Wright for revision of the Memorial Services, by M.W. Bro. James N. Allan in presentation of the report on the Grand Lodge Library Committee and by M.W. Bro. Bruce B. Foster in preparation on behalf of M.W. Bro. D. J. Gunn of the report on Fraternal Correspondence. Our Deputy has placed himself at the service of the brethren throughout the Grand Jurisdiction. Words are so inadequate to express our appreciation to R.W. Bro. M. Cleeve Hooper, the Grand Treasurer, and to R.W. Bro. Albert C. Ashforth, Chair-

man of the Committee on Audit and Finance, who have continued to give generously of their knowledge and experience in the superintendence of the finances of Grand Lodge.

IN CONCLUSION

The following words are by Prince Philip, Duke of Edinburgh:

“Traditions are splendid, but they must be accepted with conviction and not from any vague sense of the sacredness of antiquity. Evolution is not disloyalty to a system, it is the one thing that insures the continuity of that system.”

The past is not a bed to rest on but rather a spring-board for launching into the future. Freemasonry like all other institutions rooted in the past and in tradition does not easily or lightly accept change. However, we must recognize that in this twentieth century in order to preserve the fundamental principles in which we believe, we must take note of the changing times in which we live and in which, of necessity, we must practice these principles.

Therefore, let us not resist change because it could mean some real soul-searching or on the other hand go all out for change just as a gimmick or fancy of the moment. Our skill and technique will come in our willingness to compromise without sacrificing the traditions of the Fraternity and to recognize when other views have merit and soundness to support them.

We have all heard our older brethren lament that their Lodges are not what they were when they were initiated and that there is a lack of interest and loyalty. Our Lodges cannot ever be what they were 25 or 50 years ago. We are living to-day in a world literally filled with a multiplicity of side interests, counter attractions and leisure pastimes. The net result is that greater demands for superior leadership and direction are being demanded of Lodge officers right up through the ranks.

The ability of a Worshipful Master merely to memorize and to assign ritual is not sufficient claim to the Master's Chair in this day and age. The office of HEAD of a Masonic Lodge cries aloud for VISION and IMAGINATION. It is his duty to seek out, to sift, and to consider the advice which he receives and then to insure that his decisions are put into effect. If he demonstrates to his brethren that he is a person of quiet confidence and dignity, of sterling character and principle and of enthusiasm and energy, his brethren will invariably rally round him and the Lodge. The work and play of the Lodge should be so designed to guarantee that it fosters and retains corporate enjoyment and enlarges the horizons of the brethren for every day living.

To Bro. Edward Markham we are indebted for these words:

He drew a circle that shut me out —
Heretic, rebel, a thing to flout.
But Love and I had the wit to win
We drew a circle that took him in.

Faternally and respectfully,

WILLIAM K. BAILEY,
Grand Master.

APPENDIX "C"
GRAND MASTER'S DIRECTIVE

MAY 15, 1972

Whereas the Grand Master has given further consideration to the question of the serving, use and consumption of alcoholic beverages in buildings in which a Lodge or Lodges hold their lodge meetings (hereinafter called Masonic buildings), the Grand Master deems it advisable to make a new directive, as follows:

1. Alcoholic beverages may be served in a banquet room or auditorium in Masonic buildings—
 - (a) At annual Lodge or District social functions, such as Ladies' Nights or Masonic Receptions not replacing or related to a regular or emergent meeting of the entertaining Lodge or District.
 - (b) At annual meetings of Masonic groups such as Masters' or Wardens' Associations.
 - (c) At annual social functions related to inter-lodge visitations provided there is not a regular or emergent meeting of the entertaining Lodge that evening.
 - (d) At functions of non-Masonic tenant bodies or associations.
2. No alcoholic beverages of any kind shall be taken into a lodge room at any time.
3. It is understood that no behaviour is to be permitted on Masonic premises at any time, inconsistent with Masonic dignity or that which might bring discredit on the Order.
4. This directive shall supersede previous directives insofar as they may be inconsistent herewith.

5. It must be assumed that under no circumstances may any alcoholic beverages be served or consumed in Masonic buildings except in conformity with the requirements of this directive and the laws and regulations of the Province of Ontario.
6. This directive shall apply with respect to all Lodges of this Grand Jurisdiction and all other Masonic Bodies recognized as such by this Grand Lodge.

W. K. BAILEY,
Grand Master.

APPOINTMENT OF COMMITTEE ON THE GRAND MASTER'S ADDRESS

At the conclusion of the Address it was moved by M.W. Bro. B. B. Foster, seconded by M.W. Bro. J. N. Allan and carried: That a committee, composed of all the Past Grand Masters present, consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

REPORT OF THE COMMITTEE ON FRATERNAL DEAD

This Report was presented by R.W. Bro. R. E. Davies, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Davies, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is truly a privilege to present the record of such a distinguished company of great men, useful citizens and loyal craftsmen as those whose names are appended in the memorial "Tablet Pages" and elsewhere in the proceedings. No one could be insen-

sible to the influence for good which the lives and characters of our departed Brethren have shed in their respective communities. The losses among the ranks of Past District Deputy Grand Masters and other Past Grand Lodge Officers has again been heavy. Their counsel and advice will be sorely missed in the days that lie ahead.

Yet sure is the plan of the Great Architect of the Universe, that after labour there is rest for His faithful servants, and those who remain behind to take up the labours of the day have for their guidance the experience and remembrance of these faithful ones. May the Father's comfort and blessing be with those who have been bereaved in the loss of their friends and loved ones.

Your Committee wishes to acknowledge and commend the various Masonic Guilds for the assistance and guidance they give to the families of the deceased, especially when the nature of the fatal illness may have caused the afflicted Brother to be removed to a large city hospital many hundreds of miles from his family and friends.

This Committee would also draw to the attention of the Brethren the Memorial Services that are presently being revised by Grand Lodge. We suggest that any Lodge that has not been paying a fitting tribute to their departed Brethren, now consider the observance of an annual Memorial Service in the Lodge Room, making full use of the ritual intended for that purpose.

Your Committee also wishes to gratefully acknowledge the thoughts and suggestions previously forwarded to us. Most of these have already been discussed with the Most Worshipful the Grand Master and we ask should any Brother, particularly the outgoing District Deputy Grand Masters, have any thought as to how this Committee can better serve you the Members of this Grand Jurisdiction, that you please advise us forthwith.

This Committee thanks the District Deputy Grand Masters for supplying the information required for this report and the Grand Secretary and his staff for compiling and preparing it for presentation.

We are reminded that the tributes we pay to the dead today are useful only as lessons to the living.

When we recall the notable contribution to Masonic Progress which is represented by those Brethren whose memory we now venerate, we cannot but feel that on us a great responsibility is laid and to us a great opportunity is afforded.

We are the heirs of this heritage. The builders are smitten and we, who have learned the rudiments of the craft by appreciating and admiring their curious and masterly workmanship, are now called upon to take up the tools and continue to build.

Rise up, O men of God!
 Have done with lesser things.
 Rise up, O men of God!
 To serve the King of Kings.

Give heart and soul and mind and strength,
 His Kingdom tarries long;
 Bring in the day of Brotherhood
 And end the night of wrong.

In memory and affection of our departed Brethren, we now
 name those who served as Grand Lodge officers:

These Tablet Pages

Are inscribed and fraternally dedicated

in memory of

Our Departed Brethren

MEMORIAL SERVICE

GRAND CHAPLAIN:

"God is our refuge and strength, a very present help in trouble." Psalm 46:1.

"Cast your burden on the Lord, and he will sustain you." Psalm 55:22.

Prayer of Invocation

Eternal God, our heavenly Father, who lovest us with an everlasting love and canst turn the shadow of death unto the light of a new day; help us now to wait upon thee with reverence, that, as we hear the words from the Volume of the Sacred Law, we may find peace of thy presence. Amen.

Psalm 121 (Reading responsively)

1. I lift up my eyes to the hills.
From whence does my help come?
2. My help comes from the Lord,
who made heaven and earth.
3. He will not let your foot be moved,
he who keeps you will not slumber.
4. Behold, he who keeps Israel
will neither slumber nor sleep.
5. The Lord is your keeper;
the Lord is your shade
on your right hand.
6. The sun shall not smite you by day,
nor the moon by night.
7. The Lord will keep you from all evil;
he will keep your life.
8. The Lord will keep
your going out and your coming in
from this time forth and for evermore.

Prayer of Thanksgiving and Intercession:

O God, with whom do live the souls of the righteous, we praise thee for all thy servants who have departed in the faith, and who, having completed their work, are at rest with thee. Especially do we bless thee for those whom we now remember before thee. For all thy loving kindness toward them throughout

their earthly lives we give thee thanks. For their services to their fellowmen and to the craft, for their companionship, their friendship and their example, we give thee thanks. And since it was thy will to take them from us, we thank thee that for them all sickness and sorrow are ended, that death itself is past and that they are now safe in the Grand Lodge above.

O merciful God, the consolation of the sorrowful; look in thy great love upon the bereaved families. Fill their hearts with love, that they may hold fast to thee, who bringest life out of death, and who canst turn their grief into eternal joy.

O Lord, support us all the day long of this troublous life, until the shadows lengthen and the evening comes, and the busy world is hushed, and the fever of life is over, and our work is done. Then of thy tender mercy grant us a safe lodging, and a holy rest, and peace at the last.

And now unto thee, our God and supreme architect of the universe, be honour and glory for ever and ever.

Amen.

Respectfully and fraternally submitted,

R. E. DAVIES.
Chairman.

REPORT OF THE SPECIAL COMMITTEE ON PROVINCIAL ASSESSMENTS OF MASONIC TEMPLES OR HALLS

The Report was presented by M.W. Bro. D. J. Gunn, and on Motion of the Deputy Grand Master, seconded by M.W. Bro. Gunn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Over a period of some years, the Provincial Government had been giving serious consideration to taking over the responsibility of assessing the various properties throughout the Province of Ontario, their purpose as announced being to have a province-wide system and reduce the inequities that inevitably took place under the system in use for many years, that is the local authorities in the various areas assessing their own properties. Considering

the area of the province, it was a very ambitious program to institute at one time and numerous problems arose in connection therewith. Rather than repeat the Report of our Special Committee on Provincial Assessments of Masonic Temples or Halls as shown on pages 91 and 92 of the 1971 Proceedings of Grand Lodge, I would refer any interested Masons to read this report which they could borrow from the Secretary of their own lodge.

The Honourable Dalton Bales succeeded The Honourable W. Darcy McKeough as the Minister of Municipal Affairs shortly before our 1971 Communication of Grand Lodge. On October 21, 1971, provincial elections were held and further changes have subsequently been made and as reported in the Globe and Mail, Thursday, February 3rd, The Honourable Allan Grossman became Minister of Revenue and was also given the assignment of taking over the matter of provincial reassessment. We are still endeavouring, through Most Wor. Bro. J. N. Allan, to arrange an appointment with Mr. Grossman to see our committee or a delegation thereof and discuss the matter with him to ascertain his views. The brethren will appreciate that the changes, first in ministers, and latterly a change in the cabinet as well as the minister, has complicated matters for your committee in endeavouring to deal as fairly as possible with the whole difficult question. The fundamental point is the definition of market value of land assessed which is set out quite clearly in the Act as follows:

"The market value of land assessed is the amount the land might be expected to realise if sold in the open market by a willing seller and a willing buyer." Land, of course, includes buildings thereon.

Regrettably, this report is somewhat more lengthy than could be desired, but we have tried to make it reasonably intelligible, having regard to the difficulties presented by the circumstances outlined above. The committee will, of course, have a further report to make to Grand Lodge when they are able to bring their efforts to what we hope will be a satisfactory conclusion.

Respectfully and fraternally submitted,

DONALD J. GUNN,
Chairman.

RECEPTION OF GRAND REPRESENTATIVES

As the Grand Secretary called the roll of Grand Representatives of other Grand Lodges those who were present stood up and were welcomed by the Grand Master. Grand Honours were then given under the direction of the Grand Director of Ceremonies.

AUDITOR'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

I have examined the statement of resources of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1972 and statements of receipts and disbursements of the General Fund and the combined Memorial and Semi-Centennial Fund for the year then ended. My examination included a general review of the accounting procedures and such tests of the accounting records of your Grand Treasurer and Grand Secretary and other supporting evidence as I considered necessary in the circumstances.

The securities of the General, Memorial and Semi-Centennial Funds as set out in the respective schedules accompanying the Grand Treasurer's Report are held and certified to under date of May 18, 1972 by the Canadian Imperial Bank of Commerce.

In my opinion, these financial statements present fairly the financial position on a cash basis of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1972 and the receipts and disbursements for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours fraternally,

A. W. PARISH, F.C.A.

GRAND TREASURER'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again I have the honour of submitting my annual report consisting of a statement of receipts and

disbursements for the General Fund and for the Combined Memorial and Semi-Centennial Funds and particulars of investments for the year ended April 30, 1972.

Following the suggestion made in the report a year ago we have shown the fees received in respect of commuted life membership in a separate account instead of including them with current income. It was becoming apparent that increasing commuted life memberships would inevitably affect the numbers of members for whom the annual dues were payable. By capitalizing commutation fees and applying income and a stated proportion of capital annually to the General Account we hope to modify any excesses or deficiencies in income which might have developed under the previous practice. A pending motion for the amendment of the Constitution is intended to confirm new procedures in that area.

By watchfully scrutinizing expenditures and keeping them well within the budget and by careful administration and investment policies we have succeeded in completing our fiscal year with a minor surplus. Unfortunately the market value of our investments has not increased to the extent of the improvement of the previous year. This results almost entirely from the vagaries of the bond market and to that extent is beyond our control.

I feel it necessary to reiterate the principle suggested in former years that the continuous inflation now forming a feature of our economic system makes it requisite for us to have substantial annual surpluses in order to avoid impairment of the purchasing value of our reserves. Unless large donations are added to the capital of our benevolent reserves increased annual grants will be needed from the General Account.

Our requirements on General Account are expected to increase. Those who serve Grand Lodge from day to day must be reasonably compensated for their labours with some provision being made for retirement other than a hand-out in the nature of a gratuity. Perhaps we have been improvident in the past, but we must not be parsimonious in the future.

The year has again been marked by the faithful assistance of the Grand Lodge clerical staff, the continued cooperation of the Grand Secretary and the Supervisor of Benevolence, the kind and knowledgeable guidance of the Chairman of Audit and Finance and sympathetic and inspiring leadership of our energetic and dedicated Grand Master. To all of these, the thanks of the Grand Treasurer are heartily accorded.

As heretofore the complete summaries, statements and schedules are included with this report in the following pages.

Respectfully and fraternally submitted.

M. CLEEVE HOOPER,
Grand Treasurer.

COMMITTEE ON CREDENTIALS

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by M. Wor. Bro. H. L. Martyn, and on motion of the Deputy Grand Master, seconded by M. Wor. Bro. Martyn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Fraternal Relations presents their report dealing with two requests received during the Masonic year just ended.

The first request was received from Gran Logia "Occidental Mexicana". This is one of the twenty State Grand Lodges of Mexico. We do recognize the York Grand Lodge of Mexico and up to the present we have not extended recognition to any of the State Grand Lodges. Your Committee recommends that action on this request be deferred for the present.

The second request came from The Lebanese Grand Lodge for the Arab Countries. Since we have very little information about this Grand Lodge, your Committee recommends that action on this request be deferred for the present.

In our report to Grand Lodge in 1969 we reported a request for recognition from the newly formed Grand Lodge of Iran. At the time of its consecration on March 1, 1969 they had twenty-seven lodges. All these lodges had previously held Charters either from the Grand Lodge of Scotland or the Grand Lodge Nationale of France or the United Grand Lodges of Germany. Your Committee now recommends that we extend recognition to the Grand Lodge of Iran.

Respectfully and fraternally submitted,

HARRY L. MARTYN,
Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

M.W. Bro. B. B. Foster presented this Report on behalf of the Chairman, M.W. Bro. D. J. Gunn and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by M.W. Bro. B. B. Foster, that the Report be received and adopted; Carried.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This Report was presented by M.W. Bro. H. L. Martyn, seconded by M.W. Bro. W. L. Wright, it was received and adopted.

To the Officers and Members of the Grand Lodge A.F. & A.M.
of Canada in the Province of Ontario.

Brethren:

Since this report deals with the administration of the affairs of Grand Lodge by the Grand Master for the last Masonic Year, the report is addressed to the Brethren rather than to the Grand Master. We listened with much interest to the very complete and inspiring account of what had been planned and accomplished up to our Annual Communication.

The Grand Master has paid a fitting tribute to the memory of Masons who have served the Craft faithfully and have now been called to their reward.

The Address contains sincere words of appreciation to those who have served Grand Lodge in the office of District Deputy Grand Master. At the same time he suggests certain preparations a Past Master should make before he offers himself as a candidate for this very important office. He also includes an appreciation to the three members of the Board of General Purposes who are retiring at this time. The Committee endorses his recommendation for Honorary Membership on the Board for R.W. Bro. James J. Talman. Brother Talman has rendered outstanding service to Masonry in the past and we congratulate him on this honor.

Unqualified approval is given by your Committee to the action of the Grand Master in confirming the rank of four Worshipful Masters who did not serve exactly the full twelve months ordinarily required. We also approved his appointment of Grand Steward to W. Bro. George Maynard and his appointment of V. Wor. Bro. Eric C. Horwood to the unexpired term on the Board of General Purposes of the late R. Wor. Bro. Duncan S. Copus. We approve past rank for V. Wor. Bro. Maynard.

The special committees appointed to head up special projects shows the start of getting under way several works that were needed. We congratulate the Grand Master for the visionary outlook that he has initiated for the benefit of Masonry in the future. The Committee is pleased to approve these projects and we recommend the use of the new Memorial Services in all Lodges effective October 21, 1972.

The service rendered by the Grand Chaplain deserves the tribute paid to it by the Grand Master in the Address. Your Committee agrees with the Grand Master in his statement of the importance of Masonic Church Services. The image of the Craft can glow bright and clear on occasions of this kind.

Our sincere good wishes go to the sixteen lodges who have reached the 100 years of active Masonic existence. We feel sure that each and every member of these lodges will wear the gold with pride in what was passed down to them from Masons of other days. We note with pleasure that the Grand Master was able to attend the celebration of Centennials in several lodges this year and also several District Receptions. The enthusiasm of his reception at these events must have made a wonderful impression on him and he has warmly praised the planning that preceded these outstanding meetings.

Your Committee agrees with the Grand Master's comments on the value of the Grand Masters' and Grand Secretaries' Conferences held in Washington, D.C., in the month of February.

It is worthy of note that the Grand Master was able to represent our Grand Lodge at so many Masonic gatherings beyond

our own Grand Jurisdiction. We are delighted that he found time to attend the meetings of the three Canadian Grand Lodges and arranged that we be suitably represented at one other. He is able to-day to extend a welcome on our behalf to several who acted as his host during the year.

The Committee approves all donations to Charitable Organizations made under the Grand Master's authority during the year. We note the legacy from the Estate of the late V. Wor. Bro. S. Fred Hutchinson to the Benevolent Fund of Grand Lodge. Many will remember this very dedicated and sincere Mason. We recommend that Grand Lodge authorize a waiver of any claim adverse to the interests of an intended legatee as the Grand Master suggests.

The Committee concurs in the appointments of Grand Representatives near our Grand Lodge and those recommended for appointment near other Grand Lodges.

We would like to extend congratulations to the Masons of the Kitchener-Waterloo area and the Masons from Forest Lodge, Chesley, on having new temples dedicated in their respective areas.

Finally, we congratulate the Grand Master on the completion of a very successful and fruitful year in office. We recommend approval of all decisions, rulings, directives, appointments and recommendations contained in the Grand Master's Address. We look forward to a continuance of progress under your guidance in the year that lies ahead.

With the highest fraternal regard and sincere affection for the Grand Master, this report is respectfully submitted to Grand Lodge.

HARRY L. MARTYN,
Chairman.

REPORT OF THE COMMITTEE ON CONSTITUTION AND LAWS

This report was presented by M.W. Bro. H. L. Martyn, Chairman, and on motion of the Deputy Grand

Master, seconded by M.W. Bro. Martyn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Committee on Constitution and Laws begs to report as follows:

PART I

1. R.W. Bro. M. C. Hooper has given Notice of Motion to amend Sections 215 and 245 (m) of the Book of Constitution as follows:

- (a) By striking out the word "twenty" in line 4 of Section 215 and substituting the word "twenty-five" so that the Section shall read:

"Lodges may by by-law admit their members to life membership on such terms as they may determine. For each life member the lodge shall forthwith pay into Grand Lodge the sum of twenty-five dollars, which payment shall exempt the lodge from payment of further dues to Grand Lodge on his behalf."

- (b) By enacting the following addition to Section 215:

"Fees to commute Grand Lodge dues shall be capitalized and allocated to a separate fund to be invested and the income therefrom together with not more than five percent of the aggregate capital of the fund at the commencement of the fiscal year may be transferred to the General Fund in any year of Grand Lodge."

- (c) By striking out the words "one dollar and twenty" in line 3 of Section 245(m) and substituting the words "one dollar and fifty" and by deleting the second sentence in the same subsection so that the subsection shall now read:

"(m) For every member of each lodge whose fees have not been commuted to Grand Lodge, including honorary and charter members, one dollar and fifty cents per annum."

There is no constitutional objection to the Notice of Motion by Right Worshipful Brother Hooper.

2. M.W. Bro. B. B. Foster has given Notice of Motion to amend Sections 21 and 18 of the Book of Constitution as follows:

- (a) By deleting the word "write" in the first line and substituting the words "mark an X", and after the word "papers" in the second line insert "in the space provided therefor, opposite" so that this portion of Section 21 will now read:

"Each brother voting, shall mark an "X" upon one of the ballot papers, in the space provided therefor, opposite the name or names of the brother or brothers for whom he desires to vote."

- (b) Further, that the wording of Section 18 (iii) be deleted and the following substituted therefor:

"Properly defined spaces into which may be marked an "X" opposite the name or names of the brother or brothers to be voted for."

Subject to certain clarifications by the mover, that don't alter the intent of the motion, there is no constitutional objection to the Notice of Motion by Most Worshipful Brother Foster.

3. M.W. Bro. W. L. Wright has given Notice of Motion to amend Sections 13, 86 and 103 of the Book of Constitution as follows:

- (a) That Section 13 be amended by deleting therefrom in line 4 "the Grand Secretary".

- (b) That Section 86 be amended by adding after the word "Chaplain" in line 1 the words "the Grand Secretary".

- (c) That Section 103 be amended by adding thereto as Section 103 (a) the following:

"The Grand Secretary shall be appointed by the Board of General Purposes subject to the confirmation of Grand Lodge. The office shall become vacant at the Annual Communication of the year in which the incumbent reaches his seventieth birthday."

There is no constitutional objection to the Notice of Motion by Most Worshipful Brother Wright.

4. M.W. Bro. J. N. Allan has given Notice of Motion to amend Section 124 of the Book of Constitution as follows:

By deleting in the second line "at the hour of ten o'clock" and by inserting after the word "July" in the

third line "at a time to be established by the Grand Master", so that Section 124 shall now read:

"The Annual meeting of Grand Lodge shall be held in the forenoon of the third Wednesday in July, at a time to be established by the Grand Master, and the place decided upon by the Board of General Purposes. The hours set for the time of the meeting of Grand Lodge, and for registrations and elections (Sections 10, 20 and 23) shall be according to the time in effect in the place where Grand Lodge is being held."

There is no constitutional objection to the Notice of Motion by Most Worshipful Brother Allan.

5. V.W. Bro. B. Lishman has given Notice of Motion to amend Section 45 of the Book of Constitution, to read as follows:

"The Constitution of Grand Lodge and the Rulings of Grand Masters may be amended or altered at any annual meeting thereof by a two-thirds vote of the members present, provided that notice in writing, stating distinctly the proposed amendment or alteration, shall have been given at the preceding annual meeting, or shall have been sent to the Grand Secretary before the first day of May preceding the meeting at which the notice is to be considered, and published in the notice paper. Any amendment to the Constitution or to the Rulings of Grand Masters which has been rejected by Grand Lodge, shall not be considered at any time within five years after such rejection, except leave be given by Grand Lodge by a two-thirds vote, such vote to be taken without debate."

Your Committee notes that the only amendment or alteration to the present wording of section 45 is the addition of the words "and the Rulings of Grand Masters" after the words "Grand Lodge" in line one thereof. This addition makes the proposed amendment irregular and unconstitutional, and consequently your Committee on Constitution and Laws reports that it would not be in order for this proposed amendment to be presented to and considered by Grand Lodge.

PART II

1. Your Committee considered a request from Concord Lodge, No. 722, to be moved from the Wellington District to the Waterloo District. This lodge was chartered in 1970 and placed in the Wellington District at that time. The lodge is situated in Waterloo County and is the only lodge in the county that is not in the Waterloo District. The request is supported by properly documented consents

from all the lodges in the Wellington District to the granting of the request.

Your Committee recommends that effective this date that Concord Lodge, No. 722, be moved from the Wellington District to the Waterloo District.

2. Some unpleasant incidents have occurred in the past re the processing of applications in the area known as St. Joseph Island. This location is near Sault Ste. Marie and Thessalon and this involved the lodges at Sault Ste. Marie and Dymont Lodge at Thessalon. R.W. Bro. J. W. McGill, the D.D.G.M. for the Nipissing West District, investigated the situation with a view to resolving the problem and suggesting a solution to cover the same. Your Committee has considered his report and we now recommend to Grand Lodge that concurrent Jurisdiction be established for the geographic area known as St. Joseph Island between Algoma Lodge, No. 469; Keystone Lodge, No. 412; Hatherly Lodge, No. 625; and Dymont Lodge, No. 442. The four lodges involved in this concurrent jurisdiction have all consented to this arrangement.
3. A request to divide the Nipissing West District was received and considered by your Committee. This district at present has 17 lodges and covers an area from Wawa on Lake Superior some miles north from Sault Ste. Marie and also the area from Sault Ste. Marie and then east as far as Sudbury. When the lodges of the district expressed an opinion on this division, thirteen reported that they favoured a division and three expressed opposition to any division. One lodge included with their approval a request to be consulted as to how the division should be, when the time comes.

Your Committee feel that an effort should be made to explore further the attitude of the dissenting lodges and we recommend that a definite decision on this request be postponed till the next Annual Communication of Grand Lodge.

Respectfully and fraternally submitted,

HARRY L. MARTYN,
Chairman.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This Report was presented by V.W. Bro. H. A. Leal, and on motion of the Deputy Grand Master, seconded by V.W. Bro. Leal, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Enthusiasm is an infectious human trait! When one adds to this the further components of ability and dedication one comes close to achieving the magic formula by which success in any venture is usually assured. In my respectful opinion, these qualities characterized the leadership of Masonry in this Grand Jurisdiction in the current year with the predictable result that we have enjoyed a good year. Admittedly, our success has not been unqualified. There are areas of genuine concern which have been documented in the most helpful Reports that have been presented to the Most Worshipful the Grand Master from the District Deputies; all of which we have been privileged to read. These reports submitted by those in a position to be best informed of the condition of Masonry in the constituent lodges in each district were informative and reassuring. They have been no less helpful because, on occasion, they have deigned to be specific on local problems. I know that you would all want to join with me in expressing our appreciation to the District Deputies for their selfless and substantial contribution to the conduct of our affairs. Likewise to the District Secretaries, the District Chaplains and the Chairmen of the District Committees on Masonic Education, Benevolence and Blood Donors we tender our grateful thanks.

In recent years some legitimate concern has been expressed about our declining total membership. We have, in fact, experienced a net loss in total membership in each year from and including the year 1962. However, the net annual loss has decreased and for the year 1971 the net loss was 1,726. For comparative purposes we would point out that the highest net annual loss was experienced in the year 1934 when the net loss figure reached 5,769. For the year 1971 the total membership had declined to 120,913, approximately the same as the membership for the year 1950, as compared with the highest recorded total membership of 136,413 which was attained in 1960.

With the able and generous assistance of Most Worshipful Brother J. A. Irvine, the Grand Secretary, we have done a decennial statistical analysis for each decade since 1890. When viewed in this broader historical perspective the current position does not cease to be of concern but it is no longer intimidating. The following chart may be of interest.

Membership of Grand Lodge

10 Year Period	Numerical Increase (Decrease)	Percentage Increase (Decrease)
1890-1900	5,423	26.5
1900-1910	20,218	78.0

1910-1920	34,780	75.4
1920-1930	35,061	43.3
1930-1940	(22,139)	(19.1)
1940-1950	22,944	24.4
1950-1960	19,480	16.6
1960-1970	(11,529)	(8.5)

It will be noted from these statistics that the two periods of declining membership cover the 1930's and the 1960's—the first the period of the great depression and the second the period of our greatest affluence. The sociologist or social psychologist will be better able to judge the respective causes. For us the results have been the same—declining membership! The analysis reveals another factor, however, which should be borne in mind when seeking to ascribe causes for the decline in the 1960's. The period of our greatest percentage annual increases came in the two decades before 1920. Given the minimal age for admission to Masonry and the intervening time lapse we must accept the unhappy prospect of a mounting mortality rate. Most lodges will be only too painfully aware of the reality of this situation.

Even the most casual perusal of the Reports of the District Deputies convinces one of the fact that Masonry in this Grand Jurisdiction is growing older. The evidence of this is found both on the institutional and the personal side. We witness an increasing number of our lodges celebrating the 100th anniversary of their founding and this year St. Andrew's No. 16 celebrated its 150th anniversary. There are others older still! One hundred years is an impressively long time, devoted to inculcating and improving the moral rectitude of humankind. May the fruits of their labours multiply as the years unfold.

We rejoice this year in the dedication of new lodge premises, congratulate those who have planned and implemented necessary restorations and renovations, and encourage those for whom new premises are required for the dignified and effective performance of our Masonic activities. The building of temples is something uniquely within our basic skills.

On the personal side one is forcefully reminded of the fact that the members of our fraternity inevitably reflect the increasing life span experienced by society generally. The number of Lapel Buttons awarded for 50 years of membership in the Craft is impressive and increasing. We are inspired by the very presence of these brethren amongst us. But longevity, too, is bought at a price. The ills and needs of our senior brethren ought to be a matter of our continuing study and concern. Their general welfare should not be left entirely to the physicians, the gerontologist and the receipt of tax paid benefits. Loneliness is perhaps the cruellest of maladies because by definition it must be endured alone. We have a real obligation to make their declining years as happy and comfortable as possible. The respect and affection which we owe our senior brethren go far beyond the limits of benevolence. Our

dilemma, of course, lies in seeking to be more helpful and considerate at a time when life in our large urban areas is increasingly becoming depersonalized and the tempo of our daily avocations more and more demanding. In my personal opinion this particular problem is one of the great challenges of our fraternity and may call for more formal and concerted attention than we are at present devoting to it. It is a social matter of growing importance for the whole community but of special significance for masons.

Reference has already been made to the decline in the total membership of the Craft and an effort was made to blunt the acuteness of the concern usually associated with any discussion of that problem. Not so easily dismissed is the question of falling attendance at lodge meetings. These two matters are not necessarily associated problems and declining attendance can be made to respond to immediate and improving change by positive and forceful leadership at the constituent lodge level. We are all aware of the oft repeated and now somewhat hackneyed excuse that the modern life style with its multiplicity of choice for diversion makes it increasingly difficult to command allegiance and attention to regular lodge meetings. The matter is basically and primarily one of sorting out our priorities.

There can be no dispute that our social order is changing. The fact of change is not new. The world has been changing continuously, both physically and socially, since the day of creation. The substantial force that is moulding our lives is not so much the fact of change but rather the rate of change. The world, as we experience it, is caught in the vortex of an ever accelerating change. The sobering thought remains, however, that the easier it becomes to have one's head turned from the basic principles that ought to govern the quality of human life, the more essential it is that we cling fast to those fundamental tenets which alone give meaningful direction to our lives and satisfy the human spirit. The pursuit of crass materialism has never proven to be an acceptable and enduring philosophical basis either for the life of nations or individuals. It is not asserted that the moral and ethical teachings of Masonry alone can provide the necessary guidelines for a meaningful life. Formal religion and the churches have traditionally played the major role. We are content to claim that our teachings supplement and assist them in their important function.

But for Freemasonry to make any impact on its membership in these matters which are vital to human existence there must be an informed and direct participation in its activities. Therein lies the challenge for the Masters and officers of the constituent lodges. Lodge meetings must be relevant and interesting for the general membership. In the ranks of the Grand Lodge officers one finds a most helpful source of committed Masons who deem it a privilege to respond to invitations to visit throughout the Grand Jurisdiction for the purpose of lending their assistance in the planning and presentation of programmes of the individual lodges. The Reports of their District Deputies this year attest to

the fact that an increasing number of lodges are availing themselves of this assistance. On behalf of the Grand Lodge officers may I say simply that they are most happy to be of service in this way.

It would be an impertinence to transgress on the subject of reports of other standing committees but in a general way one is much encouraged to find evidence of much good work, both planned and in progress, with respect to Masonic Education programmes, rewriting of instructional manuals, re-editing of the Book of Constitution, restructuring the Board of General Purposes to provide more frequent and more direct advisory services. We are grateful for the unexcelled leadership of the Most Worshipful the Grand Master in these important fields.

Highlights of the year included a most informative address on the history of Masonry by W. Bro. Harry Carr of Quatuor Coronati Lodge of the United Grand Lodge of England. We were also privileged during the year to have visits from the Most Worshipful the Grand Master of the Grand Lodge of Alberta and the Grand Lodge of Quebec.

All of which is respectfully and fraternally submitted on behalf of this Committee.

H. ALLAN LEAL,
Chairman.

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

This Report was presented by R.W. Bro. P. S. MacKenzie, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. MacKenzie, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Grievances and Appeals presents its report in the following parts.

1. CEDAR LODGE, No. 270 vs. BRO. JAMES STANLEY BRYNING.

The proceedings of Grand Lodge for the year 1969 (p 210) and for the year 1970 (p 208) cover the indefinite suspension of Bro. Bryning and record that a charge of unmasonic conduct was

laid in Cedar Lodge, No. 270, against Bro. James Stanley Bryning.

The charge of unmasonic conduct was accepted by the Lodge, and after due notice, the trial took place on September 30, 1968. The accused did not appear at the trial but admitted in writing the facts alleged against him. After investigation of these facts by a Committee of the Lodge, and a full discussion at the trial, the Lodge found Bro. Bryning guilty as charged and voted his indefinite suspension but declined to recommend expulsion. Your Committee after reviewing all the proceedings, approved the finding of guilt and the sentence of indefinite suspension imposed by the Lodge.

On the recommendation of your Committee, Grand Lodge directed that Bro. Bryning be notified to attend the 1970 Communication of Grand Lodge to show cause why he should not be expelled and in the meantime his suspension was continued.

Bro. Bryning appeared as directed, accompanied by a Past Master of Cedar Lodge and convinced your Committee that he should not be expelled. Grand Lodge accepted the recommendation of your Committee that the indefinite suspension of Bro. Bryning be continued until such time as he and his Lodge apply to Grand Lodge for his restoration.

On September 23, 1970, Bro. Bryning petitioned Cedar Lodge to be restored to membership. On October 27, 1970, at a regular meeting of the Lodge, the Rt. Wor. Bro. who had originally laid the charge, gave notice that he would move that the petition of Bro. Bryning be accepted and balloted on. At the Regular Meeting held on November 24, 1970, with seventy members present and voting by ballot, the petition of Bro. Bryning was unanimously approved, exceeding the two-thirds vote required by Rule 56.

Under date December 1, 1970, the Secretary of Cedar Lodge wrote a letter to the Grand Secretary informing him of the action of the Lodge and requesting that Grand Lodge consider the matter and approve the restoration of Bro. Bryning. For some inexplicable reason, this letter does not appear to have reached the attention of the Grand Secretary or the Chairman of your Committee. Therefore no action was taken by your Committee at the Annual Communication of Grand Lodge in 1971. In September of 1971, the unfortunate oversight was brought to the attention of the Grand Secretary and the Chairman of your Committee, by the Secretary of Cedar Lodge, No. 270, and he and Bro. Bryning were immediately informed that the request of Cedar Lodge would be considered at this Annual Communication.

Your Committee, having reviewed the record and proceedings in this case from the beginning, and, being satisfied that this application for restoration complies with all the conditions

requisite for such restoration, now recommends that Bro. James Stanley Bryning be restored and resume the status of a non-affiliated Brother Mason.

2. NORTH BAY LODGE, No. 617, vs. BRO. RONALD MAJOR NOTTINGHAM.

The facts of the case are outlined in the report of this Committee adopted by Grand Lodge at the Annual Communication in July, 1971, (Grand Lodge Proceedings, 1971, p. 136). The accused was charged in his Lodge with unmasonic conduct under Rules 1(g) and 1(p), and found guilty after trial. The Lodge sentenced him to indefinite suspension and recommended expulsion. Your Committee, after reviewing all the proceedings, approved the action of the Lodge and recommended to Grand Lodge that Bro. Nottingham be notified by registered mail to attend at this Annual Communication to show cause why he should not be expelled. Brother Nottingham having changed his residence to the State of Indiana, your Committee also recommended that the Grand Lodge of Indiana be notified of the Masonic disqualification of Bro. Nottingham. Grand Lodge accepted these recommendations.

The Grand Lodge of Indiana has been notified. Under date of September 22, 1971, a notification of the direction of Grand Lodge was sent to Bro. Nottingham by registered mail to his last known address in Idaville, Indiana. This notice was returned to the Grand Secretary with the notation — "Moved — left no forwarding address". All attempts to locate the present whereabouts of Bro. Nottingham have failed. Since Grand Lodge directed on the recommendation of your Committee (see 1971 proceedings p. 137) that Bro. Nottingham be notified of the action of North Bay Lodge and this Grand Lodge **by registered mail**, and all attempts to contact him proved ineffectual to the point where it might be concluded he is wilfully concealing his residence to evade service, your Committee recommends that Bro. Ronald Major Nottingham be expelled and that the Grand Lodge of Indiana be so notified.

3. ALPHA LODGE, No. 384, vs. BRO. ALLAN A. KIROUAC.

Bro. Allan A. Kirouac was initiated into Alpha Lodge, No. 384, on December 4, 1969. He did not receive any further degrees. A charge of unmasonic conduct was laid in Alpha Lodge under Rule 1(p) against Bro. Kirouac on February 3, 1972, alleging that the accused had been guilty of "public crimes and misdemeanours involving moral turpitude," in that he did steal cash in the amount of \$70,000.00 more or less from his employer in the years 1969 and 1970 at the municipality of Metro Toronto in the County of York. The accused had pleaded guilty to this charge in

Provincial Court and was sentenced on June 18, 1970 to a term of imprisonment of four years and six months.

The charge was accepted by the Lodge and notice thereof sent to the accused by registered mail at his last known address. This letter was returned and marked "moved, address unknown". Bro. Kirouac did not reside within the jurisdiction of Alpha Lodge and personal service was not attempted. It would appear that the Lodge complied with Rule 5 as to service of the notice. However, on the registered notice being returned, further enquiries were made and a new address obtained. Notice was sent to this address by ordinary mail and was not returned.

The trial proceeded on March 16, 1972. The accused did not appear but a well skilled Past Master was appointed to represent him. The evidence before the Lodge at trial consisted of a Certificate of Conviction from the Provincial Court (Criminal Division.) The Lodge found the accused Bro. Kirouac guilty on the charge, and voted for indefinite suspension with the recommendation for expulsion by Grand Lodge.

Your Committee has carefully considered the proceedings of Alpha Lodge, and have noted the unsatisfactory service of the relevant documents on Bro. Kirouac. We have further considered the admonition of the previous Chairman of this Committee where he remarks in the Annual Proceedings for 1969 at p. 211:—"It is desirable that there should be no doubt as to the identity of a brother suspended on the basis of documentary material and he is entitled to be personally served with particulars of charges laid against him in his Lodge."

However, your Committee has been informed of the lengthy and exhaustive efforts of the members of the Lodge to obtain particulars of Bro. Kirouac's offence and its disposition. When they succeeded in getting the required information, it was only to learn that Bro. Kirouac had been paroled. At no time did Bro. Kirouac contact any members of his Lodge and it was through the efforts of one of his sponsors that the new address referred to above was obtained. Subsequent investigation revealed he had again moved from that address. In view of all the circumstances, your Committee is satisfied that the facts are as alleged and approves the finding of guilt by the Lodge and the sentence imposed. Your Committee further recommends that Bro. Allan A. Kirouac be notified to attend the next Annual Communication of this Grand Lodge to show cause why he should not be expelled. This notice should be sent to the last address available to the Secretary of Alpha Lodge. In the meantime, the sentence of indefinite suspension will continue.

Respectfully and fraternally submitted,

P. STUART MacKENZIE,
Chairman.

REPORT OF THE COMMITTEE ON BENEVOLENCE

R.W. Bro. E. W. Nancekivell presented this report and on motion of the Deputy Grand Master, seconded by R.W. Bro. Nancekivell, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my happy privilege to present the report of the Committee on Benevolence for the year 1971-72. In spite of increased Governmental assistance and improved Company Pension Plans, the need to soothe the afflictions and relieve the necessities of our brethren and their families continues and seems to have remained at approximately the same level for the past few years. Benevolence is the "Relief" of the three Great Fundamental Masonic Principles of Brotherly Love, Relief and Truth and the exercising of it is one of our sacred duties as well as one of our greatest privileges.

The numbers and amounts of Grants for the past Masonic year were as follows:

Grants paid (173)	\$ 60,040.00
Interim Grants (16)	\$ 3,881.30
Total	\$ 63,921.30
Less Cancellations and Refunds	\$ 2,382.34
Net Total	\$ 61,538.96

There were also Emergency Grants of \$251.00.

The Committee on Benevolence met at the Grand Lodge Administration Building in Hamilton on June 2nd and 3rd with almost a full attendance of members including the Grand Master, Most Wor. Bro. W. K. Bailey and the Deputy Grand Master, Rt. Wor. Bro. George Turner. 171 applications were considered, of which 12 were new cases. We are happy to report Benevolence received by the Committee in the form of apples from Rt. Wor. Bro. W. Secord and a very adequate evening lunch provided by the Hamilton Past Masters' Association. After due consideration it is recommended that the sum of \$65,000.00 be made available for Benevolence in the coming Masonic year.

A new procedure was established this year in having the individual Lodge Secretaries submit their applications to the District Chairmen of Benevolence by the 1st of May, who, in turn, peruse the applications to assure that they have sufficient information on them to make them possible to assess by the Grand Lodge

Committee and then forward them to our Supervisor of Benevolence, V. Wor. Bro. Guy by the 1st of June. I would commend the work that our District Chairmen are doing and again suggest to the incoming District Deputy Grand Masters that a continuance in office of the District Chairmen is most desirable and in the best interests of the Districts in matters of Benevolence.

As an example of Benevolence, may I tell you of one case with unusual circumstances. The Chairman of Benevolence of a Toronto Lodge called the Supervisor and informed him of one of their members who had been attending McMaster University and who was seriously ill in a hospital in Hamilton. The lodge Chairman and Senior Warden came to visit this brother and found that his wife was exhausted from staying with her husband in hospital during the night and looking after her two young children during the day. Our ill brother suffered from hallucinations, drug induced in all probability, and earnestly desired someone to stay with him at nights. Grand Lodge Benevolence then engaged a special nurse for this duty and duly paid for her services. Also a call went out to the Hamilton Masonic Board of Relief and forty-five brethren volunteered to sit with the patient from eight to eleven p.m. in turn until it was no longer necessary to do so. Needless to say, our ill brother and his wife were most appreciative of the Masonic interest, care and attention which he received. He has recently been discharged from hospital and is continuing treatment as an out-patient.

The problem of Educational Grants to students beginning University has been brought forward by several applications. This has been thoroughly discussed with the Grand Master, the Grand Secretary, the Board of General Purposes and The Masonic Foundation and it was concluded that Grants would not be made solely for the purpose of University Education—the field is too vast, there are Government Bursaries and Scholarships available and the Masonic Foundation is ready and willing to aid those in the latter years of University who have run into financial difficulties. It was felt however, that if a family qualified for Grand Lodge Benevolence on other grounds and a member of that family was endeavouring to get started at University, the amount of Benevolence allotted would take into consideration this added factor.

The Government has increased the Old Age Security Supplement to a total of \$150.00 per month and has also instituted free hospital and medical care for the "over sixty-fives". However the housing tax rebate has been dropped and the cost of living continues to climb, so we have considered it appropriate to continue the present level of Benevolent Grants to our older brethren or their families.

The following Bequests and Donations are gratefully acknowledged:

Estate of Stephen Frederick Hutchinson	\$ 25,000.00
Estate of Elmer J. Sirrs	\$ 317.00
Estate of Marjorie L. McCaul	\$ 2,820.84
Estate of Harold G. Caldwell	\$ 30.00

The Committee recommends continuing membership in the Masonic Relief Association of the United States and Canada.

May I commend our Supervisor of Benevolence V. Wor. Bro. James Guy for his continuing and conscientious efforts on behalf of the Committee and Grand Lodge. Last October and November he journeyed to various meeting places and personally contacted all the District Chairmen of Benevolence in groups for briefing with the exception of the far Northern and Western Districts whose chairmen received the same information by mail. This was felt to be a very worthwhile endeavour and has borne fruit in the form of better, more complete applications from the districts and a wider, greater dissemination of the knowledge of the Benevolent activities of Masonry.

May I also express sincere appreciation of the diligence and sympathetic cooperation of each individual member of the Committee on Benevolence and trust that the lives of many Masons and their families have been brightened, some of their troubles alleviated, and some of their paths smoothed and straightened by the Benevolent considerations of Grand Lodge.

Respectfully and fraternally submitted,

ERIC W. NANCEKIVELL,
Chairman.

REPORT OF THE COMMITTEE ON PRINTING AND SUPPLIES

This Report was presented by R.W. Bro. J. B. Sainsbury, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Sainsbury, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Printing and Supplies, consisting of Rt. Wor. Bros. J. N. E. Rexe, A. J. Clare, J. P. Antoniak, G. L. Miller, A. C. Moore, H. H. G. Strang, A. E. Humphries, A. M.

Summers and the Chairman, begs leave to submit the report on expenditures coming under the jurisdiction of the Committee for the year ended April 30th, 1972, as follows:

Constitutions for resale	\$ 2,776.00
Proceedings and postage (1,300)	5,325.64
Grand Lodge Bulletins (2 issues and postage)	3,691.15
Printed forms, circulars, records, office stationery and supplies	4,094.45
Installation ceremonies for resale	353.85
Booklets for resale	940.00
Syllabus for Masonic Education	103.49
Special booklets published by the Masonic Education Committee and postage	176.74
Fraternal Reviews (3,200)	1,631.70
Preliminary Reports (3,500)	2,520.17
	<hr/>
	\$ 21,613.19

Your Committee finds it gratifying to note that expenditures under review have declined \$5,000 from the total of last year. Major reductions are \$1,000 in the cost of the Annual Proceedings, \$1,200 in Constitutions ordered for resale and \$3,200 in Grand Lodge Bulletins. Only two issues of the latter were distributed during the year instead of the usual three. Smaller amounts spent on booklets and other materials ordered for resale to the constituent Lodges have largely offset an increase of \$1,200 in stationery, printed forms and supplies for use in the Grand Lodge offices. Other expenditures of an annual nature show moderate fluctuation.

It is evident to your Committee that necessary orders have been placed with due regard to cost. This practice must be continued in view of the steady increase in prices for printing and stationery. During the current year new supplies will be required and the same strict caution should be exercised to keep expenditures near their present levels. Your Committee is satisfied that this work is in good hands.

The ready assistance available from the Grand Secretary and his staff is much appreciated by all concerned.

Respectfully and fraternally submitted,

JOHN B. SAINSBURY,
Chairman.

REPORT OF THE LIBRARY COMMITTEE

This Report was presented by M.W. Bro. J. N. Allan, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Allan, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Before presenting the 40th Annual Report of your Library Committee for the year just past, I should like to record the feeling of sorrow and regret experienced by the members of the Committee, indeed by all Masons in this jurisdiction, in the sudden passing of Rt. Wor. Bro. Duncan Copus on December 26th last.

Bro. Copus served as Chairman of the Library Committee from July 1967 to the time of his death and provided leadership and guidance of the highest possible order.

He was satisfied only with the ultimate in service; he gave his best in an effort to enable our Library to become a vital force in providing information for members throughout our entire jurisdiction. His wise guidance and inspiration in providing Masonic knowledge for the Brethren have been stars in the firmament of Freemasonry generally and the work of the Library in particular.

It has not been my good fortune to have been a member of the Library Committee. I should however like to report the results of my observations concerning the fine work of this Committee and their staff.

One realizes at once that a spirit of enthusiasm, co-operation and a sincere desire to render a really worth-while service to the members of our fraternity permeates the activities of everyone connected with the operations of the Library.

The members of the Committee are R.W. Bros. G. Ivor Davies, G. K. Johnson, M. J. Damp and the District Deputies of the seven Toronto Districts. I wish also to record the names of those dedicated brethren who continue to provide such excellent service for visitors to the Library by keeping it open at noontime, namely, R.W. Bro. Mel. Fleming, V.W. Bro. Charles Gulston, W. Bro. John Petherick and Bros. John Curzon, Prof. I. W. Dwight, and Robert Thomas. V.W. Bro. C. Gulston has continued to schedule the attendance of these noonday assistants in his usual efficient manner.

The service provided by our Librarian and his willing helpers covers a very broad spectrum. It includes the loaning of Masonic Literature and of course the task of providing important information, obtained through careful and diligent research for the use of the Brethren. Such information may be imparted during visits of the various members to the Library by correspondence, occasionally even by telephone.

In mentioning the quality of the service provided by the staff of our Library I should like, on behalf of the Committee, to offer a word of commendation, and our appreciation of the excellent contribution of our Librarian, Bro. McKee, in making our Library the vital force in Masonry that it now is. His interest, his co-operative attitude and his willingness to spend long periods of time in research to provide answers to the many enquiries, is genuinely appreciated.

For the benefit of Lodges, wishing to establish a small library of their own, I would like to repeat a recommendation of Bro. Copus in his report to Grand Lodge last year—"A very simple and easy way to do so would be to apply for membership in the leading research Lodge in the world, the Quatuor Coronati Lodge No. 2076, London, England. Entrance fee \$2.50 — Annual dues \$5.00, for which you would receive their annual publication, a book of more than 350 pages, discussing the most varied of Masonic matters. M.W. Bro. Bailey has recommended this production as a foundation for any Lodge Library. So cheap in cost, so rich in information, and after a few years such an accumulation of modern thinking on our traditions. For assistance in subscribing, write to J. S. Basarke, 58 Sandbourne Crescent, Willowdale, Ontario, telephone 491-6442."

Visitors to our Library are impressed with the immaculate condition of the premises. Your Committee and the Librarians again thank R.W. Bro. Roy Baylis, President of the Masonic Temple Corporation and his entire staff for their assistance in so many ways. With special mention of Miss Abbott's patience and understanding in the role of telephone operator and receptionist.

Your Committee wish to again remind the Brethren who take out books by mail that these books may be returned to the Library without postage in envelopes supplied by the Librarian. Our Library continues to enjoy preferred postal rates, a privilege that is sincerely appreciated.

Your Committee are encouraged by the number of requests received from the Brethren for information. It may be that the furnishing of information posters made available for display at the local level has stimulated a desire among the Brethren to become better informed with respect to our fraternity.

Our Librarian reports a continuance of requests for the slides taken during the meeting of Grand Lodge in 1970. This was an innovation at that time, and has been of great interest to those who have seen them. Many of our members who have not attended Grand Lodge have particularly appreciated viewing this excellent photographic record of the action in connection with Grand Lodge.

Our Library is and can continue to be a vital and enriching facet of Masonic Education. Bro. McKee and his assistant Librar-

ians are eager to provide the best possible service for the Brethren. It is my hope we will recognize the value of being better informed Masons and strive to make the greatest possible use of these Library facilities.

All of which is respectfully and fraternally submitted on behalf of the Committee.

M.W. BRO. JAMES N. ALLAN.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. N. R. Richards, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Richards, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

In mid-August of 1971 each District Deputy Grand Master was asked to appoint a supervisor to organize and preside over a program of Masonic Education for his district. The ready response to the request was most encouraging, and thirty-three brethren were designated to fill the office for the first time while the remaining eight had had previous experience. The advantage of a supervisor serving for more than one year becomes increasingly apparent, and I encourage the newly elected District Deputy Grand Masters, who will assume office tomorrow, to seriously consider, where possible, reappointing Supervisors of Masonic Education and thus benefit from their previous experience.

Copies of the Syllabus were forwarded from the Grand Secretary's Office with a special message from the Grand Master encouraging its use as part of the Masonic Education program at the lodge level. Unfortunately, only a small fraction of our membership has an opportunity to attend the Annual Communication of Grand Lodge. The Syllabus is designed to furnish guidelines in program development that will ensure references not only to what takes place at our Annual Communication, but to other matters of general interest.

For example, the highlights of the year, our progress, our problems, and the challenges facing us, are referred to in the Grand Master's address. The fraternal reviews establish the world-wide distribution of Masonry. History can be interesting and is important, so the Syllabus contains a section referring to our

historical background. The Book of Constitution is truly our reference guideline and the Syllabus has a section dealing with this important part of our operation. It is a little disconcerting to note from the replies returned from the districts that less than a third of the lodges report that the Syllabus was used in their Masonic Education programs.

The following reply from a District Supervisor reflects a generally recurring reaction to the Syllabus:

"Very few of our lodges are making any use of it. I personally and strongly believe that it would and could be most useful, but somehow it just doesn't reach the brother with any enthusiasm and appreciation. One reason possibly is that it calls for someone or several to do research for the answers, and it's the old story 'I don't have time for that'. Possibly, it covers too wide a field or is not stimulating enough for the majority of members. I just don't know the answer."

Neither do I!

If the reaction to the Syllabus was not encouraging, there were other satisfying happenings that illustrated real capacity for imagination, initiative, and organization in developing programs. About half the districts appointed a Committee on Masonic Education; one-third of the supervisors arranged to meet with the Chairman of committees in the individual lodges; and half of the districts forwarded information in addition to that circulated from the Committee on Masonic Education. It is impossible to make reference to all the programs deserving of comment. I have selected a few that I hope you will find interesting.

In Eastern District a series of questions relating to the three degrees formed the basis for educational programs. The District Supervisor prepared the questions and researched the answers. This approach proved to be quite effective due in no small part to the opportunity provided for member participation.

From London East District the following is noted:

"Our District educational meeting was very well attended with almost 200 Masons present. Every lodge in the district participated in the program. Each lodge educational committee was responsible for the research, preparation and presentation of one of the assigned topics which included interesting titles such as 'What Can You Tell Your Masonic Friends?', 'What a Prospective Candidate Can and Should be Told', 'Ante-room Capers', etc."

The report indicates that it was a fine evening, well organized, well promoted, and well received.

Special reference is made to the two-day Quetico Conference of some fifty Masons representing the Masonic membership of

Algoma and Western Districts. This membership comprises approximately 4500 Masons from Hornepayne to the Manitoba boundary. The Conference was held at Quetico Centre, thirty miles east of Atikokan. The presence of the Most Worshipful the Grand Master and the Grand Secretary added depth of resource material and Grand Lodge support to the Conference. Participants travelled far to be present and underwrote the cost of the Conference. What was accomplished?

"The Quetico Conference made many of the brethren realize what many of us have been talking about for years, that many of our shortcomings are within our lodges."

Findings from the Conference will provide background material for further educational meetings. The Conference was a new venture and a satisfying and successful Masonic experience.

In Wellington District a theme "Working in Harmony" was chosen for the year. A program was developed to involve as many Masons as possible in the district. From the D.D.G.M.'s report:

"I believe it is true to say that never were so many brethren involved before both at the lodge and also the district level and the quality turned out to be on a high plane."

A record of the year's activities has been compiled, a copy being made available to each lodge and the Grand Lodge. A feature of the district meeting was the inclusion of the ladies as guests. The Grand Chaplain brought a most interesting message to the enjoyment of all present.

In North Huron a district education meeting was held for the first time. It took the form of an open forum when the brethren chatted about Masons, who we are, what we are, and what is our purpose.

The meetings in Hamilton Districts A and B were organized around brethren speaking to assigned topics. One would expect the Toronto Districts, because of the large number of members and depth of resource material, to produce innovative programs. A highlight, of course, was the presence of Bro. Harry Carr and the fine contribution he made to Masonic education. Bro. Carr's association with Quatuor Coronati Lodge is well recognized.

Toronto District 1 had a particularly interesting evening developed around historical topics, ceremonies and symbols, and administration. Toronto District 3 is having a brochure printed covering the Masonic Educational meetings in that district. Toronto District 4 continued to make use of the information obtained at the symposium held at Newcastle in 1971. This approach proved to be popular with the brethren as it provided an

opportunity for them to express their own views. Toronto District 5 found the question and answer approach to be highly acceptable. In District 6 the theme adopted was "What is Wrong with Freemasonry Today?" The general format for the evening was developed around a panel discussion.

The foregoing examples illustrate the wide diversity in kind of program developed in the different districts. In all the programs there appears to be a trend developing which places emphasis on member participation and a desire to apply the principles of Masonry to everyday living.

A limited amount of written material was distributed by the committee this year. Reference has already been made to the Syllabus and, in addition, a booklet "The Entered Apprentice" and a question card "The Committee of Enquiry" were forwarded to the District Deputy Grand Masters for distribution to the individual lodges. At the request of the Grand Master the publications committee was established under the aegis of the Committee on Masonic Education. This publication committee met several times and established two sub-committees. The first one, under the leadership of Bro. Wallace McLeod is preparing a reference book on Masonry which will include a number of topics contained in the present manual. The second committee, under the chairmanship of R. Wor. Bro. Colin MacKenzie, is preparing a manual of instruction for use in the lodge. Your Committee on Masonic Education is encouraged and gratified by the number of willing and talented brethren who are contributing to the work of the two sub-committees. A third area the publications committee will consider is the revision of the booklets "The Entered Apprentice", "The Fellowcraft", and "The Master Mason".

It would be inappropriate to close this report without making reference to Most Wor. Bro. H. L. Martyn and the profound contribution he continues to make as Custodian of the Work and through his work with Lodges of Instruction. His services are much in demand and one marvels at the extent to which he makes himself available in many parts of the Grand Jurisdiction. Illustrated lectures such as those offered by R. Wor. Bro. Peter de Karwin, the work of choirs such as the Speed Lodge Choir of Guelph, are additional and effective forms of Masonic education. Their impact is particularly significant since the communication and musical offerings are made through appearances at Masonic and non-Masonic functions. The Committee on Masonic Education gratefully recognizes the continuing support and encouragement of the Grand Master who through the scholarly messages delivered wherever he appears, highlights the program in Masonic Education.

In conclusion, the Committee on Masonic Education expresses its grateful appreciation to all those who assisted in any way in

stimulating a greater desire for and contributing to an increase in knowledge about Freemasonry. It has been a pleasure to work with you and for you.

All of which is respectfully and fraternally submitted on behalf of the Committee on Masonic Education.

N. R. RICHARDS,
Chairman.

REPORT OF THE MASONIC FOUNDATION OF ONTARIO

R.W. Bro. A. C. Ashforth presented the following Report. On motion of the Deputy Grand Master, seconded by R.W. Bro. Ashforth, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is with deep regret and a sense of loss that I refer to the sudden passing of one of our honoured Directors, R.W. Bro. Duncan S. Copus, who passed to the Grand Lodge above in December last. Bro. Copus had served as a Director since the Annual Communication in July 1970 and during the intervening period had shown keen interest and enthusiasm in the work of the Foundation and actively participated in publicizing its purpose. His wise counsel will be missed.

Steady progress has been made during the past year in making known the aims and objects of the Foundation. Wide circulation of the booklet "Yes, there is a Masonic Foundation of Ontario" was achieved by sending several copies to all Secretaries in this jurisdiction who placed the booklets in the hands of members in their respective lodges. In addition, we forwarded a supply to members who practise law, suggesting to them that they keep the Foundation in mind when discussing with some of their clients, matters relating to Wills and disposition of assets at the time of death. We are very appreciative of their help.

The Foundation's program of extending financial assistance to worthy university students in their final year who find themselves, through no fault of their own, in financial difficulties and unable to continue their university careers unless financial help continues. However, during the past year we relaxed in a few instances to help students who had not yet reached their final year, but who would have had to drop out of school had the

Foundation not come to their aid. It is a fact that universities, through pressures of the government are taking a harder look at balancing their budgets by increasing fees, as well as increasing room and board. Because of this development the demand for awards this Fall will exceed the amount of funds on hand. There is only one source of our income, that is from the generosity of our members and lodge contributions. In a moment I will make reference to this year's donations. Several lodges, 31 in number, sent in memorial gifts to the extent of \$1,467. while 36 private members sent \$692.20. This kind of remembrance is developing and we appreciate the thoughtfulness of the donors.

Personal donations from ten individuals amounted to \$2,205., an increase of \$1,115. over the preceding year. The Foundation is deeply grateful to these brethren. In addition, the following Lodges and Masonic organizations sent in special donations.

Oakville Lodge, No. 400, Oakville \$1,000.

In memory of Bro. George Hardy Morden, Beloved Chairman of their Sick Committee for over 40 years, who died on December 27, 1971.

Patricia Lodge, No. 587, Thornhill \$500.

To mark their 50th Anniversary.

St. Andrew's Lodge, No. 593, Hamilton \$250.

Offering taken at their 50th Anniversary, Church Service.

Zetland Lodge, No. 326, Toronto \$200.

Because of their deep interest in our work.

Patterson Lodge, No. 265, Thornhill \$100

In lieu of gift to the M.W. Bro. Bailey at a reception in his honour.

Windsor District Lodges \$100.

In lieu of gift to the M.W. Bro. Bailey at a reception in his honour.

Masters' and Wardens' Association, Niagara District A \$50.

In lieu of payment to Bro. Duncan S. Copus and Bro. Peter de Karwin as Speakers gifts.

Malone Lodge, No. 512, Sutton West \$50.

In lieu of payment to Patterson Lodge for furnishings received from them.

Toronto Districts Curling Bonspiel

\$20.

And a few days ago we were delighted to receive a gift of \$600. from the 1960 Senior Wardens of Toronto District 7.

These generous donations, covering many types of recognition are deeply appreciated by the Foundation. The amounts have been capitalized and interest earned on them will be used as a lasting benefit, year after year, to worthy students.

Referring now to the Balance Sheet, total assets at the fiscal year end April 30th last, amounted to \$182,563.83 an increase of \$5,421.02 over the preceding year. Included in the assets are bonds having a cost value of \$179,435.00, and a market value of \$157,575.00. The difference between cost and market value is \$21,860.00 and compares with a difference of \$17,037.50 one year ago. As bonds are normally held until maturity, no loss is contemplated.

Total income for the year amounted to \$16,073.79 of which \$10,389.59 was received from investments. Income was higher by \$3,643.23.

Turning to the expenditure side of the balance sheet, disbursements for the year amounted to \$10,652.77 an increase of \$315.45 over a year ago.

Forty-one Awards were granted this year, compared with thirty-four last year. Award payments totalled \$8,199.50, up from \$7,220.00 last year. Students from fifteen universities were recipients. In the past you have been assured that the Foundation does not, in any way, conflict with the work of the Benevolent Committee and during the past year granted six awards to their referrals to the extent of \$1,150.00.

A donation of \$1,000.00 was again made to the Ontario Division of the Multiple Sclerosis Society of Canada. The Foundation's contribution is directed to research in this dreaded disease, which attacks the central nervous system.

A grant of \$300.00 was also made to Fanshawe College Emergency Fund, London, Ontario. The college uses this money as a revolving loan fund to help students who are temporarily in financial difficulty.

Again this year the Foundation received excellent support from many District Deputy Grand Masters, all of whom responded promptly and with enthusiasm to any request the Foundation made to them to participate in the presentation of awards. Thank you very much for your kind and timely participation.

Time does not permit the reading of the many fine letters received from recipients of awards thanking the Foundation

for the financial help extended to them, but I would like to quote a few excerpts from them.

F.W. — McMaster University — Divinity College.

"I cannot tell you how much your kind gift was appreciated. I can assure you it was much needed and has given me and my family a great lift. Thank you for the fine work you do in the country."

O. A. — University of Toronto.

"As I cannot find proper words to express my obligation for your kind help I will simply state this: Without your assistance I would not have been in a position materially and morally to complete my studies this year."

John H. D. — McMaster University — Divinity College.

"It is the time of year when bursaries and scholarships are usually not available and yet when money is in shortest supply for the student. This then makes your generosity even more welcome."

R. S. — University of Western Ontario, London, Ontario.

"I am currently completing my fourth and final year in Honors French and Spanish and hope to take a twelve months' library science at Western. I hope to use this money to help pay my tuition fees."

J. M. — McMaster University — Divinity College.

"As I am in final stages of my academic work and have a family to support I can assure you that this gift came at an ideal time."

T. B. — Seneca College — Toronto.

"Words cannot express my gratitude. It appeared as though financial difficulties would prevent my being able to graduate. Now, that is no longer a problem. I sincerely thank you."

R. B. — University of Ottawa.

"My father-in-law has been a Mason for more than 25 years, therefore I am aware of their unending service to all aspects of community life. I feel privileged to receive the bursary and at this stage in my education it is of significant aid."

Miss H. C. — University of Toronto — Victoria College

I quote from a letter received from Dr. Ross H. Macdonald, Director of Student Aid.

"Miss C's need stems from the fact that following the removal of both kidneys she has had to have artificial kidney dialysis twice a week and periods of prolonged hospitalization. In spite of being such a sick student, she has managed to do well in her studies. This illness has placed a great financial strain on her family. An award of \$200.00 would be of great help indeed."

C.B.C. — McMaster University — Divinity College.

"I appreciate the concern which motivated the gift. To have concern shown by people I do not even know is very encouraging and heart warming. This means a great deal to me as I start out, knowing that not only do I rely on God, but that many others, like yourselves, are seeking ways to forward God's work."

In conclusion, the Board of Directors and myself are deeply indebted to V.W. Bro. Hugh Hastie, for his devoted and untiring efforts as our competent Secretary-Treasurer. Thanks are extended to R.W. Bro. James Talman for his painstaking and efficient investigation of applications for awards. Thanks also are extended to R.W. Bro. Cleeve Hooper, our Vice-President for his sound advice and wise counsel which are given with despatch and always in good grace. Members of the Board of Directors have given generously of their time and talents and I thank them for their keen interest in all matters relating to the Foundation.

Respectfully and fraternally submitted.

A. C. ASHFORTH,
President.

REPORT OF THE BLOOD DONORS' COMMITTEE

This Report was presented by R.W. Bro. E. J. Langley, Chairman, and on motion of the Deputy Grand Master, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Blood Donors' Committee of Grand Lodge respectfully submits the following report for the Masonic year 1971-1972.

In previous years this has been a one-man Committee, however following the last Communication of Grand Lodge, the Grand Master suggested that it be enlarged to provide greater coverage to the various sections of the jurisdiction, and to assist the District Chairmen. Accordingly the following were appointed to this Committee with myself as Chairman. R.W. Bros. Mel Damp,

Toronto; Colin MacKenzie, Toronto; Dr. Frank Shannon, Barrie; Bernard Hann, London; and Colin Lillico, Ottawa.

During the year the out-of-town members were kept informed as to the activities of the Committee and its relation to the District Chairmen, and several meetings were held with the Toronto Committee members.

While it has been a most rewarding year and the total number of donations have remained constant with previous years, it is the opinion of the Committee that much remains to be done in this field of "Service to Mankind" if we are to project an image worthy of Masonry.

From the reports received we do know that many brethren are donors but do not report it to their lodge. It has been reported by more than one District Chairman that some of the brethren feel that the giving of blood is a "personal matter" and will not report it to their lodge. We respect their feelings in this matter, but we do urge these brethren to reconsider their decision and make the information available to their lodge Chairman. Only in this way can we realize a true picture of our efforts in this important work.

It was somewhat disturbing to note that many lodges do not have a Blood Donor Chairman, and others, when requested, did not forward a report to the District Chairman so that he could finalize his report.

We respectfully suggest to the D.D.G.M.s that the present District Chairmen should be reappointed, providing they have been interested and have shown the desired results. In this way there can be a continuity in the programme, which should ultimately reflect a considerable increase in the number of donations.

Several of the District Chairmen have served for many years, R.W. Bro. Lockwood, Algoma; W. Bro. Shoenbottom, London East; Bro. Harley Johnson, Niagara "A"; R.W. Bro. Krauter, North Huron; W. Bro. Albert Thompson, Peterborough; R.W. Bro. Charles Heels, Victoria; W. Bro. Frank Taylor, Western; W. Bro. John Lock, Windsor. To these brethren we are greatly indebted.

We record with deepest sympathy the passing of W. Bro. William Fuller, who for many years was Chairman of the London Districts. His counsel and support were appreciated by me as well as my predecessors in this office.

The following is a list of the donations for the year 1972 together with the record for 1971.

W. Bro. Albert Thompson of Peterborough District reports that Bro. John Smith has given 95 donations and his wife 89 donations. Bro. Tom Bailey of Nipissing West has given 106 donations.

On behalf of Grand Lodge we extend to these donors our congratulations and sincere thanks.

During the year your Committee has received many comments and suggestions from D.D.G.M.s, District and Lodge Chairmen. These were most appreciated and we trust that in the immediate future many will be implemented into our programme.

For the co-operation and support that we have received, your Blood Donors' Committee of Grand Lodge is deeply grateful.

Respectfully and fraternally submitted,

ED. LANGLEY,
Chairman.

GRAND CHAPLAIN'S REPORT

The Grand Chaplain, R.W. Bro. T. R. Davies, presented his Report. On motion of the Deputy Grand Master, seconded by R.W. Bro. Davies, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

What pleasant changes a year has brought. Just twelve months ago I was a stranger in Grand Lodge. Grand Lodge was strange to me and I had difficulty in determining the functions of such groups as the "Board" or the "Foundation". Men told me

their names, but it was weeks before I could use most of the names with any certainty that I was right. It was impossible for me to distinguish the veteran member from the casual visitor. I accepted the appointment as your Grand Chaplain and I began to wonder what I had got myself into.

A whole year has passed and how differently everything is from that day when I was installed. Many have helped me to overcome the strangeness. My predecessor in office, R. Wor. Bro. The Rev. J. E. Gordon Houghton, shared his knowledge and experiences. The District Deputy Grand Masters introduced themselves, making their requests for my services and offering their support. The year has been too short to meet all invitations but, in those places I was able to visit, I have been heartily welcomed and royally treated. Grand Lodge is no longer confusing. The varied associations of the past months enable me now to feel at home in this annual communication.

I cannot name the many brethren who have made this year memorable for me, but there are a few to whom I want to give special mention and extend my sincere appreciation:

To our Grand Master, Most Worshipful Brother William Kirk Bailey for appointing me to the office and making it possible for me to accompany him on many of his visits.

To the District Deputy Grand Masters for their response to my request to have District Divine Services in their areas and for the care they gave in preparing for these events.

To the District Chaplains for their leadership and participation in these services of Divine Worship and for their support of the Chaplains elected in the Lodges of their Districts.

The year offered many opportunities to me to speak and preach at special events. I cannot report on these in any detail, except to note that there were services of Dedication for two new temples, services of Dedication for new regalia and Lodge furnishing, Divine Services for individual Lodges and Districts as well as the fine gatherings in St. Pauls, Toronto, and in the Grand Master's home Church, St. George's United. There was the special privilege for me to represent this Grand Lodge at the communication of the Grand Lodge of Saskatchewan. All of these events enabled me to renew old friendships and to enlarge my circle within Masonry.

If in the course of all my travelling to Masonic gatherings during the past year I have made some worthwhile contribution, I am grateful. I remind myself and all my brethren that the real dimensions of our fraternity are discovered in our hearts and minds. How high are our aspirations? How broad are our sympathies? How deep are our convictions? The answers we give to such questions determine the grandeur or otherwise of Masonry.

And now we commend you and yours to the Most High that He may strengthen you for continued good work and good fellowship in all the days ahead.

Respectfully and fraternally submitted,

THOMAS R. DAVIES,
Grand Chaplain.

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

Presented by R.W. Bro. A. C. Ashforth, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Ashforth, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This committee has now reviewed and considered in detail the Report of the Grand Treasurer, the Auditor's Report attached thereto, and the Report of the Grand Secretary as referred to it by this Annual Communication. These appear to fully and accurately record all pertinent details relative to:

- (a) the financial position of this Grand Lodge as of April 30, 1972 and the results of its financial operations on a cash basis for the twelve-month period ended on that date.
- (b) details of all Receipts and Disbursements in respect to the General Fund, the Memorial Fund and the Semi-Centennial Fund, together with particulars of all transactions and changes in the Capital Accounts of Grand Lodge, which have occurred during the said period.
- (c) the Investment Accounts of the above mentioned Funds, and the summary of all financial resources as of April 30, 1972.

The following observations respecting certain subject matters covered by these reports, and or, relative to its financial affairs, are presented for your consideration.

- (1) The Annual Report presented by the Grand Secretary includes a recapitulation and analysis of the membership as of December 31, 1971 revealing a net loss of 1,726

members in this jurisdiction since the end of 1970. It is noted that net losses in membership during the past ten years, when the first decline in membership started, total 15,178 which, when related to income at current rates amounts to approximately \$18,300. annually, a fairly substantial sum.

As an appendix to the Proceedings, the Grand Secretary has recorded the details of the returns of the 635 warranted Lodges.

- (2) The Audited Statements of Affairs of Grand Lodge as presented by the Grand Treasurer show that the net balance of all its resources amounts to \$1,718,290.81. Total investments included in that figure amount to \$1,685,569.24 valued at cost, but which have a market value of only \$1,520,819.
- (3) It is, and has been, the practice of Grand Lodge to have its securities come within the category of Trustee investments, with one exception. In 1959-60-61 Grand Lodge acquired by purchase \$350,000. Series "A" and \$42,000. Series "B" 5% debentures, of Masonic Holdings. Through redemptions made during the intervening period the amounts outstanding have been reduced to \$220,000. Series "A" and \$40,000. Series "B" for a total of \$260,000. During the past two years no redemptions have been made, as practically all income has been needed to provide for operational costs, including interest on debentures. Unless income of Masonic Holdings is increased from rentals to be received from Grand Lodge, or other tenants, there is little prospect of further redemptions being made in the near future. Certainly budget figures for Grand Lodge for the current year anticipates a surplus of only \$420. which does not permit any increase in next year's rental.

All securities, with few exceptions, are fully registered and at present are held in the custody of the Canadian Imperial Bank of Commerce, Hamilton, Ontario. The Bank's Certificate of Confirmation is attached to the Auditor's Report.

- (4) Total receipts under the General Fund covering dues, fees, etc., interest on investments, and refunds, amounted to \$209,672.09, whilst disbursements amounted to \$202,436.39 leaving a surplus for the year of \$7,235.70. A comparable figure for last year is \$17,480.78.

Strict control of all expenditures has been maintained and whilst a few items such as postage, office equipment, medals and buttons were slightly in excess of budget, other items including the cost of Grand Lodge Bulletin,

and Annual Communication expenses showed a reduction and enabled Grand Lodge to live within the overall budget established at the Annual Communication in 1971.

- (5) Grants for benevolent purposes, less grants refunded and cancelled amounted to \$61,789.96 which compares with \$62,754.52 a year ago. These grants were paid out of the combined incomes of the Memorial and Semi-Centennial Funds, as supplemented by transfers from the General Fund in the sum of \$30,000.

The Committee on Benevolence, estimates that benevolent grants this year will amount to \$65,000. and that the sum of \$35,000. will be required from the General Fund to support this work. The Committee on Audit and Finance recommends that in order to provide these funds, the Board of General Purposes authorize, in accordance with Section 199 of the Constitution — as amended, appropriations from the General Fund up to an amount of \$35,000. for this purpose. Such funds to be transferred to the combined Memorial and Semi-Centennial Funds as and when required, in order to supplement the interest and income therefrom, thus making adequate provision for all benevolent grants which Grand Lodge may extend during the period May 1, 1972 to April 30, 1973.

Your Committee recommends approval of the nine special donations totalling \$4,200. made during the past year under the authority of the Grand Master and as itemized in the financial statements.

The matter of insurance coverage relating to loss by fire, and, or other hazards, is constantly under supervision. In the opinion of competent insurance personnel and this Committee adequate cover is presently maintained.

This Committee is pleased to note the receipt of a further bequest from the Estate of Elmer J. Sirrs \$317. and bequests from the Estates of Marjorie L. McCaul \$2,820.84; and Harold J. Caldwell \$30.

The Grand Treasurer has referred to the manner in which amounts received from lodges covering Commutations will be dealt with. The proposed procedure is basically sound and was presented with the concurrence of this Committee.

A new item in the Budget relates to Staff Retirement Allowances. In the past, payment of special allowances to retired personnel, or their widows, has been charged against current operations, and during this fiscal year will amount to \$12,300. As no policy existed in the past, a formula has now been established whereby retiring allowances will be provided to employees on a defined basis, and funds will be set aside each year out of current expenses

to take care of future staff retirements including the Grand Secretary. This year the amount set aside will be approximately \$3,505., whilst the amount in future will increase modestly each year.

In its review of all matters covered in this report, your Committee has received the fullest co-operation and assistance from the Grand Secretary, the Grand Treasurer and their respective assistants, also from the Auditor, Bro. A. William Parish, F.C.A. of Hamilton, Ontario. This Committee now formally recommends to this Grand Lodge the adoption, without amendment, of the Reports of the above mentioned officers, also approval of the recommendations contained in this Committee's Report.

In accordance with Section 101 of the Constitution, your Committee submits for consideration and approval an estimate of Receipts and Disbursements in respect to the General Fund for the year ending April 30, 1973.

An increase in the projected annual per capita assessment has been used in budget calculation.

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This Report was presented by M.W. Bro. E. G. Dixon, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Dixon, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Since the last Annual Communication of Grand Lodge, the Advisory Committee has had some twenty requests for information on various projects, such as purchasing a parcel of land as a site for a new or a future new Temple, purchasing an existing building for remodelling for Lodge quarters, remodelling an existing Temple, building a new Temple, and so on.

Not only has the Committee been in communication with several Lodges which are and were proceeding with their own individual project, but it has also reviewed many sets of preliminary sketches, later revised sketches, and still later, final working drawings.

It is the hope of the Committee that its comments, its rough sketches to illustrate a point, and even its criticisms have been helpful, for that is the spirit in which they were given.

It is indeed a pleasure to state that two of these projects have been completed and dedicated.

Six delegations have asked for and had appointments with the Committee. In most of the cases it was a pleasure to discuss their problems and, we think, much was achieved. In one instance, however, where not only did they build on too large a scale, but they encountered unfortunate damage to the building and now find themselves in financial difficulty. One of the questions the delegation asked was, "Why did not Grand Lodge stop us and warn us?". Unfortunately this Temple was built just before the Advisory Committee on Lodge Buildings was instituted in July, 1957, by M.W. Bro. Harry L. Martyn.

The work of the Committee was not always a bed of roses, for it unfortunately had to make two unpleasant decisions.

First, in June, 1967, a certain Lodge wrote the Grand Secretary for information on building a new Temple, which was forwarded immediately. More than four and one half years elapsed before sketches were submitted for checking. These sketches were not approved, since certain information and revisions to the sketches were required. Although several suggestions were made, nothing was heard from the Lodge for almost fifteen months, during which time work proceeded on the construction of the building. As some of the requirements of Grand Lodge had been ignored, perhaps unwittingly, the Committee had no alternative but to give instructions that all building activity be suspended until changes are made to conform with Grand Lodge Regulations.

The second case concerns a Lodge which had received from the Grand Secretary complete information on the Regulations of Grand Lodge concerning the purchase of a site and the construction of a New Temple Building. Shortly afterwards, a plan of the lot which the Lodge was contemplating purchasing, was forwarded to the Committee, which asked for more information concerning the site. About eight months later, preliminary sketches were submitted. These were not approved. In the next four months, two more sets of sketches were received. Again approval of the sketches had to be refused. Despite these refusals of the Advisory Committee, the Building Committee proceeded with the construction of the building. About seven months later we received another set of sketches, just about four weeks prior to the date on which they hoped to have the Building dedicated. Your Committee was now faced with the most unpleasant and regrettable decision it has had to make, namely, not only to refuse to approve the drawings, but also to refuse to recommend to the Grand Master that he permit occupancy of the building pending the Ceremony of Dedication. Brethren, the design and construction of the main exit stairs of this building are not in conformity with the Regulations of Grand Lodge, nor with the National Building Code of Canada (1970) nor with Chapter 2 entitled "Common Requirements" of the 1971 Ontario Building Fire Safety Design Standard.

Your Committee, therefore, recommends that the following two Codes be included as part and parcel of the Grand Lodge Regulations regarding Lodge Buildings:

1. That Chapter 2, entitled "Common Requirements" of the 1971 Ontario Building Fire Safety Design Standard, and
2. The National Building Code of Canada (1970), and that,
3. In case of conflict, the highest standard shall govern.

Before I conclude, Brethren, I must acknowledge the invaluable assistance which M.W. Bro. E. G. Dixon has always so willingly rendered, especially not only on the proper approach to all matters of a legal nature, but also by carrying the full load last winter when the Chairman was indisposed.

In conclusion, we feel compelled to draw your attention as to why Grand Lodge has Regulations with respect to Lodge Buildings. As we think it is not only *à propos* but also succinctly expressed, we have purloined the following from the National Building Code of Canada (1970): "to safeguard life and limb, health, property and public welfare with respect to design, construction and alterations of buildings by the provision of appropriate Minimum Standards".

Respectfully and fraternally submitted,

E. C. HORWOOD,

Chairman of the Advisory Committee
on Lodge Buildings.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

FOREWORD

To the Most Worshipful the Grand Master, Officers and Members
of the Grand Lodge, A.F. & A.M. of Canada in the Province
Ontario:

Most Worshipful Sir and Brethren:

I am privileged to present the Report of the Committee on Fraternal Correspondence to the One Hundred and Seventeenth Annual Communication of the Grand Lodge of Canada in the Province of Ontario. R.W. Bro. J. J. Talman has prepared a short summary of the activities of each of the Grand Lodges with which we are in amity and whose Annual Proceedings we have received. I express our sincere appreciation to him for the splendid resumés that follow this foreword.

I have heard the expression somewhere: "Thus shall we show the world how dearly Masons love each other." This expression became a fact during an Especial Communication held at Stanstead which is situated on the border between Vermont and Quebec. At this meeting dispensations from the Lodges of Vermont and Quebec were read which permitted Masons from both sides of the common border to be members of the lodge in Stanstead. What an occasion to remember when two Grand Lodges declared that a jurisdictional border was not important when it interfered with the desires of Masons. Check further under Quebec and Vermont.

A study of the reviews enables us to increase our knowledge of other jurisdictions. If you will read the report of Pennsylvania you will find an excellent description of Masonry in the Latin-American countries.

Many Grand Lodges report assistance to students who are engaged in post secondary education. The methods and amounts vary, but the results are all worthy of commendation. Refer to Alberta, Saskatchewan, Louisiana, Tennessee, Quebec and West Virginia.

Several Grand Lodges permit outdoor meetings, others do not. These were held in rather interesting locations and were apparently well attended. See Arizona, Kentucky, Maryland and Georgia.

It would appear that on occasion unauthorized practices have crept into the ritual. For further study I would recommend that you read the report from Georgia and then compare it with sections of our own Grand Master's Address in the Proceedings of 1954.

Freemasonry has several different rituals in widely separated areas which teach the age-old truths of the Craft. You will be interested in the continuing efforts to make these rituals more effective for those of other tongues. See China, Japan and Mexico (York).

You should read the report from Ireland for it is an excellent review of the fine work being done there under rather unsettled conditions.

In some reports we are reminded of events which are of interest to students of history. One is described in the report of Illinois and another is referred to in the one from Pennsylvania.

If you are interested in new ideas for special evenings you should check over the report from New South Wales.

The Grand Lodge of British Columbia held its Centennial Annual Communication in 1971. It was a great celebration as reported under British Columbia.

The benefits accruing to lodges from intervisitation is inestimable. For years our Ontario brethren have participated in inter-lodge visitations with several lodges in sister jurisdictions in the U.S.A. It is amazing the distances these Masons have travelled. Read Connecticut and New Hampshire.

May I assure you that the above items are only a few of the outstanding facts and events reported in the Proceedings of our Sister Jurisdictions reviewed for us by R.W. Bro. J. J. Talman. I recommend that you read them all. It would be not only enjoyable but time well spent.

Respectfully and fraternally submitted,

BRUCE B. FOSTER,

on behalf of the Chairman,
M.W. Bro. D. J. Gunn.

Fraternal Correspondence and Reviews

ALABAMA — 1971

151st Annual Communication — November 16-17.

Grand Master, 1970-71 — M.W. Bro. M. P. Lynn
Grand Master, 1971-72 — M.W. Bro. P. E. Bradford

Lodges, 433.

Membership, 73,018.

Loss, 650.

The Grand Lodge met in Montgomery. The Governor, the Hon. Bro. George C. Wallace, welcomed all present. The Proceedings reported: "The Honorable Governor also spoke of some of the conditions which this State and Nation face at this time. Everyone seemed to enjoy all the remarks made by the Honorable Governor and rendered a real ovation at the conclusion of his remarks." The Governor was at one time the Grand Orator of the Grand Lodge.

The sudden death of the Grand Secretary, M.W. Bro. G. L. Evatt (G.M. 1960), a few hours after the end of the opening banquet, cast a shadow over the Communication. He was first elected Grand Secretary in 1961.

The Grand Master spoke of the future. Subsequent events, which within six months almost cost the life of a member of his Jurisdiction, somewhat belied his sanguine hopes.

"What about our future? In my opinion, our problems are directly related to those of our National, State and local governments. We have witnessed the deterioration of law and order in our land, aided by some of the decisions of the Supreme Court. Recently, however, there appears some hope. The great silent majority is beginning to be heard on controversial matters and a new respect for law and order is being felt in our land. I believe that our Fraternity should return to strict observance of our own law and order, with justice for all, and demand of every man who is privileged to wear our emblem, ever to walk and act as such. By so doing we can regain the respect we have lost and build an even greater future for our posterity."

ALBERTA — 1971

66th Annual Communication — June 9-10.

Grand Master, 1970-71 — M.W. Bro. E. J. Thompson

Grand Master, 1971-72 — M.W. Bro. J. S. Woods

Lodges, 178.

Membership, 17,758.

Loss, 361.

In 1920 Acadia Lodge, No. 82, sponsored Crocus Lodge, No. 115. On the Fiftieth Anniversary of the latter it amalgamated with its sponsor and the two lodges became Acadia-Crocus, No. 82.

The Grand Master attended most of the district meetings. He found that the District Deputies were giving good leadership through diligent activity. He attended many other meetings visiting over the entire Jurisdiction—"from Yellowknife and Peace River to Lethbridge, from Frank to Consort, from Elk Point to Jasper, and with many occasions in Medicine Hat, Lethbridge, Calgary, Red Deer and Edmonton."

He spoke with great enthusiasm regarding the Higher Education Bursary Fund

"Our Fraternity has always placed great emphasis on benevolence and on charity — interpreted in the broadest terms. With the development of welfare schemes, medicare and pensions the situation has changed. It may well be that Masonry must discover and develop new ways of meeting human need, and investing wisely in human life. It is not enough that we take the interest from capital funds established by generous Masons in the past, and distribute them. Many worthy cases have been helped in this way. But we, ourselves, must participate today, now in extending benevolence to others. The Higher Education Bursary Fund provides one opportunity for this. The need is very great. The bursaries are an investment in human life. The young people who are assisted in getting an education will be the builders of tomorrow. Masonry must not withdraw into the 'retreat of friendship and brotherly love', it must thrust out into the community and the world with benevolence, with charity, with unselfish creative activity. The rich values of our Fraternity must be carried outside the Lodge and built into the fabric of the world society. By personal gifts and by bequests to the Higher Education Bursary Fund we can express true benevolence and charity."

The report of the Committee concerned approved 44 bursaries for a total of \$21,600.00. Since the inception of the programme, the Committee has spent over \$200,000.00 in bursaries, helping 233 students.

ARIZONA — 1971

89th Annual Communication — May 17-18.

Grand Master, 1970-71 — M.W. Bro. J. D. Spikes

Grand Master, 1971-72 — M.W. Bro. H. G. Greer

Lodges, 65. Membership, 14,416. Gain, 146.

The Grand Lodge meets in different places. In 1971 they met in the United Methodist Church, Willcox, Arizona. The Credentials Committee reported that eligible votes totalled 254.

The list of dispensations showed that the Grand Master granted dispensations for seven outdoor meetings. One lodge held two.

During the year the Grand Master was approached to make a man a Mason at sight. After reading the Code he came to the conclusion that he did not have the prerogative.

ARKANSAS — 1971

130th Annual Communication — November 16-17.

Grand Master, 1970-71 — M.W. Bro. C. M. Collie

Grand Master, 1971-72 — M.W. Bro. P. C. Bush

Lodges, 373. Membership, 50,912. Loss, 443.

Four lodges presented well-reasoned resolutions which would have established State-wide concurrent jurisdiction for lodges. The proposals stated that eight or more grand jurisdictions in the United States already have removed territorial restrictions. The Committee on Masonic Law and Usage recommended against the resolutions, largely on the ground that "a local Lodge is the best judge of the material which petitions it." The resolutions were defeated.

The Report of the Grand Treasurer, among disbursements, recorded a donation of \$14,000.00 to the Arkansas Children's Hospital. The funds were used to install a new entrance to the Masonic wing of the hospital and for the establishment of a Masonic eye clinic. The 1971 Communication approved a further gift of \$15,000 to the Hospital. The ultimate goal for the clinic is to be open 24 hours every day of the year. Here is evidence of an imaginative broadening of Masonic benevolence.

BRITISH COLUMBIA — 1971

100th Annual Communication — June 17-19.

Grand Master, 1970-71 — M.W. Bro. N. Mussallem.

Grand Master, 1971-72 — M.W. Bro. H. P. Baikie.

Lodges, 169.

Membership, 25,563.

Loss, 246.

The Centennial Annual Communication was attended by 1,092 compared with 593 at the previous Communication.

Once again the Grand Lodge suffered severe losses in the Grand East, following the deaths of five Past Grand Masters in 1970. M.W. Bro. G. C. Derby (1935) was the first and so far the only recipient of the highest honour given by the Grand Lodge of British Columbia "The Order of Meritorious Service." M.W. Bro. J. H. N. Morgan (1950) as Grand Secretary was well-known beyond the boundaries of British Columbia. He was stricken at the funeral rites of M.W. Bro. Derby. M.W. Bro. M. A. R. Howard (1959) edited the Grand Lodge Bulletin and was known to all throughout the Jurisdiction.

The hundredth anniversary of the formation of the Grand Lodge was commemorated in a service of thanksgiving and rededication on June 17 at the University of Victoria.

The main speaker at the centenary grand banquet was R.W. Bro. E. H. Rivers of the Grand Lodge of Alberta. After tracing the early days of Freemasonry in the present British Columbia he gave some of his views on the Craft. Two paragraphs indicate the tenor of his thoughts.

"Many wonder at the appeal of Freemasonry to its members. One reason is doubtless that the teachings and ceremonies of the Craft are chiefly based on the doctrine of conscientious and satisfying labour. This was exemplified for us in the building of King Solomon's Temple and the heritage of noble toil that has been handed down to us by the operative Masons. This theme of toil and joy in workmanship appeals to one of man's basic needs and enduring satisfactions. Freemasons are exhorted by precept and example to be industrious.

"Freemasonry does not hold out the promise of an easy life—it makes it plain that much unremitting work must be done before the young Mason's life is perfect. Members are called Craftsmen because they are Workmen. Freemasonry offers no wages or rewards unless they are earned, it places working tools in the hands of its members—not playthings. Freemasons are taught that the hope of reward sweetens labour, that there is pleasure in work well done and that the excellence of workmanship should be the aim of every Craftsman. Brethren who follow such teachings are being led to the discovery and the enjoyment of the first of the Secrets of Living."

CHINA — 1969, 1970, 1971

16th, 17th, and 18th Annual Communications—October 25, 1969,
October 23-24, 1970, October 22-23, 1971.

Grand Master, 1968-69 — M.W. Bro. Wego W. K. Chiang

Grand Master, 1969-70 — M.W. Bro. J. E. Burkett, Sr.

Grand Master, 1970-71 — M.W. Bro. Ching-Chuan Tsao

Grand Master, 1971-72 — M.W. Bro. Shi-Sien Yuan

Lodges, 7.

Membership, 791.

Gain, 7.

At the Annual Communication of 1968 our Grand Lodge recognized the Grand Lodge of China, meeting in Taipei, Taiwan, China. We reviewed the Proceedings of the 14th Annual Communication, 1967, in our Reviews for 1969. Three more Proceedings, listed above, arrived on April 28, 1972. We can catch up in the hope that from now on we shall be able to deal with the reports annually.

The Annual Communication is a relatively small gathering. In 1971 five lodges were represented. Altogether, the Committee on Credentials reported, 52 were present.

The Grand Master remarked that the constituent lodges had enjoyed an increase. He added, "The gain would have been much greater if it had not been partly offset by the loss." He called on the subordinate lodges to exert greater efforts to retain the membership, "especially the non-resident members."

The Grand Master told a great deal about the Chinese rituals. The translation of the First Degree was completed and accepted in 1970. The translation of the rituals of the Second and Third Degrees was completed in 1971, thanks to the diligence of the Committee, under the chairmanship of M.W. Bro. George Chen. The Committee met once every other week on Saturday afternoons and spent three solid hours on the project. The task was not easy. As the Grand Master said: "Chinese and English are two entirely different languages without suitable equivalents in many cases." He was present at almost every meeting of the Committee and found the translation to be faithful. The new rituals were rehearsed several times and found "adoptable."

Of the total membership 25% are Chinese, many of whom live abroad. Many of the remaining 75% also live abroad. The new Chinese rituals should increase the Chinese membership, a matter of concern to the 1969-70 Grand Master.

The Grand Lodge has begun the publication of a Masonic Bulletin, "intended to keep all our brethren informed of the progress of our work and activities and to retain and enhance their interest in Masonry of this Jurisdiction."

The Grand Secretary began reporting statistics in the 1971 Proceedings.

COLORADO — 1971

110th Annual Communication — January 25-26.

Grand Master, 1970-71 — M.W. Bro. G. E. Swank

Grand Master, 1971-72 — M.W. Bro. D. C. Mabry

Lodges, 170. Membership, 43,149. Loss, 756.

The Canadian as well as the U.S. flag was presented. It was a gift of the Grand Lodge of Alberta, through R.W. Bro. E. H. Rivers, Grand Secretary.

The Custodians of the Work reported, among other matters:

“The use of music and sound effects in the degrees elicits a wide diversity of opinion. Recognizing that music, one of the liberal arts and sciences, has been used in Masonic work from time immemorial, your Custodians have begun a study of the matter. We expect to propose guidelines for determining what music is suitable and how it can properly be used. We are conducting a similar study of the use of sound effects.”

The Trustees of the Benevolent Fund Association was authorized by Grand Lodge to appropriate sums they think proper for scholarships. Many of the scholarships are for a four-year term. Seventy students were assisted during the year. The outlay was just over \$66,000.

CONNECTICUT — 1971

183rd Annual Communication — April 7-8.

Grand Master, 1970-71 — M.W. Bro. C. O. Carlson

Grand Master, 1971-72 — M.W. Bro. M. E. Tapley

Lodges, 136. Membership, 43,001. Loss, 681.

One of the dispensations granted permitted Corinthian Lodge, No. 103, to visit Corinthian Lodge, No. 62, of Montreal, Quebec, and exemplify the M.M. Degree on one of their own candidates.

The Grand Lodge amended the Rules and Regulations as they applied to the use of alcoholic beverages on lodge premises. The new regulation ran:

“The use of spirituous and/or malt liquors shall be permitted in the banquet halls or dining rooms during rentals or social

functions, other than communications of the lodge, and shall be under the jurisdiction and control of the lodge." The sale of alcoholic beverages upon the premises of any lodge is strictly forbidden.

The Committee on Monuments and Memorials to Past Grand Masters presented their sixth report. Their work could be summarized "Project completed." They located the burial place of all the 105 deceased Past Grand Masters, except that of one who was cremated. They reported on the condition of existing headstones located in Connecticut, Rhode Island, New York and Virginia. The Committee members, aided by volunteers, located, photographed and made sketch maps of the burial places. Even where headstones did not exist they took pictures of the general area and nearby stones for location purposes.

DISTRICT OF COLUMBIA — 1970

160th Annual Report
Annual Communication — December 16.

Grand Master, 1970 — M.W. Bro. H. K. Kingsbury
Grand Master, 1971 — M.W. Bro. R. F. Sutphin

Lodges, 48. Membership, 17,180. Loss, 636.

The Proceedings of the Grand Lodges of the world record the existence of many clubs, a prerequisite to membership being good standing in a Masonic lodge of a jurisdiction recognized by the Grand Lodge concerned.

Something new came up with the application of a group of Master Masons engaged in food, catering, restaurant, hotel, motel and allied industries requesting permission to form a new club to be known as the Potomac Gourmet Square Club. With minor changes in the by-laws, the Jurisprudence Committee recommended approval.

In concluding his Address the Grand Master affirmed his belief that one of the shortcomings of our organization is lack of communication. "Action on the part of all of us is important, for we must transmit, unimpaired from generation to generation, the pure principles of our Fraternity."

The Grand Master recommended the appointment of a special advisory committee of seven members to report in 1971 on all possibilities that could result in a solid plan for the betterment of the Jurisdiction. He suggested that consideration should be given to the Main Masonic Temple, the Masonic Temple Association, financial status of the Grand Lodge, possible lodge consolidation, the other temples in the Jurisdiction and status of affiliated bodies.

ENGLAND — 1971

Quarterly Communication — March 10, June 9, September 8,
December 8.

Annual Investiture — April 28.

Grand Master—H.R.H. The Duke of Kent, G.C.M.G., G.C.V.O.,
A.D.C.

Grand Secretary — R.W. Bro. James W. Stubbs, P.G.W.

The Proceedings of the United Grand Lodge of England are contained in sixty-eight pages. Many of these are inevitably taken up with lists of officers, gifts to the museum and library, deaths and other information presented in tabular form. The remaining pages, however, are replete with matters bearing on world Masonry. The most significant paragraphs for the year 1971 were certainly the remarks made by M.W. the Grand Master, H.R.H. The Duke of Kent, at the Annual Investiture.

"It may be of interest to note that in these last two years I have issued three Bi-Centenary Warrants and sixty-nine Centenary Warrants: these figures make interesting comparison with ninety-five Warrants for new Lodges over the same period. In the light of this I think we may fairly say that the Craft is flourishing. It is, however, sometimes suggested that the age of entry into the Craft is already too high, and is increasing and ought to be diminished; I am by no means sure that I agree. Conditions have changed greatly in the course of the last generation and where, thirty or forty years ago, a young man of 25 came into Masonry as a bachelor, it often happened that within a few years he married and had a family and dropped out of active membership, perhaps for ever: now, on the other hand, his successor comes in at thirty, already married and with his baby-sitting days behind him: he is much less likely to drop out, so that while the age of entry may be going up, it seems equally arguable that those who do come in tend to stay in as active members of their Lodges.

"Although my military service abroad last year meant it was impossible for me to attend the Quarterly Communication and to invest Grand Officers, it did enable me to see at first hand the operation of our Constitution overseas in a Commonwealth country. Now, although Cyprus is a fairly small island and has only six Lodges, the degree of Masonic fervour generated there is as high as any I have met. And this brief experience, in a country whose recent history has not been entirely calm and stable, helped me to appreciate as never before the extent of the Craft's influence. Not only are the members of the Cyprus Lodges drawn from all sections of the community, but Freemasonry itself has the power to transcend strife and discord, and to unite men of all sects in harmony."

The Grand Lodge Register shows that there are 7,499 lodges on the roll. During 1970, 17,882 Grand Lodge certificates were issued. During 1971 58 lodges received warrants. All work in England and Wales. The names of the lodges cover a variety of themes. Lodge of Further Progress, Norfolk Farmers, and Fire Service were three with distinctive names.

After much discussion, the Grand Lodge completely severed relations with the Grand Lodge Alpina of Switzerland. The Board of General Purposes had evidence that the authorities of that Grand Lodge permits irregular Masons to attend their meetings.

FLORIDA — 1971

142nd Annual Communication — April 27-29.

Grand Master, 1970-71 — M.W. Bro. D. H. Wilkison
Grand Master, 1971-72 — M.W. Bro. W. W. Masters, Jr.

Lodges, 315. Membership, 77,416. Gain, 489.

Since the Grand Master lives only a few minutes away from the Masonic Home he made that institution his major interest during the year. He wrote to 3,500 lodge officers inviting them to visit the Home. Many lodges brought bus loads of their officers, members and families to gain a first hand knowledge of the institution.

The highlight of the year was the formal ground breaking and cornerstone laying of the new Comprehensive Care Center. The total Home population averages about 150. The average age of a resident is 82. Twenty-eight are over 90.

The steadily increasing number of retired Brethren moving into Florida and the movement of military personnel make for a great deal of courtesy work, such as courtesy degrees, presenting 50-year awards, investigations, Masonic funerals and varied personal services.

GEORGIA — 1970

184th Annual Communication — October 27-28.

Grand Master, 1969-70 — M.W. Bro. B. A. Greer
Grand Master, 1970-71—M.W. Bro. R. C. James

Lodges, 473. Membership, 96,620. Loss, 209.

The Grand Lodge laid eight cornerstones. No fewer than five were for new temples. The remaining three were for a civic centre, a Baptist church and a general hospital.

The Grand Master, a student of history and Masonic philosopher, not only enjoyed a full and successful year but gave much thought to the future. He expressed his ideas in ten recommendations. Four of them were:

1. That a committee be appointed immediately to study and recommend to the 185th Annual Communication the adoption of a complete ritual and its codification of both the rituals, uniform and ancient.
2. That all open air Masonic Lodge meetings be forbidden by Grand Lodge, since there is no way to properly tyle such a meeting, and this is a requirement from time immemorial.
3. That all written Dramatizations of the Hiramie Legend be ordered destroyed and be forbidden. The Historical and Education Commission is submitting an approved and recommended Dramatization.
4. That the Grand Master appoint a committee entitled "The Bi-Centennial Committee" to be a clearing house to set the tone of the planning and publicity of the Jurisdiction.

His interest in ritual was revealed in an edict which he promulgated. The statement ran in part as follows:

"WHEREAS, certain improper and undignified practices have taken place in some Lodges in this Grand Jurisdiction in connection with the initiation, passing and raising of brethren,

"WHEREAS, a booklet on 'Masonic Etiquette' published by the Educational and Historical Commission of the Grand Lodge of Georgia provides as follows:

"'Next to the church, no place should command greater dignity, respect, or reverence than a Masonic Lodge. Present, always, while a lodge is in session, is that open Bible. Regardless, therefore, of how many degrees of Masonry you may have received, truly "the place whereon thou standest is holy ground." Certainly then, it is no place for the frivolous or irreligious. There should be a sacredness, a holy dignity, a reverence present in every lodge room, and it should be sufficiently manifest to impress one as he enters.

"'Nothing whatever in the Ritual was originally designed for levity and any departure therefrom is entirely unwarranted. The Masonic Ritual reflects dignity, beauty, and vitality. Its interpretation should be equally dignified, beautiful, and vital. Such a sustained interpretation over the years has developed and maintained a dignified Institution.'"

With this preamble in mind the Grand Master ordered that "no candidate, while receiving any of the degrees of a blue or symbolic lodge, shall be spoken to or touched by anyone unless (1) such act is a part of the Ritual of either the uniform work or the ancient work, or (2) by permission of the Worshipful Master of that Lodge or (3) in the second section of the degree of Master Mason pursuant to ancient and established Masonic tradition."

IDAHO — 1971

104th Annual Communication — September 21-23.

Grand Master, 1970-71 — M.W. Bro. B. Vertrees
Grand Master, 1971-72 — M.W. Bro. G. W. Knoff

Lodges, 84. Membership, 13,216. Loss, 259.

One lodge made an unusual, if not unique, request to the Grand Master. The Worshipful Master asked for permission to confer two M.M. degrees simultaneously using two groups of officers, one in the Blue room and the other in the Red room of the Masonic Temple of Boise. As one might expect, the Grand Master ruled against the proposal, adding that "in essence they would have two lodges open and working at the same time."

Fidelity Lodge No. 80, at Glenns Ferry, constructed a water fountain in Tree Island State Park as a gift to the State of Idaho. The Lodge asked the Grand Lodge officially to make the presentation of the structure. The Idaho State Department of Parks also asked the Grand Lodge to lay the cornerstone. The Grand Lodge complied with both requests. That was in June. The community, however, liked the idea so well that they requested a similar structure in Glenns Ferry City Park. The Lodge provided the second fountain and again, this time in August, the Grand Lodge met in Special Communication to make the presentation. The members of Fidelity Lodge are alive to the needs of their community. The roll of lodges shows that there are only 113 members in the Lodge.

ILLINOIS — 1971

132nd Annual Communication — October 8-9.

In opening the Grand Lodge the Grand Master began with a few remarks on the hundredth anniversary of the Chicago fire. It

broke out on October 8 and burned out of control to the 10th. Thus the Annual Communication met on the exact anniversary. The Grand Master of Illinois now wears the Past Master's jewel of the man who was Mayor of Chicago and Grand Master of Masons in Illinois during that period. He willed the jewel to the Grand Lodge and it has been passed from Grand Master to Grand Master on installation.

The Grand Master issued a dispensation to a group of Master Masons, most of whom were former members of Cuban lodges, to form a new lodge to be known as Jose Marti Lodge. The Masons have been working diligently under the direction of the Grand Lecturer towards qualifying for a charter. The members have some language problems but are making progress. The dispensation was continued.

In his address, the Grand Master made a tantalizing reference to The Illinois Masonic Medical Center, which, as he said, "is now one of the leaders, if not the leader, in medical service to humanity in our nation and contributes greatly to our brethren in time of illness." Diligent searching through the Proceedings failed to uncover a fuller report. Readers of these Reviews have been informed over the years of the great work done by the Illinois Masonic Childrens Home.

The Committee on Petitions reported that no fewer than five lodges requested permission to change their names. This Reviewer, who always thought that lodge names are immutable, cannot recall having encountered such changes before in any jurisdiction, except in cases of amalgamations. In no case was a statement of reasons given. For those who wish to speculate on the matter here are the changes:

Thomas J. Turner-East Gate Lodge No. 409 to Henry Horner Lodge No. 409
 Elmwood Park Lodge No. 1163 to Elm Clare Lodge No. 1163
 Apollo Lodge No. 642 to Hamilton-Crawford Lodge No. 642
 John B. Sherman Lodge No. 880 to Galaxy Lodge No. 880
 Candida Lodge No. 927 to United Lodge No. 927.

The Grand Secretary gave a comprehensive report on the progress in the tenth year of the Grand Lodge.

"The Tenth Year was a success in every respect. Eight new Lodges were warranted and for the ninth year in succession we were fortunate to record an increase in over-all membership. The Lodge in Chandigarh had acquired a plot of land for its Temple and the Grand Master was pleased to lay the Foundation Stone another Lodge in Palghat had made sufficient progress with the construction of its Temple that the Grand Master has arranged to perform the dedication ceremony early in the new year. The Grand Lodge of Sweden extended fraternal recognition to our Grand Lodge and we were very happy to receive our Grand Representative in and near the Grand East of the Netherlands and several other Brethren from abroad. The Decennial Celebrations Endowment Fund made steady progress and as many as twelve Grand Lodges have agreed to participate in our Tenth Anniversary Celebrations. Grand Lodge has made satisfactory arrangements with the Masonic Fraternity of New Delhi for a suitable building for its own use in the present campus. An Exhibition depicting a Decade of Progress of Grand Lodge, which was as novel as it was popular, was high-light of the year. Peace, love and harmony generally prevailed in daughter Lodges which worked with interest and enthusiasm to promote the welfare and progress of the Craft in general and of Grand Lodge in particular. On the Whole, I should regard the year under report as a fitting finale for the first decade, and an encouraging beginning for the second decade of our Grand Lodge era."

In order to secure adequate quarters for the Grand Lodge, the Board of General Purposes resolved that Grand Lodge lend Rs 1,45,000 to the Masonic Fraternity of New Delhi to enable it to put up a suitable building.

"The Grand Lodge of India Newsletter," it was reported, "has completed four years of its useful existence and has been acclaimed as one of the best in the world." It has proved to be a financial success.

The Grand Lodge Historical Commission prepared a detailed report containing numerous suggestions on ways in which the

Masonic Fraternity in Indiana might celebrate the bicentennial of American Independence "to the credit both of our country and of our Craft."

The Commission also recommended the revival of a programme of installing historical markers, each with a Masonic significance. They suggested that between now and July 4, 1976 that they set up no fewer than eight and as many as twelve historical markers. They also suggested that a booklet containing pictures and descriptive material relating to each Masonic historical marker in Indiana be printed and distributed.

As part of its routine work, the Grand Secretary's office is constantly on the lookout for historical sketches, both of lodges and individual Freemasons. It added scores of folders during the year. In looking ahead for future projects, it has been suggested that the office expand this programme, eventually publishing a "Who's who" of distinguished Masons in Indiana. The 150 years of Masonry would produce the biographies of many hundreds of brethren.

The Committee on Awards recommended the award of the "Caleb B. Smith Medal of Honor" to J. Edgar Hoover, of Justice Lodge No. 46, Washington, D.C., Director of the Federal Bureau of Investigation, for eminent leadership and service to Freemasonry.

IRELAND — 1971

Annual Report and the Report of the Grand Secretary.

Grand Master — M.W. Bro. Rt. Hon. The Earl of Donoughmore

As usual the Grand Lodge met in Dublin in June and December. In March Grand Lodge was entertained by the Provincial Grand Lodge of Londonderry and Donegal.

The October Communication was held in Rosemary Street, Belfast, under the auspices of the Provincial Grand Lodge of Antrim, greatly assisted by the Provincial Grand Lodge of Down. During the summer the situation in the North of Ireland had become so bad that the Grand Master was asked to arrange to hold this meeting in the afternoon rather than in the evening. The gathering was a great success but the Grand Master added, "It did not need a great deal of observance, however, to appreciate some of the difficulties under which our Brethren in these two Provinces are working, aggravated by the fact that there is very little public transport after working hours. Rosemary Street itself as well as the Hall in Brookville had been badly damaged by bombing and I felt very considerable pride in and admiration for the way in which the Brethren North of the Border are facing up to an

extremely awkward position and contriving to carry on their Masonic duties with their usual keenness and enthusiasm."

The Provincial Grand Master of Antrim had more to say on the subject. Since we are all concerned over the effect the troubles must be having on our Irish brethren reproduction of his fairly lengthy report may be justified.

"This year 1971 will be long remembered in Belfast as one of great difficulty as a result of the disorders arising from political unrest, and with so much of the city's life affected it could not be expected that Freemasonry would escape. The worst experiences suffered were the bomb explosions which damaged the Provincial Hall in Rosemary Street, on June 21st, and Brookville Hall, on September 2nd.

"Happily, no personal injury was caused and though damage to the property was fairly extensive in both instances, the Provincial administrative work at Rosemary Street was not substantially interrupted and Lodge Meetings were resumed on September 1st, while Brookville was available again for Meetings just one week after the explosion.

"It is not altogether surprising that since then attendances at the Lodges meeting in Belfast have tended to be smaller, but the restriction on public transport after working hours is possibly as much a factor as reluctance of Brethren to come into the city at night. The spirit of the Brethren, I feel, is to be seen in the fact that only one Lodge deemed it advisable to cancel one meeting; others have arranged lunch-time meetings, while a number have accepted the hospitality of Halls on the fringe of Belfast. Unfortunately, the Festive Board has largely become a victim of the situation and we must all regret the temporary loss of this aspect of our Brotherhood.

"Outside the city, I am happy to say, our activities have remained virtually unaffected, and it is the earnest prayer of us all that more peaceful conditions will soon return, for Masonry and the community as a whole.

"In spite of all the difficulties, I believe I can say with every confidence that the year has been one of steady progress, with a continuing flow of Candidates for admission coming forward and our charity contributions being maintained."

The reports of the other Provincial Grand Masters in the North all tell of great activity and enthusiasm in spite of the difficulties in which lodges find themselves.

Reports from the South revealed a similar enthusiasm. A disastrous fire destroyed the upper floor of the lodge rooms, Tuckey Street, Cork, but the old building rose from the ashes and it was

hoped to hold the rededication ceremony in December 1971 and to have full occupancy by January 1972.

During the year the Grand Secretary and the Grand Senior Deacon visited Nigeria and Ghana. Irish Freemasonry is very strong in these areas and the possibility of establishing provinces in both Nigeria and Ghana will have to be considered.

In the course of reading the proceedings of about seventy Grand Lodges a reviewer cannot avoid making comparisons. This Reviewer must say that if he had been limited to reading only one report during the year he would have chosen that from Ireland. No other Grand Lodge faced comparable difficulties during the year or dealt with them with such courage and success.

ISRAEL — 1971

Annual Communication — October 26.

Grand Master, 1970-71 — M.W. Bro. A. Fellman

Grand Master, 1971-72 — M.W. Bro. J. Bar-Ner

The Grand Master, in a most ambitious programme, proposed to deal with ten matters during his term of office: 1. To build the second story of the temple in Tel-Aviv. 2. To increase the Mutual Insurance Fund, which members of the Craft in Israel can join. 3. To develop the Central Scholarships Fund for the benefit of Freemasonry and its recipients. 4. Writing the history of the Order in Israel. 5. To develop the Parents' Home in Nahariah, which is a cultural centre. 6. To strengthen individual lodges. 7. To strengthen ties between the lodges and Grand Lodge. 8. To develop public relations. 9. To study the Constitution with a view to seeing what amendments are required. 10. To develop "the Image of Grand Lodge in the Eyes of the Brethren and Others."

JAPAN — 1971

14th Annual Communication — March 12-13.

The Grand Lodge had another successful year of growth and solidarity. Although major shifting of personnel resulted in several changes of secretaries, all reports reached the Grand Secretary on time.

The Guest Speaker at the opening of the Grand Lodge was M.W. Bro. F. J. Robertson, immediate P.G.M. In speaking on the subject of Decisions-Actions he said that twelve years before the Grand Lodge had decided to seek recognition from the Japanese Government as a "benevolent entity" but had done nothing about it. He pointed out that the welfare of the Grand Lodge could well depend on this action.

During the year the Grand Lodge of Queensland recognized the Grand Lodge and representatives were exchanged. The Grand Lodge is now in fraternal communication with 113 grand lodges.

The phasing out of certain U.S. bases is necessitating the removal of some lodges from U.S. Forces' facilities to other quarters. Counter-measures are being studied.

The Japanese language ritual of the three degrees, it was suggested to the Grand Master, should be revised into currently used Japanese.

KANSAS — 1971

115th Annual Communication — March 12-13.

Grand Master, 1971-72 — M.W. Bro. R. D. Caplinger

Lodges, 417.

Membership, 85,067.

Loss, 1,486.

The Committee on Credentials reported that the total present at Grand Lodge was 1,064. However, 99 lodges, almost one-third, were not represented.

Since he believed that the Fraternity has much talent, especially in ritual, the Grand Master decided to make available to the lodges more brethren capable in instruction in the ritual.

The 114th Annual Communication adopted an amendment to the Constitution which reduced residence requirements for candidates within the State from a year to six months. The proposal was sent to the constituent lodges for approval. Evidently that is the way amendments to the constitution are passed in the Jurisdiction. The lodges supported the proposal overwhelmingly.

KENTUCKY — 1970

171st Annual Communication — October 20-22.

The last time the Proceedings of the Grand Lodge of Kentucky were reviewed was in 1970. At that time the Annual Communication was recorded as the 169th. The discrepancy is explained in the Proceedings. The year 1899 was the 100th Annual Communication. The 1900 Communication was listed as the Centennial Communication and not shown as the 101st. The error has been perpetuated since that date and is now corrected.

The Grand Lodge met in an emergent communication at Gravel Switch (a most descriptive place name) for the purpose of dedicating a new Masonic Hall. The report stated:

"After proper preparation, the ladies and other non-Masons were invited into the Lodge Room where the Most Worshipful Grand Master and his Officers proceeded to dedicate the Hall of T. W. Walsh Lodge No. 430, to Freemasonry, virtue and universal benevolence agreeably to Ancient Craft usage and in ample form."

After some "stirring remarks" by the Grand Lodge Officers, "the ladies, children, and other non-Masons departed to the adjoining building where refreshments were to be served after the closing of the Grand Lodge."

The Grand Lodge also met in Lexington to observe St. John the Baptist's Day. After opening in the Masonic Temple, the body "retired in an orderly column" to the First Community Church for a service.

The Grand Master expressed his belief that Freemasonry is generally in good condition in the Jurisdiction but added the sound opinion that:

"We cannot live indefinitely in the reflected glory of the achievements of our brethren who have labored diligently in the past. Each generation of Masons must do its share of labor so that the excellent tenets of our institution may be transmitted, unimpaired, from generation to generation."

The Jurisdiction publishes "The Masonic Home Journal" which gives news of interest regarding events both within and without the Jurisdiction. The Grand Master commented, however, that "It would be of still greater benefit if more of our brethren would carefully read it."

The Grand Master granted many dispensations. One permitted a lodge to send its charter out of the State to be cleaned and to be treated with a preservative. In the meantime the lodge was authorized to meet by authority of the dispensation. Another lodge was permitted to meet by dispensation when its warrant was damaged by fire.

Several out of town lodge meetings were authorized, and one "to be held in a cave in Kingdom Come State Park" in Harlan County.

The Grand Master refused a dispensation to a lodge to take part in a municipal centennial parade. He told the Lodge: "It is my belief that Masonic law does not contemplate participation by lodges as such in parades such as this . . . Each brother as an individual citizen is urged to take an even greater interest and active participation in the community and world about him, thereby carrying on the time-honoured Masonic practice of quiet but effective fulfillment of Masonic obligations and teachings."

KENTUCKY — 1971

The members of the Grand Lodge were able to visit the Old Masons' Home at Shelbyville and the Widows and Orphans' Home in St. Matthews. The former houses about 100 residents, the latter about 230 widows and 50 children. The St. John's Day League, composed of dedicated Masons, has the primary purpose of promoting the welfare of deserving objects of Masonic philanthropy. The members usually do this by underwriting projects involving capital improvements at the two homes. In 1971 the League presented \$35,000 to the Old Masons' Home and \$26,000 to the Widows and Orphans' Home. In addition, the League assumed an obligation to the former amounting to \$200,000 to provide an addition to the infirmary.

The Grand Lodge Building is located at 1000 South Fourth Street, Louisville. The neighbourhood is declining both in financial and social value. Female employees are uneasy, if not actually afraid, to leave their work after dark. Parking and hotel accommodation for members of Grand Lodge are also problems. The Grand Master recommended moving to an unused school building at the Masonic Home. All problems would be solved. The new post office address of the Grand Lodge appropriately, would be "Masonic Home," Kentucky.

LOUISIANA — 1971

160th Annual Communication — February 1-2.

Thirty years ago the Grand Master began a fund to insure that every child in the Masonic Home for Children who finished

high school should have the opportunity of going to college, taking a business course or receiving some further training for a vocation in life. As a result of this idea a Foundation was established to receive gifts and bequests for the purpose. As the Foundation has grown it has been possible to assist first, children of the Home and then, worthy sons and daughters of Master Masons outside the Home who, without financial assistance, could not further their education. The ultimate aim is to establish a fund of \$1,000,000. The Foundation is well on the way to the goal.

During the year there were 57 residents in the Home. Sixteen are being assisted in post-secondary education.

The Special Committee set up to investigate the advisability of founding a home for the aged recommended against the proposal, "unless the Brethren . . . are prepared to assess themselves and all initiates a substantial per capita for a number of years to create an endowment fund, to underwrite funds for a building program, and then to continue a per capita" levy annually. There have been at least three studies of the problem in Louisiana during the past ten years.

M.W. Bro. R. J. Pollard presented his 26th Annual Report of Correspondence. As usual his Foreword, three tightly packed pages, contained profound observations on the world Masonic scene. In brief he pointed out that periods of spiritual and moral depression have occurred repeatedly in the past, have always run their course, and always been succeeded by periods of renewed spiritual awakening. He offered several suggestions. First, he said "we must see to it that our Freemasonry is preserved unchanged" and secondly "we must improve the quality of our Masonic activities."

The Grand Lodge suffered the loss of three Past Grand Masters. Since in the Grand Lodge of Maine the Grand Master serves two years, the Grand East is now reduced to twelve.

Two lodges celebrated their 100th anniversary and three completed or began new temples.

The Grand Lodge Charity Foundation distributed a total of \$37,550. This was in addition to funds distributed by constituent lodges. This also was the largest sum ever expended for charity

in Grand Lodge except for one year when forest fires in Maine destroyed the homes of many brethren. The Grand Master concluded: "Charity is one of the great tenets of our profession and I would strongly recommend to the lodges who do not have a charity fund, that immediate steps be taken to establish one."

MANITOBA — 1971

96th Annual Communication — June 2-3.

Grand Master, 1970-71 — M.W. Bro. J. L. Rankin

Grand Master, 1971-72 — M.W. Bro. J. L. G. Hay

Lodges, 119. Membership, 14,125. Loss, 422.

The Grand Master gave an address which was brief and to the point. One paragraph summed up his view of Masonry in Manitoba and also included a prescription that might well be useful in other jurisdictions.

"What really is the state of Freemasonry in Manitoba? We have some problems and some possible solutions and in a part of this address, I shall attempt to deal with some of both. One of our first problems is that we spend a good deal of time outlining the problems and finding possible solutions and then do not continue. In past years, Grand Masters have presented many fine addresses and made many recommendations and generally the committee on the Grand Master's Address has commended him for his thinking but no changes have been made. After a year or more of visiting the lodges in the Province and elsewhere your Grand Master should have had an opportunity to see some of our problems and recommended them to be studied and that changes be made where possible. I therefore strongly urge that the Committee on the Grand Master's Address be empowered or instructed to refer recommendations made in the Grand Master's Address to the proper committee for study, a report to the Board, and possible action."

MARYLAND — 1970

Semiannual Communication — May 19.

184th Annual Communication — November 17-18.

The attendance at the seven regional meetings was extremely good. The Grand Master believed that, as a result of the meetings,

Maryland Masons are "the best informed of any Grand Lodge" in the country.

A special event during the year was an open air meeting at which the Master Mason was conferred "in a gravel pit near Camp Springs." Ten Tylers, one from each lodge participating, took part. This "type of affair" was first sponsored by the Grand Master in 1969.

One of the great events of the year is the Corn-husking-Harvest Home Day at the Maryland Masonic Homes. There were six acres of corn to husk. No fewer than 8,000 attended.

The Grand Master elect, M.W. Bro. Tofflemire was born in Colchester, Ontario in 1902 where, his biography in the Proceedings states, "his Father and Forefathers had lived on land granted to them as United Empire Loyalists." He graduated from the University of Toronto as a chemical engineer in 1923. After working in Toronto, his firm transferred him to Mexico in 1930, where he has remained. His mother lodge is Toltec No. 1.

The D.D.G.M. of the 1st District reported that the ritualistic work of Aztec Lodge No. 22 "in the Spanish language is of the best quality and further progress is to be expected." The development of a German ritual has also advanced considerably.

Morelos Lodge U.D. was inaugurated in 1970 and is operating with great enthusiasm. The Lodge works in Spanish. The name evidently is taken from the state of Morelos, but at the same time commemorates a prominent leader in the war for Mexican independence, executed in 1815.

The Jurisdiction is divided into districts for two types of administration, the Board of General Purposes and the District

Deputy Instructor System. The original distribution was primarily based on the geographical locations of the lodges. Logically the districts should have similar boundaries. Over the years, however, discrepancies have crept in. A major readjustment was carried out during the year to establish uniformity.

At the 1970 Annual Communication the proposal was made to "redistrict" the entire Jurisdiction, with no district having more than ten lodges. The proposal would have raised the number of districts from 33 to at least 68. The change did not justify the expense involved. The new arrangement is working satisfactorily.

The Grand Lodge faced the problem of the serving of alcoholic beverages with a proposed major amendment to Michigan Masonic Law. In brief, the regulations would have permitted the serving of such beverages in premises not related to the work of the lodges. The reasons were clearly stated:

"Traditionally Masonry has ever observed and extolled the virtue of Temperance. This does not mean abstinence. American society today generally accepts the premise that the 'social drink' is a part of modern living. Further, it is a part of the program at Lodges under the English Constitution to hold a 'table lodge' following the Lodge meeting proper, and, at this Fellowship Hour intoxicating beverages may be served. The Grand Lodge of Michigan derives its origin from the English Constitution, and the passage of this Amendment—which would permit serving only during the social periods—would not be a violation of Ancient Precepts. Further, this Amendment would permit the leasing of the premises—under strict control—to commercial enterprises, thus providing a source of much-needed revenue for some of the Temples. The present prohibiting law derives from the ruling of a Past Grand Master and the repeal of the same would not constitute a change in Grand Lodge Law as presented by the delegates to Grand Lodge Annual Communications."

The amendment, however, was not adopted.

MINNESOTA — 1971

For many years, the Grand Lodge, in cooperation with Rochester Lodge No. 21 has provided a full time Masonic visitor to all Masons, not only of Minnesota, and their families who are

patients at the Mayo clinic. The service has been the subject of much favourable comment.

The Grand Lodge sent a cheque for \$1,000.00 for the use of Masons in Peru who had suffered as a result of an earthquake. The Grand Master was justified in saying that he was proud to be a Mason in Minnesota.

The Grand Master was pleased to see the number of lodges which were exchanging visits, "several with other jurisdictions, and even of greater significance, with our Canadian Brethren."

In addition to the spring and fall conferences, the Grand Lodge officers held four all-day meetings to discuss and review problems facing the Grand Lodge and Masonry in general.

MISSISSIPPI — 1971

153rd Annual Communication — February 9-10.

Grand Master, 1970-71 — M.W. Bro. G. H. Barnhill

Lodges, 308. Membership, 48,827. Loss, 366.

The lengthy report of the Jurisprudence Committee, which ran to eleven pages, contained two items which vary from the usual. One lodge asked if they could apply for and accept federal aid in remodelling the lower floor of their building for use as a "lobby for elderly people." The Committee doubted that federal funds would be given to a lodge though there was no rule in the Jurisdiction which covered the matter. They added a note, however, that cited a statement in the rules and regulations of the Grand Lodge which said "in financial transactions, it is better for the Lodge to go alone, and to avoid any entanglement of its financial affairs with those of any other order or organization, or with those of any individual."

A second inquiry asked if a lodge could waive jurisdiction concerning a man who lives in Mississippi about twenty miles from the nearest Mississippi lodge but only about four miles from the nearest lodge in Tennessee. The answer produced the information that no lodge can waive jurisdiction over a prospective candidate nor can the Grand Master confer jurisdiction on a lodge. A resident of Mississippi must petition the lodge in the jurisdiction of which he lives. The candidate had the choice of taking his degrees in Mississippi, taking his demit and then applying for affiliation in Tennessee.

The rules of the Grand Lodge regarding the non-admission of candidates engaged in or prepared to engage in liquor business came up many times since Mississippi has liberalized its liquor

laws. The Committee pointed out that such change in Mississippi law in no way affected Masonic law but added

"Members of this Grand Lodge and Mississippi Masons generally simply must face up to the facts. Neither the Grand Lodge nor individual Masons can be half right and half wrong; neither can we afford to be hypocritical. It is an inescapable fact that our Masonic laws pertaining to the selling of whiskey are being too frequently winked at, ignored and violated.

"Perhaps we could with Fortitude and Prudence proceed toward the application of Justice in better fashion if we placed more emphasis on the first cardinal virtue of Temperance."

MISSOURI — 1970

149th Annual Communication — September 28-29.

Grand Master, 1969-70 — M.W. Bro. J. M. Donelson
Grand Master, 1970-71 — M.W. Bro. W. H. Chapman

Lodges, 582. Membership, 111,295. Loss, 1,772.

The Grand Master, in his address, in very few words, gave the most comprehensive explanation for the decline of membership seen by this reviewer.

"Many reasons have been advanced for this condition of the Craft in Missouri. Examples are the size of the lodge, lack of fundamentals through Masonic education, unsatisfactory officer potential, shift from a rural to urban society, disapproval by others of a 'secret' organization, indiscriminate suspension for non-payment of dues, the increasing number of deaths now occurring following increased membership after World War I, neighborhood conditions near temples in urban areas, competition for time and men by appendant bodies and civic clubs, television, a state called 'illness of the time,' a generation of doubt, detachment and defiance, and a lack of communication."

He concluded: "I am convinced that each of these conditions contributes to the result, but just as there is no one cause for the condition, there is no one great magical cure which will have utopian results. Recommendations have been made to you in these areas by other Grand Masters. Some have been followed with varying degrees of success, but others have gathered dust from the passage of time and inaction.

"The time is now, not tomorrow, to re-examine what has been, is now, and will be done to meet each of these challenges, and conquer them in the interest of Freemasonry."

As he travelled over the State, the Grand Master was cheered by the interest and enthusiasm he found in many lodges. In spite of all he had said he believed that the future is bright.

The Grand Lodge laid seven cornerstones. Most were for schools, one was for a new Masonic temple and another for a new historical society building. Many lodges are seeking to improve their halls or to acquire new buildings. Masonry, despite the statistics, appears to be in a healthy condition in Missouri.

R.W. Bro. E. W. Wagner, Grand Secretary for ten years, announced his retirement. The Grand Master appointed R.W. Bro. F. A. Arnold in his stead. The new Grand Secretary has had wide Masonic experience. He left the headship of the English department at Kemper Military School and College to accept the position.

This Annual Communication brought to an end the sesquicentennial year of the Grand Lodge. The Committee in charge reported on the various activities of the year. The projects consisted of issuing a commemorative dues card designed especially for the year 1971, a special Masonic Commemorative lapel pin for distribution to all Master Masons in the state, who cared to purchase one, a special banner designed for the occasion and for distribution to each of the subordinate lodges in the State of Missouri, as well as other appendant bodies interested in their work. Plans also called for the reading of a message from the Grand Lodge of Missouri to the various churches and synagogues of the state. The plans further included that there would be a special event held in each of the nine areas throughout the State of Missouri, commemorating this occasion.

One of the biggest undertakings of the Committee was the complimentary mailing of the special spring issue of the Freemason Magazine, the official publication of the Grand Lodge, to each member of a Missouri lodge.

The list of officers of the Grand Lodge records the names of six Grand Chaplains. During the year Rabbi Julius J. Nodel, who was appointed in 1964, moved to Hawaii.

The Grand Lodge operates a successful Masonic Home. The Directors reported that costs have doubled during the past ten years. In 1961 expenses were \$629,000 and in 1971, \$1,350,000. Income in 1961 was \$747,000 and in 1971, \$1,493,000. The number of residents was constant at 362. Most of the residents are women. In 1971 there were also 16 girls and 10 boys. Since conditions in the vicinity of the Home have declined the Grand Lodge set up a committee to investigate the possibility of moving. Finally an ideal site was located near the town of Ellisville. The site, amounting to 18 acres, was donated by an interested Mason, Bro. W. F. J. Fienup. The Directors rightly observed that writing this part of their report had been a pleasure.

For several years the number of lodges failing to file their annual returns on time has been increasing. Something had to be done and in 1970 the Statutes were amended to provide for a \$3.00 per day fine for late filing. The legislation had the desired effect and only six lodges were late in 1971. They enriched the coffers of Grand Lodge, and impoverished their own, to the extent of \$177.00.

Last year we reported that a committee had been set up to suggest new insignia for the office of Deputy Grand Master. The Committee made some proposals, but the vote which followed resulted in no change.

The Committee on Work again put in a busy year reviewing the Proceedings of the Grand Lodge from its inception (in 1866) "to ascertain primarily decisions of the Grand Master, which were approved by the Grand Lodge, and may have been passed over by various means." It is a "slow and tedious" task.

The Grand Lodge conferred the title of "Honorary Past Grand Master of Masons" on Grand Secretary Lyman E. Smith. The action was well received and recognized as a fitting tribute to the service of the Grand Secretary.

NEBRASKA — 1971

Six lodges consolidated into three during the year.

The list of lodges, with memberships recorded, shows that the lodges which amalgamated were relatively small. Three had fewer than one hundred members. One indeed had only 26. The roll of existing Nebraska lodges includes the date of the charter. By the end of 1972 there will be 27 lodges which have been working for a century.

One unusual table headed "Veteran Grand Lodge Attendants" gives the names of those who have attended Grand Lodge 21 years or more. The list has 19 names. One member has attended for 59 years. Another list records veteran Secretaries who have served 25 years or more. There are 15.

The Grand Historian referred to the 1871 Annual Communication of the Grand Lodge of Nebraska. The words of the Grand Master at that time are not inappropriate today.

"The Grand Master reminded the brethren then assembled that while Masonry was an ancient institution, it was, at the same, progressive, and necessarily so since mankind has advanced in knowledge, manners, customs and requirements. Even so, while people may change, Masonry conforms and adapts itself in regard to local conditions and regulations. However, this does not mean that the broad principles of morality and virtue taught in Masonry must change. They must not. Neither can our esoteric work, nor our landmarks, nor the foundations upon which Masonry has been built be subject to meaningless or weakening alterations. This was the impelling plea of Grand Master Deuel in 1871."

The Grand Lodge has shown a gain in every year since 1938.

During his visits to the various subordinate lodges, the Grand Master was impressed by the interest and quality of leadership displayed. He was also pleased to see that most of the junior officers are young and display an interest indicating a promising pool of leaders for the future. Some lodges which had been considered almost defunct are now doing well.

The Grand Lodge laid cornerstones of several buildings, including a chemistry laboratory, a hospital and an armory.

In 1970 the Ritual Committee suggested that the Grand Master might consider having a conference the day before Grand Lodge, having in mind that all D.D.G.M.'s, Masters and Wardens of lodges would be in attendance, to work the three degrees in full with all details as near as possible in standard form. This he did. Three lodges from different districts provided the officers. The two candidates for the M.M. degree were the sons of the Grand Master. He had given the first two degrees to one "at sight".

The Grand Historian reported that Lodge St. John of Bathurst is very proud of its Masonic Choir which makes frequent appearances at local churches and fraternal events. At one time such choirs were commonplace in the Jurisdiction but are now rare.

During the year the cornerstone of the newest temple was laid in Fredericton, while on the next day ceremonies marked the centennial of Freemasons Hall, Saint John West.

Probably the most significant activity during the year was to be found in the eight Lodges of Instruction which were held. Of all the lodges in the Jurisdiction only six were not represented at one of the gatherings. Twenty-two had all their required officers present. The Grand Master was present on every occasion and Grand Lodge was opened in ample form for the work of the evening. The evenings opened with a dinner. The reports in every case described the main course and the caterer involved. Although of no significance whatever to us, it is possible to report, somewhat frivolously, a great variety of meals was served ranging through roast pork, turkey, beef, to ham and scalloped potatoes, meat loaf, and beef stew. A reader of the accounts can become quite hungry. At the same time the reports do leave one with

the thought that it might be possible to serve less expensive and yet easily prepared meals at some of the special occasions in our own Jurisdiction.

One dispensation granted had an international significance and also told something of the formality of "Table Lodge" in New Hampshire.

"Oct. 14, Saint Mark's Lodge No. 44, Derry to invite Victoria Lodge No. 2, A.F. & A.M. of Charlottetown, Prince Edward Island to visit them on Saturday, October 24, 1970 and to be guests at a New Hampshire Table Lodge at which all of our Table Lodge Regulations will be strictly observed. A similar Dispensation is required from the Grand Master of Prince Edward Island."

Another dispensation involved the Grand Lodge of Quebec.

"Mar. 30, Evening Star Lodge No. 37, Colebrook to invite Friendship Lodge No. 66 of Cookshire, Province of Quebec, Canada to visit them on Saturday, May 22, 1971 for the purpose of exemplifying the Master Mason Degree using Quebec ritual. A similar Dispensation is required from the Grand Master of the Province of Quebec, Canada."

A special committee was named during the year to establish ways and means of automating the system of voting. The committee devised and set up an automated system which would simplify and speed-up the voting procedures. It was hoped to complete the voting in about thirty minutes. The report on the election did not mention the time taken.

The Masonic Home and Charity Foundation received over \$475,000. The average daily number of guests was 192. The per capita cost per year was \$5,731.00 making a per capita daily cost of \$15.70. The operation of Masonic homes is an expensive business.

During the Communication much discussion took place regarding the desirability of lodges holding open installations. Finally optional open installations were approved.

The proposal of the Grand Master that the Grand Lodge adopt statewide concurrent jurisdiction was not approved. Similarly his proposal that a committee be set up to study the feasibility of lowering the age to eighteen for acceptance of petitions was not approved.

The foreword to the report of Committee on Foreign Correspondence devoted something over a dozen lines to the subject "proposals for innovation." The statement is so well and briefly put that it may justifiably be reprinted here in full.

"As we read the proceedings of the Grand Lodges with which we maintain fraternal relations, we find various proposals for innovation appearing time and again. Many well-intentioned Brethren believe and propose that Freemasonry should change with the changing times.

"Changes or innovations which are aimed at Masonic fundamental principles, moral standards, basic organization, teachings and philosophy and those traditions and customs which make Freemasonry what it is and different from other organizations should never be considered.

"There is no real worth in change merely for the sake of change. Even the most seemingly innocent innovations so many times open the way to additional innovations of a far more serious nature.

"Our business and administrative procedures should be continually under study, and routine changes made therein if efficient operation is to be maintained, however, even this should be done only after careful and serious study and deliberation."

Now and then an unusual event is encountered, not before seen by this Reviewer. This year New South Wales provided two. The

first was a lecture by an ardent philatelist at Lodge Bega, No. 220. The Lecture was presented in the form of a series of colour transparencies of world-famous Masons who have been depicted on postage stamps, with a commentary on each of the subjects. Some of the famous persons depicted were: three of the Kings of England; Edmund Barton and Edmund Hargraves, Australia; George Washington, Benjamin Franklin and Andrew Jackson, America; Shackleton and Scott, Antarctic Explorers; Mozart, the composer; Robert Burns, Cecil Rhodes and Simon Bolivar.

No doubt some of our members with philatelic interests will be challenged to emulate the lecturer.

The second report told of the conferring of the Second Degree at Lodge Yagoona, No. 766, when the complete ceremony was conducted by members of a family named Tibbit. W. Bro. Len Tibbit was W.M. and other Tibbits served as S.W., J.W., S.D., J.D. and I.G. They also gave the four charges.

Discussions regarding the building of a new temple and administrative headquarters in Sydney "worthy of the dignity" of the Craft in the Jurisdiction are continuing. The City Council has authorized the erection of a building of eighteen floors, with three basement car parking levels. The first three floors above the parking levels will be reserved for Masonic purposes; the remaining floors, four to fifteen, are intended to be rentable office space. In the Masonic section provision is being made for six lodge rooms, three rehearsal rooms, committee rooms, etc. An auditorium capable of seating 820 persons and a banquet room for 500 are planned. The Grand Lodge decided to invite a building or development organization to combine with them in the project.

The Grand Master stated that his election for a third term was breaking the normal sequence of events. Consequently he was all the more grateful for the continued confidence of the members. He pointed out that his "public avocations" (he is the Governor General of New Zealand) made him rely heavily on the officers of the Grand Lodge.

In his Address he stressed the fact that no new lodges had been formed, that membership had dropped and that voluntary contributions to the Board of Benevolence had fallen off. On the decline in membership he remarked:

"I would suggest that it probably represents a healthy period of consolidation in our activities. After all, the duty of our Lodges is to make Masons—not to acquire members. I know full well in this Constitution great stress has always been laid on the most careful selection of candidates—and rightly so. In masonry—perhaps more than in most other callings in life—quality is very much more important than quantity, for a true Mason must be able or must learn to let his light shine not only inside his Lodge, but also outside in the community in which he lives his daily life.

"Initiation, Passing and Raising are really simply the starting orders in the longest race any of us will ever run—our masonic life. And to acquire stamina for that race we need training—training in the meaning of the symbols and legends with which our ritual and our masonic implements and furniture abound, training in the true intent and spirit of masonry, training in its practical content as well as its ideals.

"Hence I feel this temporary pause in our material growth is no bad thing—and this is what I implied when I spoke of a 'period of consolidation' in our affairs. There is today, I would suggest, a great deal too much doing—and not nearly enough thinking!"

He was more concerned over the decline in contributions to benevolence and gave his opinion that the members could do better.

During the year 1970 the Grand Lodge took its first major step in Masonic Education when that body adopted a resolution setting up a Committee on Masonic Education as a permanent function of the Grand Lodge. Earlier programmes had been miscellaneous and more or less minor in nature. An education officer was appointed in each district. Materials were prepared and the Grand Master held a series of area and later district conferences. Many workshops were held. The programme appears to have got off to a good start.

The Committee on Masonic Ceremonies and Miscellaneous Publications spent most of its time during the year in the preparation of literature and other material to be used in the foregoing programme.

The Grand Master reprimanded a lodge for allowing a steward "to be installed who had not passed a proficiency examination

on the catechism of the Third Degree." He instructed the master of the lodge to declare the office vacant, until the appointed officer had complied with the regulations. This and other cases show that in North Carolina standards are maintained at a high level. At the same time membership increases. There may well be a relationship between the two facts.

As the Grand Master said:

"Peace and harmony continue to exist throughout our Grand Jurisdiction with, perhaps, a few isolated cases where small disputes and misunderstandings occur but through the application of principles by which we are taught, these generally disappear quickly. The overwhelming majority of the Brethren truly conduct themselves as men and as Masons."

The Grand Lodge officers moved into new quarters during the year.

The Grand Lodge Library and Museum Committee carries on one unusual activity in supporting the North Dakota Memorial Library, part of the library system of the University of North Dakota. The collections are not limited to Masonic matters but include science and technology. A small start has been made on an audio-visual collection.

In addition, the Committee spent much time getting established in the new library in the Grand Lodge building in Fargo. Books which had been in storage were shelved.

The Grand Junior Warden serves as the Committee on the Condition of Freemasonry. He told of the declining rural population, at the rate of one and two per cent per year, with a resulting decline in Masonic membership. In rural areas the decline far exceeds that in larger centres. A questionnaire revealed that about half the lodges in the Jurisdiction had made some improvement in their facilities but also that a disturbing number found operating expenses and building expenses a problem.

Although the Grand Lodge suffered another loss in membership, it was the smallest since 1965. Five districts showed gains. The major loss was in deaths.

On his widely ranging visits throughout his Jurisdiction the Grand Master found without exception that the spirit of Masonry is moving upwards, with increased interest and activity; within five years, he said, "we will, no doubt, fully realize the result. There has been a notable increase in the number of lodge church parades and a steady increase in attendance."

He gave much detailed information concerning the form Masonic activity takes in Nova Scotia.

"There have been many banquets and special evenings to commemorate anniversaries and to honour long-service jewel recipients. In one instance a lodge programmed its Centennial celebrations over several weeks and lent its support to a midget hockey team, the "58s", named for the sponsoring lodge, Kentville No. 58. Another lodge, Woodlawn No. 131, demonstrated its Masonic spirit by painting the house of the widow of a deceased Brother. Other evidences of the increased application of Masonic principles outside the lodge-room are provided by lodges which provide scholarships, comforts for "shut-ins", Christmas parties for under-privileged children, and other gestures of kindness and consideration."

The practice of inter-lodge visits has become a normal activity for most of the lodges. The Grand Master believes that such visits make for an atmosphere of solidarity within the Fraternity.

In August, fire completely destroyed the temple of Oxford Lodge No. 67 in spite of the heroic effort of 150 firemen. Many

valuable records were adequately protected and saved. Unfortunately many irreplaceable mementos were lost. The Grand Secretary drew a moral from the tragedy. "Temples do burn; records, paraphernalia and equipment are lost." Consequently he asked all officers and members to survey their temples for fire hazards and eliminate them, at the same time storing lodge records in fire and vandal-proof safes. Above all, he advised them to review the insurance coverage.

From the fact that our Jurisdiction has a total of 635 active lodges and Ohio has only 45 more with a membership more than double ours, we might assume that there must be many large lodges in that Jurisdiction. The Grand Secretary's report supports the assumption. Nine lodges have memberships of over 1500. The largest appears to be Humboldt No. 476, Columbus, with 2140 members and the next Adoniram No. 517, Akron, with 2025. Ralph R. Rickly Lodge No. 670, Columbus, with a membership of 1269 raised 51 candidates. Figures such as these suggest a different type of Fraternity from the lodges with one or two hundred members of which there are a few.

A special committee, appointed under the title of Research and Development, was given the task of studying Grand Lodge "operations, activities and problems" giving special attention to the Home for the Aged. The body presented an interim report. They found that the buildings of the Home, though adequate when built in the mid-twenties and mid-fifties respectively, are now below even minimum standards. They recommended that entirely new facilities, of attractive design, be planned for 200 persons. The present population is 130.

The Committee also found that the present per capita assessment of \$2.00, which includes a subscription to "The Oklahoma Mason", is quite inadequate and recommended the increase of \$1.00.

In July 1963, the Grand Master permitted the erection of roadside signs indicating the existence of a Masonic lodge in a town. Now there are such signs throughout the State. The Education Committee, the body involved, thinks that they are a good thing but does not know of any other jurisdiction permitting such signs.

The Grand Lodge is producing a history, one chapter for the term of each Grand Master. The plan is to stop five years before the current term as "Happenings today should not be written until they have become seasoned with age" — a sound principle.

The Endowment Committee held regular monthly meetings and at the end of the year had added \$45,000 to the fund.

Of the total of lost members, deaths accounted for 1,056 and only 341 were dropped N.P.D.

At the June Quarterly Communication Bro. R. A. Kern, R.W. Past Grand Master reported on the eighth conference of the Inter-American Masonic Confederation, held in Santo Domingo, at which he represented the Grand Master. This Confederation comprises an important segment of our Fraternity, the Grand Lodge of all of Latin America. The report contains some not generally known information on the Masonic organizations in the various republics.

"In general, each of the Latin-American countries has a single Grand Lodge which has sole jurisdiction in the country. There are three exceptions. Mexico has 19 Grand Lodges in 19 States, and a 20th, the York Grand Lodge, with Lodges in several States and working in English. Colombia has 5 Grand Lodges in different regions of the country and named after the cities in which they have their See: Barranquilla, Bogotá, Cali, Cartagena and Cúcuta (Santander). In Brazil, there is a confused picture. There is, on the one hand, the Grand Orient, an older Body that

is considered irregular for several reasons, notably that it governs Symbolic Lodges and also higher-degree Bodies, and because it has not required the Volume of the Sacred Law on its altars. (Yet it is recognized by the Grand Lodge of England which, in 1835, made a treaty with the Grand Orient giving England provincial jurisdiction for English Lodges.) The Grand Orient is not recognized by any Grand Lodge of the United States. On the other hand, there are now 17 independent Grand Lodges in as many States and the Federal District, all of which have recognition by a number of our Grand Lodges, including 10 by Pennsylvania.

"The total number of Grand Lodges in Latin America considered regular in origin is 60. Fifty-nine of them hold recognition by at least one U.S.A. Grand Lodge, the single exception being Uruguay, considered irregular in practice because it does not require the Volume of the Sacred Law on its altars. Pennsylvania recognized 31 of the 60, the non-recognitions being due primarily to the fact that no application for recognition was ever made.

"The number of members in the Craft in Latin America is small. Accurate figures are not available, since for protection against hostile groups, many Grand Lodges do not publish membership statistics. A conservative estimate would put the total at less than 200,000. Since the population of Latin America is at least 250,000,000, this means that there is less than one Mason for every 1250 inhabitants. (Compare this with one for every 45 inhabitants of the United States.) Mexico has probably the largest number (around 30,000). Cuba once had about 31,000 Masons in a population of about 8,000,000, before the Communists took over.

"The quality of members of the Craft in Latin America is outstanding, not only because of high standards of selection, but also by reason of thorough instruction and indoctrination, and slow advancement (at least a year between degrees) and that only after thorough proof of fitness and competency. As a result, Freemasonry plays a role at high levels in public affairs, in government, in business and in the professions to a degree far beyond its numerical strength."

The Confederation was organized in 1947 and holds a conference every third year.

The Grand Lodge is looking forward to 1976 and set aside another \$25,000 to meet expected expenditures in preparation for the celebration. They aim to do everything possible "to call attention to this important occasion and to properly recognize the important part Freemasonry played" in the early history of the nation.

Twenty-two lodges celebrated their 100th Anniversaries, one its 150th, and one its 175th.

A typhoon extensively damaged one of the temples in the Jurisdiction. The event prompted the Grand Master to propose the setting up of a disaster fund and it was agreed to take up the matter at the next meeting of the Grand Lodge.

The Grand Master stated that Masonry in the Jurisdiction is in a healthy state. Both the overseas lodges and those in the Philippines are progressive and well run. "Ritualistic work is excellent and programs are well planned." Several lodges "have shown great initiative in choosing and pursuing community projects and have identified themselves with their communities." The Grand Master spoke also of the increase in applications of younger men whose zeal at times exceeds that of older members.

The Board of General Purposes advised against the Incorporation of lodges. The main reason for the decision was that "Masonry should be more concerned in fostering Brotherhood than acquiring material wealth."

Each year sees at least one unique or rare event in the jurisdictions covered by these Reviews. That for 1971 must surely be the Special Communication of the Grand Lodge of Quebec held at Stanstead, on May 8, 1971. On that day the Grand Lodge met with a delegation from the Grand Lodge of Vermont to read dispensations from the Grand Lodges of Quebec and Vermont which will permit Golden Rule Lodge No. 5, successor to Lively Stone Lodge, to receive and act upon applications from residents of Vermont who reside nearer to Golden Rule Lodge than to the nearest Lodge in Vermont.

The Dispensations explained the circumstances leading up to the event.

"The historical background of this situation affords a glorious and unique example of the universality of Freemasonry in action between two adjoining sovereign grand jurisdictions without regard for artificial geographical boundary lines.

"From the introduction of Freemasonry in 1803 in the general area of Rock Island, Stanstead, and Derby Line, when Lively Stone Lodge No. 22 was chartered by the Grand Lodge of Vermont to hold their communications astride the international boundary, uniting the State of Vermont and the Province of Quebec, peace, harmony and concord have reigned.

"During the past one hundred and sixty-seven years there has been no problem of jurisdiction for Lively Stone Lodge No. 22 and its successor, Golden Rule Lodge No. 5, as reception of petitioners resident in the State of Vermont within a radius equidistant to the nearest Lodge in Vermont has had the sanction of the Grand Lodge of Vermont and its constituent Lodges. This happy condition was a leavening influence during the unsettling days of 1812-1815. Also the cement of brotherly love that existed along the border for many years was a contributing factor in the early recognition of the Grand Lodge of Quebec, by the Grand Lodge of Vermont, as a sovereign entity."

Since Grand Lodges do not cross jurisdictional lines, dispensation to cross an international boundary is especially notable.

In his address the Grand Master noted the retirement of M.W. Bro. E. G. Dixon and lauded his work as Grand Secretary of our Grand Lodge.

The Grand Secretary's report showed that there was an increase of 7% in initiations during the year, the first in many years.

The Masonic Foundation of Quebec made good progress. Two scholarships of \$1,000 each enabled two teachers to train in the special field of educating handicapped children.

The brief biography of the Grand Master ends with a paragraph which we all can endorse.

M.W. Bro. Aldridge is convinced that there is no organization in the world so well equipped to provide the basis for solving the myriad of problems rampant in the world today as is the Masonic Order. Masonry teaches a love of man that is compassion oriented and not passion oriented. The problems of apathy for God, dehumanizing of man, crime in the streets, air pollution and water pollution can only be solved when the expollution of human hearts is manifest. This can only be brought to fruition by the propagation of compassion oriented love for mankind and recognition of the individual as a being of sovereign worth.

QUEENSLAND — 1971

50th Annual Report — One Special and four
Quarterly Communications.

Grand Master, 1968-71 — M.W. Bro. His Excellency
the Hon. Sir Alan James Mansfield

Grand Master, 1971-72 — M.W. Bro. N. W. Bauer

Lodges, 478.

Membership, 35,079.

Loss, 434.

The Grand Master gave in simple and direct terms the contribution he believed that the Craft can make at this time.

“At a time such as this, one usually surveys the past year. Not only is it the past year in the Craft, but the past year in our community. The Craft has been steadfast in the maintenance of its ideals, its principles, and its standards. That is more than can be said for the community at large. I believe that year by year, the standards of the community are not improving. How they can be improved goodness only knows, but if the members of the Craft practice out of the Lodge those duties and precepts they have been taught within it, and set an example in the community, this will do some good. It will not remedy the whole position, but I do believe that the Craft and the individual members of the Craft can do a great deal; set a good example in the community, in their every day life, and endeavour to see that other people adopt similar standards.”

RHODE ISLAND — 1971

Semi-annual Communication — November 21, 1970.

180th Annual Communication — May 17.

Grand Master, 1970-71 — M.W. Bro. S. E. Wilkins, Jr.

Grand Master, 1971-72 — M.W. Bro. A. R. Medley

Lodges, 47.

Membership, 16,222.

Loss, 329.

The 150th Grand Master, M.W. Bro. S. E. Wilkins, is a member of a lodge with the happy name What Cheer No. 21. He is the seventh Grand Master from that Lodge. The record, fifteen, is apparently held by St. John's No. 1, Providence, not to be confused with St. John's No. 1, Newport.

The Grand Master could not tell what the plans for housing the Masonic bodies would be but summed up the matter by saying “A combination of economic forces, building codes, and uncontrolled violence in the streets make our departure from Providence necessary.”

The Grand Master drew attention to the position of Berlin Lodge No. 46, F. & A. M. (all lodges constituted before 1920 are designated A.F. & A.M.) Berlin, Germany. The Lodge was constituted in 1948 and the understanding was that the original charter would expire "with the withdrawal of Occupation Forces." That event has long since occurred. Now the presence is looked on with disfavour as an incursion into the domain of another Grand Lodge. The matter is difficult but must be resolved. There are 660 members on the roll.

SASKATCHEWAN — 1971

65th Annual Communication — June 16.

Grand Master, 1970-71 — M.W. Bro. R. C. Woods

Grand Master, 1971-72 — M.W. Bro. M. J. Woods

Lodges, 196. Membership, 14,683. Loss, 587.

The loss figure, while not particularly high, was increased by the discovery that over a period of years the deaths of 149 life members had not been reported. The actual loss for the year was 438.

The Grand Lodge suffered the loss of three Past Grand Masters: M.W. Bros. W. M. Martin (1927), J. C. Carter (1944) and F. C. Wilson (1948). All made notable contributions to the Grand Lodge and Masonry.

The Committee on Masonic History reported that to all intents and purposes, the condensation of constituent lodge histories has been completed.

The Grand Master's Committee on Freemasonry and Youth described a youth leadership development camp which they ran. Of the 32 who attended there were two Indians and Metis who added considerably to the success of the camp. In addition the Committee contributed two scholarships to university students.

SCOTLAND — 1971

M.W. Grand Master Mason, 1965-69 —
Major Sir Ronald Orr Ewing

M.W. Grand Master Mason, 1969-72 —
David Liddell-Grainger of Aytoun

Lodges in Scotland, 644. Overseas, 404.

Following precedent, the Grand Master Mason visited lodges and Masons in Hong Kong, Singapore, Bangkok, Karachi and

Kuwait. Since the journey lasted only a week, the Grand Master Mason could not attend lodge meetings in all the places he stopped. He said that "Pressures upon Masons in Pakistan are considerable but the Brethren strive for progress."

In welcoming the visitors to the Quarterly Communication in February the Grand Master Mason spoke of the close link between the Grand Lodge and the Magistrates of the City of Edinburgh.

"In earlier times we met much more frequently than we do today, one of the principal reasons being that in former times it was the function of the Grand Master Mason of the day and his Office-bearers to lay the Foundation Stones of the many beautiful edifices which now adorn our City. In our proceedings there are quite wonderful descriptions of these historic events. When the Foundation Stone of the South Bridge was laid in 1785 there was indeed a great procession which extended from Parliament House, the streets being lined with the 58th Regiment and The City Guard.

"At the laying of the Foundation Stone of the first Freemasons' Hall on the present site the meeting place appointed for the Grand Lodge of Scotland was the ancient picture gallery in the Palace of Holyrood House, and indeed on that occasion there was placed in the Picture Gallery the portrait of the first Grand Master Mason, William St. Clair of Rosslyn.

"Perhaps, my Lord Provost, there may be in the future an occasion for the Freemasons of Scotland to lay the Foundation Stone of some noble edifice in Edinburgh, perhaps a Festival Hall or Festival Theatre (applause). We can assure you that this stone would be laid with full masonic honours! I should like to state in Grand Lodge here that the thoughts of the Brethren in many of our Lodges are being directed towards Community Service and I trust that in this development there will be a still closer link between the City and Grand Lodge."

The Lord Provost of the City of Edinburgh replied, "I think those citizens of Edinburgh who are members of the Craft and even those who are firth of the Metropolitan District will know that between the Town Council and Freemasonry in Scotland there has been a long and very honourable tradition. When the Grand Master Mason spoke about laying Foundation Stones, I was reminded of Lord Provost George Drummond who, 200 years ago, laid the foundation for the new Town and it survives today as one of the great prides of the Capital City. Surely we can lay another Foundation Stone and I say this to you, Brethren, if we were not, as we are, speculative, but rather operative Masons, I would call upon the Grand Master Mason to lead a deputation

to the quarry so that we could get on with the job without further delay!"

The May Quarterly Communication saw the retirement of R.W. Bro. Alexander F. Buchan, the Grand Secretary for twenty-three years. The Communication in August showed the name of R.W. Bro. E. S. Falconer as Grand Secretary.

Two new lodges were proposed for Nigeria. The first was at Ijebu-Ode under the title of Oduduwa and the second at Enugu under the title of Ekwulu. The notice gave the additional information that colours of the lodge clothing were to be red, white and yellow for the former and Royal Stewart tartan and blue for the latter.

The Grand Master Mason and the Grand Secretary visited West Africa in February and March, 1971. At Calabar they found that shelling during the civil war had gutted the temple of Lodge Hope. The Grand Master Mason reported "The Brethren set to and by means of a levy of £10 imposed on each Brother, and £5 on each companion, approximately £1,300 was raised with the result that the Temple itself was rebuilt."

SOUTH AUSTRALIA — 1971

Half-yearly Communication — October 21, 1970.

86th Annual Communication — April 21.

Grand Master, 1959-64 — M.W. Bro. Sir Bruce Ross

Grand Master, 1964-72 — M.W. Bro. Rev. Canon W. R. Ray

Lodges, 210.

Membership, 22,485.

Loss, 717.

A glance at the roll of Grand Masters of this Jurisdiction, since 1884, totalling nineteen, reveals the fact that five were judges and a further two were Chief Justices of South Australia.

A sound and colour film of the opening of the Masonic Centre of Victoria (described in our Reviews for 1971) was shown at the Half-Yearly Communication. As the Grand Master said this was an advance in Masonic procedure.

The loss in membership was the lowest in some years and initiations rose. It looks as though the tide is turning.

The table of Memorabilia, 1970/71, shows that eight lodges celebrated jubilees. Since the lodges were all numbered in the 90's and there were only 30 lodges in the Jurisdiction in 1884, these probably were golden jubilees.

SOUTH CAROLINA — 1971

234th Annual Communication — April 22-23.

Grand Master, 1968-70 — M.W. Bro. W. H. Grimball
Grand Master, 1970-72 — M.W. Bro. H. L. Middleton, Jr.

Lodges, 320. Membership, 65,960. Gain, 731.

The Grand Lodge met nine times in Special Communications. In each case the purpose was to dedicate a new Masonic temple. The building of nine new lodge halls in a jurisdiction of 320 lodges suggests great activity.

In this Jurisdiction special dispensations are necessary to permit dual membership. During the year three brethren, from France, Ohio and North Carolina were permitted to affiliate.

The foundation stone of the Masonic Temple in Greenville, laid in 1909, was lifted when the building was razed to make way for a new city hall complex. All the papers placed in the box are legible and now preserved in the Grand Lodge building.

In the belief (and an eminently sound view) that the prosperity and activity of a lodge is "a reflection of the leadership" that it enjoys, the Masonic Education programme added leadership workshops for W.M.'s. The workshops were well attended and enthusiastically received.

The Grand Master wrote a personal letter to newly raised Master Masons when the names were given him by the lodge secretaries. The Grand Secretary's figures show that during the year 2,703 were raised. Thus seven or eight letters every day of the year must have been mailed.

The 1970 Reviews told of the origins of Cokesbury Masonic Female College set up in 1854. After many vicissitudes, the 113-year old building has been restored and the Grand Lodge plans to restore the third floor as a Masonic Lodge, as it was when the building opened.

In 1862 during the bitterness of the Civil War, the Grand Master of South Carolina wrote a letter to the Masons of South Carolina "designed to knit Masons North and South into a closer union than ever before." Diligent search produced only a portion of the letter described by one writer as "one of the noblest utterances in the whole history of the Ancient Fraternity." The search, however, showed that the Grand Master of Maine had ordered that a printed copy of the letter should be hung in every lodge in that State. A copy was found still hanging on the wall of a small lodge in that Jurisdiction. An enlarged and legible copy has been made for the Grand Lodge of South Carolina.

SOUTH DAKOTA — 1971

97th Annual Communication — June 8-9.

Grand Master, 1970-71 — M.W. Bro. P. B. Slocum

Grand Master, 1971-72 — M.W. Bro. C. E. Clay.

Lodges, 160.

Membership, 16,867.

Loss, 464.

The Board of Custodians reported that they had held approximately twenty schools of instruction, a high figure for a jurisdiction of 160 lodges.

The Commission on Masonic Education devoted the year to strengthening the administrative organization and thoroughly putting into effect the programmes and material already provided. There was an increased activity on the part of lodges in the use of the Masonic Speakers Bureau.

The Centennial Committee is gathering material for a souvenir book. The date is drawing closer.

The Board of General Activities put in a full year. They distributed 72,000 copies of "The Messenger." The mailing list alone required 2,081 changes. They used 115 pictures depicting various Masonic activities in the State. Issues were devoted almost entirely to South Dakota Masonic news. They co-operated with the Grand Secretary in starting a five year plan in sorting and refiling records which have accumulated since 1890, and, among other activities, aided the Centennial Committee in gathering records. This body operates the Library and Museum.

TASMANIA — 1971

80th Annual Communication — March 13.

Grand Master, 1968-71 — M.W. Bro. W. H. Hill

Grand Master, 1971-72 — M.W. Bro. E. C. Gifford

Lodges, 76.

Membership, 8,457.

Gain, 1.

The retiring Grand Master reported that during his term he had visited every lodge in his Jurisdiction. He concluded:

"My faith in Freemasonry has been strengthened and I am quite confident that the Craft in Tasmania means something of real value in the lives of our Brethren. I am particularly delighted at the way Masons engage themselves in helping others and taking their place as leaders in the Community. This is a part of Freemasonry that requires to be emphasised for I believe that our membership in the Craft should not only help us to be good men

but should equip us to be good leaders. Leadership is the crux of the need of the present age. Herein lies a challenge to every thinking Mason. Sometimes I wonder if we as Freemasons are too much concerned with purely Masonic matters, our meetings, our visiting and our social activities and giving too little attention to what we could do for the Community. I leave the thought with you for this which I consider is an individual matter. But the principles of Freemasonry cannot be kept to ourselves. They must be taken out of our Lodge rooms and practised and lived in the world around us."

The incoming Grand Master, in his installation address, paid tribute to the devotion of past Grand Lodge Officers, and then asked and answered two questions. His well-reasoned argument cannot be paraphrased and deserves reprinting here in full.

"Let us then with a similar devotion turn to the future and ask ourselves 'What can we contribute to those who will follow us? and as our sphere of action is the present we may also ask, 'What has Freemasonry to give to our modern world?'"

"These two questions, are, in reality, one. As may be seen if we reverse the second question and ask 'What does this age need that Freemasonry can supply?'; for a worthwhile contribution to the needs of our own time will enable us to hand on a Craft whose splendour has not diminished and whose reputation will be enhanced.

"Quite obviously Freemasonry is not equipped to supply the material needs of society. There are areas of poverty and need throughout the world and there are many commercial enterprises and charitable societies whose purpose is to meet those needs. Both these avenues are spheres in which honourable contributions to the solution of these pressing problems can be made and as you look around you will see that Freemasons are providing leadership and bearing their part beyond their proportion in the community. But by its very nature Freemasonry is neither a business nor a charitable society.

"If then our main contribution is not to be made in the realm of things can we find it in the realm of the mind—the intellectual and educational aspects of life?

"That the need is there no one can deny who thinks of the illiterate millions in the underdeveloped countries. Even in the more fortunate and affluent societies there would be few who would be satisfied with our achievements.

"Here Freemasonry can and does help by stimulating thought and teaching that behind the apparent there are deeper truths. Those who have committed to memory the beautiful charges of

our ritual will agree that their labour has given them a new insight into the depth of meaning enshrined there.

"But, I believe that none of us would declare that this area is the one where we can make our most important contribution.

"So we turn from the material and intellectual to the moral and at once we remember that Freemasonry is a system of morality that our foundation principles are Brotherly Love, Relief and Truth.

"Here the need is massive and urgent. The use of drugs and alcohol, the seeking for new and more dangerous excitement, the toll of the road and the incidence of mental disorders all point to a problem that cries aloud for a solution.

"It is commonplace to say that we live in a permissive society but this experiment in casting aside the moral and religious restraints of our fathers has not produced a happier society or one in which our children can safely grow into the full flower of useful and fulfilled manhood and womanhood.

"We may produce all the material goods that we desire, we may receive all the education that we can use, we may expand the borders of science and knowledge, but without morality to temper these things we become selfish, acquisitive, insensitive to the needs of others and ruthless in the pursuit of our own interests. . .

"There is a curious resemblance between our own time and that which saw the birth of the premier Grand Lodge of England. It was a bawdy permissive time. It was a time when the Churches had lost their grip on a large portion of the population. It was a time of excesses in many directions. To that age Freemasonry came with its simple direct teachings of morality and its offer of a friendship and brotherhood that had no hidden motives. It claimed and held the allegiance of multitudes of men who sought a better way of life and a better world.

"We, in like manner, can bring to our world the sublime teachings of our Order and the priceless gift of brotherhood.

"To a society that is in danger of forgetting how to live as a family, bound by common interests and common responsibilities, we offer to men a fraternity where the cut and thrust of competition and the pressures of our daily lives can be forgotten—a fraternity where all the members are equally valued, that inculcates the duty of helping a brother in need and of dropping a tear of sympathy over the failings of a brother.

"With these great gifts in its hands Freemasonry need not fear the future provided it is true to its high ideals and provided that its members carry into their daily lives the great truths they have learnt in our Temples.

"By the quality of our lives, by our readiness to serve and by the infectious happiness of our brotherhood we shall be true to the past and an inspiration to the future."

A glance through ten years of Reviews shows that year after year the Grand Lodge of Tasmania has been served by most thoughtful and articulate Grand Masters.

TENNESSEE — 1971

157th Annual Communication — March 24-25.

Grand Master, 1970-71 — M.W. Bro. C. H. Duke
Grand Master, 1971-72 — M.W. Bro. C. B. Jones, Jr.

Lodges, 390. Membership, 95,301. Gain, 439.

Four new lodge buildings were dedicated, two cornerstones were laid and five lodges celebrated their centenaries. Assistance was given to 15 students through the Education Program of the Masonic Widows' and Orphans' Home of Tennessee to enable them to further their education. These students are enrolled primarily in regular courses.

The Committee on advancement of Freemasonry and Masonic Education reported another successful year. Though the programme was conceived only seven years ago and has been working only four years they have accomplished much in the development of publications and workshops.

TENNESSEE — 1972

158th Annual Communication — March 22-23.

Grand Master, 1971-72 — M.W. Bro. C. B. Jones, Jr.
Grand Master, 1972-73 — M.W. Bro. J. C. Mobley.

Lodges, 390. Membership, 95,717. Gain, 418.

The education programme of the Masonic Widows' and Orphans' Home of Tennessee Fund again was important in the lives of the fourteen students who were assisted during the year and otherwise could not have continued their education in view of the rising costs of education.

A committee appointed by the Grand Master to design a standard form of receipt for dues card, recommended that the Grand Secretary be authorized to have printed and furnish to lodges without charge a sufficient number of dues cards annually to meet their needs.

Once again the Committee on Advancement of Freemasonry and Masonic Education had a good year. Workshops proved successful beyond their hopes. As the Committee said "Workshops enable members to meet and know greater numbers of other members, and especially the lodge officers. By bringing several lodges together in these group meetings, members can benefit by exchanging ideas, proposals, methods and results. They appreciate and profit by these exchanges."

TEXAS — 1970

134th Annual Communication — December 2-3.

Grand Master, 1969-70 — M.W. Bro. H. Burnett

Grand Master, 1970-71 — M.W. Bro. J. W. Stead

Lodges, 968. Membership, 236,513. Loss, 2,027.

The Grand Master omitted his address as printed copies were available at the registration desk. He did say, however, that, "after the children's programme", he would endeavour to explain his recommendations.

The Grand Master forwarded a dispensation to every constituent lodge to hold open meetings for the purposes of:

Installation of Officers, Memorial Service for deceased members, presentation of any official honour or award, to honour present or past officers or charter members, to observe any anniversary, to honour members of families, and similar occasions.

During the year the graves of sixteen Past Grand Masters were marked.

A tornado at Lubbock and Hurrican Celia did a great deal of damage to many lodge buildings and the property of Masons.

UTAH — 1971

99th Annual Communication — February 1-2.

Grand Master, 1970-71 — M.W. Bro. H. E. Riley

Grand Master, 1971-72 — M.W. Bro. Aaron Hey

Lodges, 31. Membership, 6,175. Loss, 148.

M.W. Bro. Hey, the Grand Master for 1971-72, was born in Yorkshire, England, was initiated in Chateaugay Lodge No. 36 (G.R.Q.), Huntingdon, Quebec, in 1932, and migrated to Utah in 1949. He and his wife became U.S. citizens in 1954. Grand

Masters of U.S. jurisdictions seldom have such a varied background.

The resources of the Masonic Foundation of Utah more than doubled during the year, principally owing to a bequest of more than \$275,000 in the will of a strong supporter of the Fund. Another trust amounted to \$63,000.00. Expenses were under \$4,000. The Foundation balance sheet now stands at \$512,000.00.

The Committee on Fraternal Relations recommended recognition of the Grand Lodge of Iran. The Committee on Ritual were disturbed over the fact that in some lodges the past masters had practically taken over the work of delivering lectures "to the detriment of the education of lodge officers". The Committee on Grievance and Appeals were happy to report that no matters had been referred to them.

VERMONT — 1971

178th Annual Communication — June 9-10.

Grand Master, 1970-71 — M.W. Bro. A. M. Huntsman

Grand Master, 1971-72 — M.W. Bro. R. E. Berry

Lodges, 100. Membership, 15,753. Loss, 226.

The loss in membership was the lowest figure since 1968 while initiations went up greatly. Deaths remained constant. The severest loss was the death of M.W. Bro. Huntsman who died three months before the Annual Communication.

Two lodges presented resolutions. The first proposed the establishment of a Vermont Masonic Kidney fund, to be known as the Masonic Home Dialysis Program. "The main function of the program to be to furnish a kidney dialysis machine to those unfortunates that are going to require one within the boundary of the State of Vermont." The second proposed a study of the feasibility of establishing a Masonic home. Both resolutions were referred to the Grand Master and the appropriate committees.

The Proceedings included the waiver of jurisdiction granted to the Grand Lodge of Quebec and Golden Rule Lodge No. 5, described in the Quebec review above.

VICTORIA (AUSTRALIA) — 1970

Quarterly Communications, March 18, June 17,
September 16, December 16.

Grand Master, 1968-70 — M.W. Bro. C. R. Darvall, C.B.E.

Grand Master, 1970-71 — M.W. Bro. Sir Lance Townsend
KT., V.R.D., M.D.

Lodges, 826. Membership, 103,235. Loss, 2,945.

Extensive additions were made to the Freemasons' Hospital, comprising 49 additional single wards, two new four-bed wards, two new operating theatres, four new elevators, a new boiler house and kitchen. The Board of Management, a voluntary body, "is doing a magnificent job."

The Grand Master, who is a medical doctor, in his inaugural address stressed the great potential in the membership of the Fraternity, saying

"I believe there are hundreds, if not thousands of Freemasons who are waiting to be given a job to do, in the name of Freemasonry. I also believe that the current committees in Grand Lodge should be shared among more Brethren so that no one Brother should hold two positions. But it is this volcano of Masonic energy that has been aroused in the last twelve months by the things that have been done that is affecting people. We, in Australia, are booming; there is no doubt about that, the country is electric and I believe that Freemasons should join in this activity. As an obstetrician, I think that the period of gestation is over, and now it is time to have the baby. The baby in this case is that we, as Freemasons, should start doing things for people outside the Craft. I think in this way we can lose that hidden potential we have and do things for other people."

At the June Quarterly Communication, the Grand Master reported great progress. Masonic Temples throughout the country were being extended, new ones were being erected and old ones were being renovated. The list of exclusions was very small and the Grand Secretary reported a ten per cent increase in initiations and these all young men. It was expected that for the first time in many years there would be a net increase of membership in the Jurisdiction.

VIRGINIA — 1971

193rd Annual Communication — February 9-11.

Grand Master, 1970-71 — M.W. Bro. W. T. Watkins

Grand Master, 1971-72 — M.W. Bro. C. F. Shuler

Lodges, 344.

Membership, 70,977.

Loss, 43.

The Grand Secretary pointed out that the Bicentennial Anniversary of the Grand Lodge is fast approaching. Planning is now underway. At least part of the celebration will probably be held at Williamsburg, the place of the founding of the Grand Lodge.

One of the major concerns for the forthcoming year will be the construction of new Grand Lodge headquarters building. It was decided to erect the building on the grounds of the Masonic Home of Virginia. The new structure will be of contemporary

design and will provide adequate space for Grand Lodge functions, library, museum and archives.

WASHINGTON — 1971

114th Annual Communication — June 15-17.

Grand Master, 1970-71 — M.W. Bro. W. J. Deming

Grand Master, 1971-72 — M.W. Bro. M. V. Poe

Lodges, 287. Membership, 59,636. Loss, 1,102.

When the Grand Master visited White Pass Lodge No. 113, Skagway, Alaska, which is in his Jurisdiction, he was joined by the Grand Master of British Columbia. He then, in turn, travelled by rail to Whitehorse, where he was received by the Grand Master in Whitehorse Lodge No. 46 (G.R.B.C.)

Concern is being expressed over the operation of the Home. Revenue is not keeping up with the expense. The Committee on Jurisprudence was delegated to report on the matter.

The Committee on Research and Education furnished speakers on Masonic and kindred subjects on 110 occasions. Members also visited lodges unannounced and frequently were able to assist extemporaneously. Individually and collectively, the Committee visited 410 lodge meetings.

WEST VIRGINIA — 1971

107th Annual Communication — October 11-12.

Grand Master, 1970-71 — M.W. Bro. C. W. Stallard

Grand Master, 1971-72 — M.W. Bro. C. V. Townsend

Lodges, 160. Membership, 46,323. Loss, 395.

The Reviews for 1969 told of the establishment of the Masonic Scholarship Endowment Trust of West Virginia as a permanent endowment trust to provide scholarships for needy students in the state universities of West Virginia. The Department of the Treasury ruled that the Trust is not a private foundation and therefore free of the restrictions which apply to that type of body. Consequently, gifts to the Trust are fully deductible for income and inheritance tax purposes within the limits of other applicable law.

Total contributions to the principal of the Trust now total approximately \$565,643.00. During the year Marshall University made awards to 29 and West Virginia University to 18 scholars. Since the Jurisdiction numbers only 46,323 members the record of four years is almost unbelievable.

The Chairman closed his report with a heart-warming declaration:

"As in every instance these awards were made to young men and women who without such aid might not have been able to enjoy a college education at our State Universities, and as official recognition of the public interest and benefit of our charity has been given, we express the hope that members of the Craft will continue by individual contributions and otherwise to support this important sector of our Masonic beneficence. The current period of unrest in the academic world is a product of our times, and those who have studied the history of academic freedom know that this is not the first nor by any means the worst of such periods of disturbance. If we will but persist in the faith of our fathers in learning and the search for truth as the tap root of progress in Western Civilization, we believe that when the history of the second century of Freemasonry in our Grand Lodge is written, this program in support of knowledge will stand forth as its finest flower."

WESTERN AUSTRALIA — 1971

Regular Communications — April 29, October 28.

Grand Master, 1965-69 — M.W. Bro. N. R. Collins

Grand Master, 1969-72 — M.W. Bro. R. A. Teasdale

Lodge, 315.

Membership, 19,298.

Loss, 528.

Initiations totalled 509 during the year, the highest figure since 1964.

The Grand Lodge has developed an Entered Apprentices' Hour, held in Perth. The purpose is to enable newly initiated brethren to become more acquainted with the society into which they have just been accepted, to visit its headquarters in Western Australia and to meet the Grand Master and Senior Officers of the day. All the entered apprentices for each month are invited to such a meeting at 5 p.m. on the fourth Thursday of the month following their initiation.

The host party comprises the Grand Master, Past Grand Masters, Deputy Grand Master, Grand Wardens, Grand Secretary and Grand Director of Ceremonies. The programme includes a short talk on the Institution by the Grand Master. The party is then conducted over the building and invited to partake of refreshments in the Grand Master's Room. The inaugural function was held on 25th March which was acclaimed a very successful meeting and it was felt that when the new members left the building they did so with a greater appreciation of their involvement in the brotherhood of Freemasonry.

This is an imaginative programme which might be imitated in other jurisdictions.

It has been felt for a long time that a school on Masonic Education was both necessary and desirable and final arrangements are now being completed by the Grand Inspector of Workings and the Assistant Grand Inspector of Workings assisted by the Most W. Bro. N. R. Collins, P.G.M. to hold a seminar for wardens of Lodges in a portion of the metropolitan area. This seminar will be regarded as a pilot venture and from the results achieved further seminars will be arranged.

For some time negotiations have been in progress to make accommodation available for the office of the Supreme Grand Royal Arch Chapter in the Grand Lodge building. This was arranged by converting a rehearsal room into office space and building a new rehearsal room in the rear.

WISCONSIN — 1971

127th Annual Communication — June 8-9.

Grand Master, 1970-71 — M.W. Bro. C. E. White
Grand Master, 1971-72 — M.W. Bro. D. G. Kramer

Lodges, 293. Membership, 51,372. Loss, 1,408.

In 1966 the Grand Lodge began publishing the Wisconsin Masonic Journal in place of the Wisconsin Freemason which had been the official publication from 1944. The latter was sent only to those who requested it whereas the new publication was sent to all Master Masons. Circulation therefore went up. By careful scrutiny of expenses the new publication costs little more than the Wisconsin Freemason did in 1966, in spite of inflationary price increases. During the past year the publication operated "in the black."

The Grand Master granted a dispensation for a new lodge. The stated communications are slated to be held at 10 a.m. and will accommodate brethren who because of working hours or other reasons find it difficult to attend evening meetings. The previous new lodge was chartered in 1962, making this one the first in a decade.

Forty-four three-night schools of instruction were held. Attendance at the 132 nights totalled about 8,000, over 15 per cent of the total membership of the Jurisdiction. Activities such as these suggest that the interested Masons of Wisconsin really are interested.

WYOMING — 1971

97th Annual Communication — August 23-24.

Grand Master, 1970-71 — M.W. Bro. K. H. Olds

Grand Master, 1971-72 — M.W. Bro. C. Perry

Lodges, 55.

Membership, 11,931.

Loss, 212.

The Grand Lodge laid two cornerstones. One was for an advanced type of building, the combined Union Congregational-St. John's Episcopal Church, in Green River, Wyoming.

The opening address at the Communication was given by Bro. C. P. Hansen, U.S. Senator from Wyoming.

The Grand Master granted dispensations for five Masonic church services. Two were held in United Methodist churches and one each in the Episcopal Cathedral, Laramie, a Baptist church and a Lutheran church.

The Grand Master concluded his address on a happy note.

"It is my feeling this has been a good year for Masonry in Wyoming, and it is my fervent hope this feeling will withstand the test of time. No controversies of any consequences have come to my attention; no great changes have been brought about as a result of my efforts; it can be reported that Masonry in this jurisdiction is progressing, perhaps better in some areas than others, but certainly satisfactorily in all."

APPENDIX "D"
GRAND MASTER'S BANQUET
Held In The Canadian Room
Royal York Hotel, Toronto, Ontario

JULY 19th, 1972

GRAND MASTER W. K. BAILEY: Brethren, may I say how delighted I am that you have supported this Grand Master's Banquet so generously, so kindly. It's a great sight to stand up here and preside over this vast and interested assemblage of Masons. I should like now for M.W. Bro. James N. Allan to introduce our speaker . . . M.W. Bro. Allan.

M.W. BRO. J. N. ALLAN: M.W. Grand Master, Distinguished Masons and my Brethren: I am most happy, M.W. Bro. Woods, to welcome you to Ontario and to be looking forward to listening to you speak to us tonight. I may say that when we learned that Bro. Woods was coming from Calgary to speak to us, you know, we wondered what kind of a fellow he was! We remembered when the Calgary Stampede came down—so did the Argonauts—(laughter) and we didn't know whether you would have a football helmet on, or whether you wouldn't, and then we remembered that when all of our friends came down from Calgary they brought their horses and they rode into the Royal York Hotel here, and we wondered if you would have a horse, but you didn't. I said to him, as I was speaking to M.W. Bro. Woods, "most of the people who live in Calgary, are they cowboys?" and he said "No, they are almost all millionaires." I said "are you a cowboy?" and he said "No." (Laughter) So you can form your own conclusions.

M.W. Bro. Woods is a purebred westerner. He was born in Edmonton and led a normal life as most young people do, until he had his University Course interrupted to spend some time in the army during the Second World War. He came back, finished his Course, was called to the Bar and got married. He married Jenny Salamandick and they have four very lovely children. Then he decided to become a Mason — and it's a strange thing that they haven't had any children since. (Laughter) Whether that had anything to do with it, I don't know (laughter) but the family ceased coming as soon as he became a member of the Craft. One finds out mostly something about anyone from their friends, as a rule, and I soon discovered that Bro. Woods has very many friends, very many admirers, particularly among the Masons, and when I inquired from them what sort of a man was he and, you know,

you wonder because all of our lawyers don't have that fine reputation that they are anxious to lay it right out on the table, but in this particular instance they are, and we are told that Bro. Woods is really just about the ideal Mason, a great family man, a person interested in the welfare of his community, a person who keeps very close to all of those about him. He is a respected citizen, and our M.W. The Archbishop, would be glad to know that he is a good Anglican (hear, hear) (laughter). I hear the Archbishop speak about good Anglicans—I've never heard him speak about any other kind—perhaps there are no others, (laughter) but perhaps his career in Masonry is that facet of his activity that we are particularly interested in tonight and, you know, numbers enter into people's lives and maybe they have entered into his life, because he became a Mason in 1956, in six years he was Jr. Warden of the Grand Lodge of Alberta, then he speeded up and cut the six years in two, and in three years he became Grand Master of the Grand Lodge of Alberta, and the story is that he was a tremendous Grand Master, that he was selfless so far as use of his time was concerned, that he visited almost all of the Rural Lodges in his Province, that he had the ability to communicate and to get very close to people to inspire them and to receive a great deal of co-operation and, as a result, they looked back upon the year that our Masonic Brother was the Grand Master of the Grand Lodge of Alberta as one of the very successful Masonic years in that Province. Indeed, he stretched his visiting even to Ontario and came down to Perfection Lodge in St. Catharines last winter, in fact many who are here were there that evening, and enjoyed it. He has plans now for an exchange of visits with one of the Quebec Lodges and a Lodge in Alberta. He is just one of those persons who makes things happen. And so, M.W. Bro. Woods, we are delighted that you are here tonight and to you, Brethren, I now give you M.W. Bro. James Sutherland Woods, Past Grand Master of the Grand Lodge of Alberta, and a very wonderful Canadian. (Applause).

—Brethren rise.

M.W. BRO. JAMES SUTHERLAND WOODS: M.W. Bro. Bailey, Distinguished Head Table and Brethren all: If it wasn't for the reference to that fellow Woods being married to Jenny Salamandick, I would have thought they were either talking about Mervin Woods or Craig Woods of another Jurisdiction. I thank you, indeed, for those kind words.

I was chatting with M.W. Bro. Wright about a mutual friend, a lodge brother of mine whom some of you may know around Toronto, Venerable Archdeacon Cecil Swanson, who was my Grand Chaplain and, as I say, a lodge brother of mine in Zetland No. 83 in Calgary, and when he went back to the Lodge after being installed as Grand Chaplain, he reported to my brethren of Zetland that his job was to look at the Grand Master and pray for the Craft. (Laughter) I see here that M.W. Bro. Bill Bailey requires an Archbishop for that. (Laughter)

A reference was made to being either a cowboy or a millionaire! I deny being a cowboy, and the friendship extended to me on my visit here, particularly tonight, has, indeed, made me a millionaire. for which I thank you.

My address is directed to those of you gathered here whom I call the Rulers of the Craft and, by that, I refer to the Masters, and Wardens, and Past Masters. All these brethren decked out in brass that gather up in the Grand East are Governors of the Craft but strangely, in my opinion, they are not the rulers of it, and I trust that I can develop that theme to your satisfaction and, perhaps, somewhat to your consternation.

It has been said that this fraternity exists for the purpose of taking good men and making them better. You may well say that that is a trite Masonic phrase with which we all agree. Agreed we may be—but what are doing now that we are agreed? I suggest, not enough! In our obsession with the initiation, passing and raising of candidates, in our obsession with the annual Ladies' Night or Bonspiel, in our obsession with the fear that dues may have to be raised, we frequently forget the individual Mason and our collective duty to him and to make him better has so often been overlooked. And I say "Him", meaning the existing Mason, not a new one, one who is of us now. If this is not the primary concern of any Masonic Lodge, then I say that Lodge is out of focus.

And I use the word focus with care because it is derived from the same Latin word where it meant hearth or fireplace, the heart of a household. And how fitting this is in the Masonic context! Surely the lodge altar is the hearth of Freemasonry where all Masons gather together to bask in the warmth of the brotherly love which we so highly extol.

But that warmth can only radiate if we all remember our vows taken before that altar. We must never forget that when we have exacted Masonic vows from candidates, we assured them far reaching claims on ourselves; claims which can affect not only our treasure but, more important, our time. I have never known a distressed brother to be denied assistance, material assistance, but I am not concerned with his physical or material needs here. I am concerned about the great number of our brethren who are denied intellectual sustenance which we should be supplying to them. I am afraid that far too many of our brethren are ignorant of the fact that they are in need in this area and far too many of us have been blind to such need in our brethren.

In the last quarter century we gleefully initiated candidates at our altars and the officers and sponsors have thereby thriven and waxed exceedingly self-satisfied. When no candidate knocks at the door, however, confusion has reigned within the temple and there

has been great lamentation and rending of robes and gnashing of teeth. And why? Because in our concentration on creating new Masons we have all forgotten what we are here for in the first place—to advance amongst ourselves the great Masonic principles in our lives and display them in our communities by our example.

Look to our professions. How many years does it take to qualify a student for professional status? Even an under-graduate degree at university takes four years, law seven to eight, medicine eight to ten. We appear to think that we can make Masons in three light ceremonial evenings. We should stop deluding ourselves.

Try to remember the last time we heard any Masonic dissertation in the lodge which gave evidence of a considered study by someone who was self-evidently a student of the Craft and its philosophy? There are such brethren and from time to time we are privileged to hear them, but their numbers are few and their numbers are becoming fewer, and we should be taking steps to replenish their ranks. That requires action.

I am convinced that within the next five years Canadian Masonry is going to be put to the greatest test it has ever had to endure in its history. Masonry is going to have to stand as the bastion against the more evil effects of the permissive society. It is going to have to demonstrate that liberty is not license, that freedom is not fanaticism and that love is not licentiousness. Its members are going to be called up to be counted in their public and private avocations. If they stand forth as just and upright men and Masons they may well be subject to the harrassment and opprobrium of the mob and the media. We must arm them well for any such test of strength. The armory is the Lodge, and the Lodge can be no stronger than the feeling of brotherhood that exists within it.

That great American writer, Albert Pike, had this to say about the basis of brotherhood:

"It is not possible to create a true and genuine brotherhood upon any theory of the baseness of human nature. There can be no real brotherhood without mutual regard, good opinion and esteem, and mutual allowances for faults and failings. It is only those who learn habitually to think better of each other, and who look for the good that is in each other, and who allow and overlook the evil, in each other, who live in brotherhood."

And one of the definitions of "charity" given in the Oxford English Dictionary of which I am very fond is: "The tendency or propensity to think well of another." I have said that my remarks are directed chiefly to the Rulers of the Craft and I mean again, and I repeat, the Masters, Past Masters and Wardens of the Lodges. They govern the Craft where it is most important—in the hearts of the brethren. On them the whole future of the Craft

depends and it is a rather awesome responsibility. It is awesome because, although the machinery of government is in the hands of the Grand Master and his Officers, the spirit of the Craft is in the peculiar charge of the Master of the Lodge. To discharge his duties properly he requires an adequate plan.

In the Invocation given by M.W. Bro. Calvert at the Centennial Communication of the Grand Lodge of British Columbia, he told us to heed the injunction in the Book of Exodus: "Look to the pattern that was given on the Mount." In this age there are many who do not look with favour on that pattern. Some have tampered with it with, in my opinion, disastrous results. But without a shadow of a doubt the whole of the legal and political systems of the English Judæo-Christian world depends upon that pattern—the ten rules for living that Moses gave to the people. Indeed, it has been said that man, in all his ages, has passed more than 300 million laws—but he has yet to improve on the Ten Commandments.

It isn't for nothing that you and I were made to represent a celebrated architect. His fidelity to the plan and his complete indifference to anybody, no matter how strong, who might circumvent or prevent him from carrying on of that plan, should ever be our inspiration.

But I say this to you: Remember that it was fifteen fellow-crafts of that superior class of workmen, appointed to rule over the rest, who conspired against him. These were Rulers of the Craft but they were tempted as some today are tempted, without realizing it, to veer away from the basic principles of the Craft, and when your Grand Master leads you to a point of effecting reform of system, he is by no means trying to lead you into an attack on the basic tenets of the Craft, and this distinction must ever be borne in mind, for great care must always be taken that we do preserve inviolate the ancient landmarks.

We live amongst the perils of a permissive society and its appeal to the material and sensual. The sad deluded, misguided genius of Oscar Wilde produced a poem which, in my opinion, gives a warning for all Masons, and it is called "Helas", and it goes like this and it is very fitting for this day and age, I believe, to ponder on this particular poem:

"To drift with every passion until my soul
is a stringed lute on which all winds can play,
Is it for this that I have given away
mine ancient wisdom, and austere control?
Me thinks my life is a twice written scroll
scrawled over on some boyish holiday
with idle song for pipe and virelay,
Which do but mar the secret of the whole.
Surely there was a time I might have trod
the sunlit heights

And from life's dissonance struck one clear chord
to reach the ears of God;
Is that time dead? Lo! with a little rod
I did but touch the honey of romance—
And must I lose my soul's inheritance?"

The anguish of the poet's question is, I think, self-evident. How many in today's society are "drifting with every passion" seeking satiety of every sense save that of the intellect and the spirit? How many lives are not only twice but thrice-written scrolls? How many have given away "ancient wisdom" and abandoned "austere control?"

Ancient wisdom and austere control are the very stuff of Master Masons, and it is the duty of the leaders of the Craft not to instill it in a man because it cannot be instilled. The leader's task is but to find it and draw it out and nourish it, to insist on the strictest adherence to the highest principles in all activities, and to require every man to do his whole duty no matter what the opposition. This is, indeed, not an easy task.

So I will give you a model for it, and I will move from Oscar Wilde to Socrates. I would like to read to you a description of Socrates' philosophy by Edith Hamilton in her book "The Greek Way". I think that you will see here that though Socrates could not have known about Masonry, in his heart he was an ideal Mason and would have made a good ruler of the Craft.

Socrates believed that goodness and truth were the fundamental realities, and that they were attainable. Every man would strive to attain them if he could be shown them. No one would pursue evil except through ignorance. Once let him see what evil was and he would fly from it. His own mission, Socrates believed, was to open men's eyes to their ignorance and to lead them on to where they could catch a glimpse of the eternal truth and goodness under life's confusions and futilities when they would inevitably, irresistibly, seek for a fuller and fuller version of it. He had no dogma, no set of beliefs to implant in men's minds. He wanted to awaken in them the realization that they did not know what was good, and to arouse in them the longing to discover it. Each one, he was sure, must seek and find it for himself. He never set himself up as a guide. "Although my mind is far from wise," he said, "some of those who come to me make astonishing progress. They discover for themselves, not from me— and yet I am an instrument in the hands of God."

And Aristotle's writing, some fifty years after Socrates died, said:

"There is a life which is higher than the measure of humanity: men will live it not by virtue of their humanity, but by virtue of something in them that is divine. We ought not to listen to those who exhort a man to keep to man's thoughts, but to live

according to the highest thing that is in him, for small though it be, in power and worth, it is far above the rest."

I thank you.

—Brethren rise. (Continued applause)

M.W. BRO. WILLIAM K. BAILEY: Our Deputy Grand Master is now going to speak.

DEPUTY GRAND MASTER G. E. TURNER: M.W. Grand Master, Distinguished Guests and my Brethren all: I think I would first like to take exception to one statement which M.W. Bro. Woods said this evening—I take exception to his insinuation that lawyers are so much smarter than doctors! (Laughter) He stated they learn their profession in six years—it takes we poor doctors ten years to learn our profession! (Laughter)

My brethren, it is indeed an honour and a privilege for me to have the opportunity of conveying thanks to M.W. Bro. Woods, the sincere and heartfelt thanks of the brethren for this timely message given to us this evening. The rapt attention afforded your words, M. Wor. Sir, plus the applause of the brethren, should tend to convey to you the respect in which you are held because of the wonderful enjoyment you afforded them this evening. We thank you for coming to our Grand Jurisdiction and wish you a safe journey home to your oil wells (laughter) and also hope that you will again visit us on some future occasion. I would like to shake hands with you this evening, M. Wor. Sir, and then I shall be able to tell my grandchildren that I know two millionaires—M. Wor. Bro. Woods and M. Wor. Bro. James Allan. (Laughter) (Applause)

M. WOR. BRO. WILLIAM K. BAILEY: My brethren, on this high note we close this meeting. I am sure that I have been justified in asking M. Wor. Bro. Woods to be with us as our guest speaker. This meeting is now adjourned.

—9:55 p.m., adjourned sine die.
